The Difference Dr Maxwell Ubah.,2015-06-15 Why do some people succeed and others fail under the same conditions and circumstances? Put in another way, why do some people with limited resources, opportunities and potentials fare better in life than others who seemed to have it all? What accounts for the difference between successful people and ordinary people, between successful companies and the also-rans, and between successful nations and kleptocracies? In The Difference, Leadership Coach and Strategy Consultant Dr Maxwell Ubah writes that successful people are not different from ordinary people; they only do things differently. Using an ancient parable between an entrepreneur and his three employees, he identified ten principles of success that set successful people apart from ordinary people. Dr Ubah Maxwell has hit a home run with The Difference. It challenges individuals to leave the beaten path of mediocrity and live a life of personal significance. I strongly recommend it to all who desire to achieve the extraordinary with their lives. Sonny Allison, founder/director, Red Star Express Plc. Dr Maxwell Ubah has packaged a little dynamite that could blow off the shell shielding success. Or put more appropriately, The Difference is a roadmap to success and fulfilment in life, as long as were ready to blow off the lid. Simon Kolawole, editor, Thisday (newspaper)

Your Complete Guide to Money Happiness Henry S. Brock, 1997 Unlike the usual financial planning manual which merely focuses on strategies and tactics, Money Happiness first lays the enduring foundation of correct principles against which any strategy or tactic may be measured. Within this framework, Brock reveals with remarkable clarity why so many financial self-help books fall short of helping you find lasting solutions to financial challenges. By examining those principles that worked yesteryear, today, and that will work in the years of economic commotion ahead, you will discover how to discern sense for nonsense, fundamentals from fads, and facts from fiction as promoted in the financial press. These principles will be just as applicable to the economy in the year 2025 as they are today.

Repeat the Remarkable: How Strong Leaders Overcome Business Challenges to Take Their Performance to the Next Level Perry Holley, 2013-09-17 One thing I have learned in my years of leading teams is that achieving a remarkable performance is no guarantee of repeating remarkable performance. As a program director with IBM Leadership Development, Perry Holley has traveled the globe to improve personal and team performance in his company. He has seen first-hand how IBM has managed to stay on top during good times and bad throughout its century-long history. It all comes down to leadership that never accepts average, views challenges as opportunities, and always strives to make a difference. Repeat the Remarkable is Holley's toolbox for organizational leadership that drives remarkable performance--and keeps it running full throttle. The ability to repeat top-notch performance is precisely the difference between good companies and great companies. In this groundbreaking book, Holley reveals the same method he teaches IBM's leaders. He conveniently organizes his proven Model for Remarkable into three easy-to-understand sections: FOUNDATION: The two main building blocks of remarkable performance--clear definitions of goals and the purposes behind the goals FRAMEWORK: The four critical elements for delivering remarkable performance--exceptional behavior, preparation, discipline, and persistence FUNCTIONALITY: The two components that ensure that remarkability is the defining trait of your company or department--a mindset of excellence and high character The lessons in Repeat the Remarkable can be applied to any organization, whether it's a large corporation, a small business--or simply your own family unit. They are universal--and they work. In today's hypercompetitive business landscape, where markets are completely unpredictable, being good doesn't cut it. Neither does delivering occasional remarkable performance. If you want to seize the competitive edge--and hold it--you have to deliver world-class performance on a consistent basis. With Repeat the Remarkable, you have everything you need to infuse the right attitudes and behaviors in your people--and make sure they stick. Praise for REPEAT THE REMARKABLE: One of the demons that overcomes individuals and organizations is complacency. This book contains the perfect antidote. Holley uses his IBM experience as a powerful metaphor for the value of discipline that ultimately inspires individuals and teams to soar to new heights. -- JACK ZENGER, coauthor of the bestselling The Extraordinary Leader and The Inspiring Leader Perry is a natural teacher. You walk away from each chapter with renewed enthusiasm for personal improvement change. -- JON PRIAL, IBM

WW Vice President, Sales Enablement, retired It is easy to fall into the trap of complacency after the big win. Perry lays out a plan to help you avoid that trap and become intentional about higher performance. -- T. FALCON NAPIER, founder, The Institute for Productive Tension Perry is Remarkable. Thirty years of remarkable success is proof. If you too want to be remarkable and lead a remarkable team producing remarkable results--buy, read, and study this book. It's all in there. -- DARREN HARDY, publisher of SUCCESS, CEO mentor, and New York Times bestselling author of The Compound Effect Repeat the Remarkable is full of great ideas to help you lead yourself and lead your team to greater heights. -- MIKE MADSEN, Vice President, IBM Software Group, Mid-Atlantic Eminently practical and full of real-world advice. This book will affirm and influence those who are called to a leadership role. . . . [It] offers meaningful help for everyone at every rung of the leadership ladder. -- ANNE BRUCE, "The Authority on Motivational Leadership" and author of Discover True North and The Manager's Guide to Motivating Employees
