Threads in the Tapestry Cherub Angela Nicholls,2014-01-28 *Threads in the Tapestry: Conflict and Resolution in the Middle East* by Cherub Nicholls *Threads In The Tapestry: Conflict & Resolution in the Middle East* can be simply explained in a love story. God, the Great King, chooses for Himself a wife. Her name is Israel. This Great King loves His wife very much and would do anything to shower her with His affection. Like other husbands in a marital relationship, He provides for His wife a home. This Great King utilizes the skills and expertise of foreign labour to build His wife her home. After the labourers complete their tasks (they were the Kenites, the Kenezites, and the Kadmonites, the Hittites, the Perizzites, and the Rephaim, the Amorites, the Canaanites, the Gergashites, and the Jebusites), He removes them from the country, so that His wife alone, may enjoy the splendour of His possession. Twice, because of His wife's unfaithfulness to Him, He sends her away from His house. Nevertheless, He remains committed to His lover and decides that He will be faithful and seek no sweetheart while healing takes place in His broken heart. After a long time, God, the Great King and husband of Israel, decided that He has punished His wife long enough, and He brings her back home: to Himself, His house and city. Her total adoration is all He yearns for. Though there are many other women in the street, trying to win His affection, He reserves His love for His

wife alone. Leave Israel alone! Her King, with great power, will rescue her from the world. This is a must read! About the Author Cherub Angela Nicholls served as a career diplomat for Guyana at the United Nations, and also as an intern at the United Nations. Her diplomatic career helped open her eyes to the Arab-Israeli conflict. No longer in her country's service, she has since become an advocate for Israel, in which she is dedicated to providing insights to the conflict from the standpoint of the God of Israel.

Book of Edward Christian Mythology (Volume II: God Does Not Change) Edward G. Palmer, 2005-06 Today, Christianity is steeped in mythology and Christians are unwittingly headed towards Hell instead of Heaven. They are far away from God and HIS Word. How would you answer these three questions: 1) Do you pray to Jesus? 2) Do you worship Jesus? 3) Do you give all the glory to Jesus? If you've answered yes to even one, you do not know God, HIS only human begotten Son or HIS Word. Many Christians have been programmed with mythology as explained in 2 Timothy and 2 Thessalonians. However, Jesus taught: 1) Pray to God the Father [Matthew 6:6]. 2) Worship only God the Father [Matthew 4:10]. 3) That he comes in his Father's glory [Mark 8:38]. Inside Volume II (God Does Not Change), you'll learn that Jesus did not change God. You'll learn why the trinity and salvation doctrines are false and lead Christians to Hell. You'll also learn the true gift of Jesus and that the Holy Bible is actually a book mainly about God and not Jesus. Let Scripture educate your heart. Volume II of a four volume set that deals with Faith, Prophecy and Christology. Over 1367 Scriptures are cited and there are 238 illustrations/tables/lists in the entire four volume set.

The Oracles of God... Or the Words of Men? Curtis Pillsbury, 2010-11 Why don't people believe the Bible like they used to? Do Christians themselves truly believe the Bible? Is the Word part true, part superstition? Is it fair to claim that the Bible is superior to other sacred writings? Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences. If you have ever questioned Christianity, fear not. Curtis himself has battled similar doubts and has spent over twenty years disproving the myths. You will never again wonder, is the Bible The Oracles of God or the Words of Men? In a day in which postmodernism and humanism seek to dissolve absolute truth, Curtis Pillsbury has given us a tool to create a Christian worldview. The Oracles of God or the Words of Men? is a tool to combat New Age mumbo-jumbo and establish God's Word as an anchor for transformation and productivity. Curtis's work will help you wade through the minutia of philosophies combating real truth. Read this book as a key to your freedom. —Ron McIntosh, President of Ron McIntosh Ministries, Executive Director of Victory Bible Institute The Oracles of God or the

Words of Men? will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority. With this revelation you can stand in the midst of any trial or temptation. This book will keep you in love with Jesus and his Word. —Terry Nance, author of *God's Armorbearers*

The Trump Code Troy Anderson, 2024-09-17 Could the Trump family's connections to time travel, esoteric knowledge, and secret societies hold clues to unlocking the mysteries of our past and future? By the end of this book, you will be able to connect the uncanny parallels between the novels Lockwood penned over a century ago and the Trump family legacy. Additionally, you will be able to solve the mystery to the upcoming 2024 election season. In the annals of American presidential history, there is no more peculiar tale than the eerie similarities between former President Donald Trump and a series of novels called, *The Baron Trump Collection*, penned by the obscure yet seemingly prophetic hand of American lawyer and novelist Ingersoll Lockwood in the late 1800s. *The Trump Code* delves into the connections between the Baron Trump novels and the enigmatic Trump family legacy, asking whether this nineteenth-century novelist foresaw the future of not only Trump but America and the world. It also uncovers a web of historical events and divine providence. Drawing from biblical passages about Enoch, Elijah, the Apostle John, the Mount of Transfiguration, and a mysterious verse in Ephesians on how Christ's followers are seated in heavenly places, along with theories of time travel by Albert Einstein, Nikola Tesla, and others, *The Trump Code* connects the pieces of this riveting puzzle, posing the question of whether truth is stranger than fiction, as Mark Twain famously said. As we peel back the layers of history, *The Trump Code* confronts questions that defy easy answers: Could this fictional novel hold clues to the upcoming 2024 presidential election, with all its division and chaos? Is there a divine hand guiding the course of human events, as suggested by the parallels in these novels between fiction and reality? Or are we witnessing the machinations of darker forces, hinted at by the curious numerology surrounding Lockwood's name?

The End of the World Tom McIver, 1999 This bibliography contains careful and bias-free annotations of close to 3,500 works written over many centuries about the end of the world, predominantly but not entirely from a Christian perspective. The books, pamphlets, websites, and selected other media cover a wide variety of eschatological beliefs--from the numerous fundamentalist scenarios to the mystical and the violent--and include such topics as the Tribulation, the Rapture, the Millennium, Armageddon, the Second Coming, the Antichrist, and the Apocalypse. Works on other major religions (such as Judaism, Islam), the mythos of popular cultures (Mayan prophecies, Norse Ragnarok), UFO, occult and psychic theories (Heaven's Gate, Nostradamus), and secular theories (Y2k+ computer chaos) can be found. The work is in four parts (plus indexes). Entries in the pre-1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC. Other entries are arranged alphabetically within the three chronological subdivisions of 1800-1910, 1910-1970, and post-1970. All include full bibliographic information and annotations regarding format, type of work, theme, the author's

background, the category of theories espoused, distinctive or notable characteristics, the intended readership, and the significance of the work. There are cross-references to works by the same author. An introduction describes major types of beliefs, outlines basic Fundamentalist end-of-the-world scenarios, summarizes Biblical sources, and explains important terms, concepts and relationships among sources. The work is extensively indexed by author, title, and subject.
