Andrew Jackson U-Inspire U-Inspire Inc,2002-07-01 Six books of more than 100 quotations from American Presidents and Founding Fathers selected from the single largest collection of quotations. Each book includes two sections, Quote and UnQuote, giving a sampling of the public and private sides of each. Printed in two-color throughout, these high-quality hardbound books are perfect for those who find inspiration from leaders of great note. The words of these famous Americans who came before us will inspire through insight, truth, wit, and turn of phrase.

The Encarta Book of Quotations Bill Swainson,2000-09-30 Here are 25,000 quotations drawn from the history, politics, literature, religions, science, and popular culture of the world--ranging from the earliest Chinese sages through Shakespeare to the present day.

Quote Junkie Hagopian Institute,2008-06-22 Some of the greatest political quotes in the history of the world, featuring around 600 great quotes. A great book for political, and history junkies. This edition offers quotes from some of the greatest men and women in the history of the world, from all corners of the world. Enjoy!

Affairs of State Robert P. Watson,2012-09-06 In recent years, Arnold Schwarzenegger, Eliot Spitzer, John Edwards, Newt Gingrich, Herman Cain, and countless other politicians have made headlines for their sexual scandals. But such stories are not new. Indeed, there is a long history of misbehavior in politics, including in the nation's highest office. Bill Clinton, it can safely be said, was not the first president to misbehave, nor was he the worst. In fact, there is a long history of presidential peccadilloes. Many presidents have been influenced and had their careers affected by the hand of a woman, sometimes that of a wife or mother, but at other times that of a mistress. But these stories are rarely told. Instead, history has tended to glorify our leaders. Such a scrubbed version of the lives of presidents, however, omits their marital woes, love lives, and sexual peccadilloes. As Robert P. Watson reveals, it is precisely these intimate and all-too-human moments that provide some of the most valuable insights into our leaders. *Affairs of State* is not just about sex and scandal—the “who did it” of history—although such incidents are described in detail. It is a book about love, marriage, and affairs in the White House, offering an intimate character study of the First Couples who made history. Shaking The Money Tree Craig Iley, 2020-08-27 It is time for the people to unleash a banking revolution. Every owner of an SME and those thinking of starting a business should read this book and then act to support the kind of banking that is long overdue. The kind of banking described by Craig Iley. Every banker should read this book and pay heed to what Craig Iley describes. Let the revolution begin. Without Banks the world we know today would not exist but... Have you ever thought the odds were stacked against you and never really understood how? Have you ever considered why your bank gets richer but your business gets poorer? Have you ever wondered if there was a better, fairer way? If we want social equality, we need economic equality. If we want economic equality, we have to change the financial system. If we want to change the system then we have to understand it... then we have to act. You may not think that you can do this but I can assure you that is not true. You have far more power than you may believe. The only question you really need to answer is, do you want to stick with what we have or... Do you want to start shaking the money tree and build something fit for the 21st Century? A little revolution now and then can be a healthy thing. It has never been more important for us all to understand what banks are, how they work and why our banking system is not fit for purpose. Craig Iley has been involved in the development of two new challenger banks and 'SHAKING THE MONEY TREE' explains how we can develop a new financial covenant, to regain control of our economic destiny. Mike Southon, Entrepreneur in Residence, City Business School University of London and co-author of international business best seller *The Beermat Entrepreneur*
