

# Read Cry Me A River

Livia Quinn

**Storm Crazy Bonus Editions Books 1&2 (Storm Crazy & Cry Me a River)** Livia Quinn, 2020-11-11 Welcome to Destiny, or should I say Middle Earth... Jack Lang, sheriff, former Navy pilot. To say Destiny was not what I expected would be like saying Wolverine's fingernails were long enough for a manicure. I'd been looking for Mayberry, a quaint little safe town to raise my daughter. That ship sailed when I met Tempest Pomeroy, who turned out to be a storm witch with a djinn brother and an ex who was... hell, I don't know what he is. But I wasn't sure I could stay. I had a teenage daughter to consider. Tempe Pomeroy, Tempestaerie, mail lady, and - as Jack likes to say - trouble magnet. Isn't it just like a man to exit a relationship when he finds out a woman has a few little secrets? In case you haven't figured it out, I'm the woman with the secrets. Following Jack's, um, enlightenment, he finally started investigating my little brother's disappearance, but time is running out and our relationship has gone from attraction to suspicion, support to friendship, romance to oh-my-god-get-away-from-me revulsion. Jack's an ex-Navy pilot. He says he wants to know "everything". He may stick around, help me save my brother and discover the whereabouts of my mother, but I doubt he'll still want to take me to the Mardi Gras ball, once he knows "everything". He'll probably take the first jet out of Middle Earth. 'Cause there's a lot of everything...

**Cry Me a River. Life is a Story - Story.one** Alexander Harbort, 2023-08-22

*Cry Me a River* Ernest Hill, 2004-05 Raw, unflinching, yet elegiac in its prose, acclaimed author Ernest Hill's new novel is an unforgettable portrait of a black man desperately trying to save his son's life - and redeem his own. Praise for his previous novels: He is a skilled storyteller' - New York Times Book Review 'Hill's swift simplicity in the telling and his rich black dialogue will carry you along' Kirkus Reviews 'A fast-paced, compelling novel of crime, forgiveness and redemption' - Booklist (Starred)'

*Quarterly Essay 78 The Coal Curse* Judith Brett, 2020-06-22 Australia is a wealthy nation with the economic profile of a developing country - heavy on raw materials, and low on innovation and skilled manufacturing. Once we rode on the sheep's back for our overseas trade; today we rely on cartloads of coal and tankers of LNG. So must we double down on fossil fuels, now that COVID-19 has halted the flow of international students and tourists? Or is there a better way forward, which supports renewable energy and local manufacturing? Judith Brett traces the unusual history of Australia's economy and the "resource curse" that has shaped our politics. She shows how the mining industry learnt to run fear campaigns, and how the

Coalition became dominated by fossil-fuel interests to the exclusion of other voices. In this insightful essay about leadership, vision and history, she looks at the costs of Australia's coal addiction and asks, where will we be if the world stops buying it? "Faced with the crisis of a global pandemic, for the first time in more than a decade Australia has had evidence-based, bipartisan policy-making. Politicians have listened to the scientists and ... put ideology and the protection of vested interests aside and behaved like adults. Can they do the same to commit to fast and effective action to try to save our children's and grandchildren's future, to prevent the catastrophic fires and heatwaves the scientists predict, the species extinction and the famines?" —Judith Brett, *The Coal Curse*

**Destiny Paramortals** Livia Quinn, 2015-04-04 Welcome to Destiny — is it Mayberry or Middle Earth? A series of strange events in Destiny have Tempest Pomeroy reeling. Between her Djinni brother missing, the body she discovered in the clubhouse, and her quickening Tempestaerie powers approaching, not to mention all the Alphas in her world going crazy, well... to say she's having a bad week would be like saying Katrina dropped a little rain on the Gulf Coast. Tempe is a mail carrier and a Paramortal like her family, but until now - with only a few measly talents - she thought she might be adopted. There's an immediate attraction between her and Destiny's hunky new sheriff, former Navy pilot Jack Lang, who's investigating the odd occurrences, but it won't last. All the men in Tempe's life leave eventually. Oh, and the sheriff? He thinks he's settled in a normal small town to raise his teenage daughter—like Mayberry?! We'll see how that turns out... As the Para-moon approaches and more non-humans arrive in Destiny, will Jack stick around, or take the next jet out of Middle Earth? This collection includes books 1-3: *Storm Crazy*, *Cry Me a River*, and *Eve of Chaos*. This is my new favorite series. Can't wait for the next one! Run don't walk to the buy button Wow...just Wow! Give me some more! This is a continued story of Jack Lang and Tempest Pomeroy and the rest of their Paramortal community. They are not standalones. Destiny is an urban fantasy paranormal romance, a world of vampires, fae, dragons, and other supernaturals whose mission is to protect those weaker than themselves. The series is a fun emotional and quirky ride with twists and turns that will keep you guessing and relationships that make you want to come back for more. Readers say, Come to Destiny, you won't want to leave. Books 1-6 follow the transformation of Tempest Pomeroy as she comes into her power, Sheriff Jack Lang's acceptance of his new world and the growth of secondary Paramortal characters like Montana and Conor, the dragon. Reading order: *Storm Crazy*, 1 *Cry Me a River*, 2 *Eve of Chaos*, 3 *Blame it on the Moon*, 4 *Take These Broken*, 5 *Blood Moon*, 6

**A Month of Mondays** Robert Michael, 2013-05-01 Jake Monday hates Mondays more than any other day of the week. This Monday may just be the beginning of his new life. He is haunted by his loss of memory. He is targeted by the company he betrayed. Most men would run. Jake goes straight into the maw of the dragon. *A Month of Mondays* opens a new chapter in the life of Jake Monday, the vaunted assassin of the Galbraith Alliance. Jake meets friends he forgot he had and enemies he thought were friends. When Jake finally confronts his past, he learns that perhaps he was not the man he thought he was.

Jake questions his own motives. Why was he on that lawn prepared to kill the most powerful man on earth? And, who would have benefited most if he had succeeded? FROM THE AUTHOR A Month of Mondays is the second installment of a 7-part series of novellas. The Jake Monday Chronicles will also be included in two volumes of collected works: The Monday Collection, Volumes One and Volume Two. So, whether you enjoy your series one installment at a time, or you like to read a longer work, we have you covered. The Monday Collection, Volume One contains Manic Monday, A Month of Mondays, and Thank God it's Monday. All these installments are also available to purchase separately if you wish. The Monday Collection, Volume Two will be released in the fourth quarter of 2014 and will include the final four parts of the Jake Monday saga: Rainy Days and Monday (March 2014), Can't Wait for Monday (May 2014), Mad Mad Monday (July 2014), and Monday Bloody Monday (September 2014). I get the question from time-to-time: what inspired you to write this story? With Jake Monday, my inspiration came from a multitude of sources. Authors like Ludlum, LeCarre, Fleming, and Follet come to mind. Also, I enjoy watching series on television: Alias, Heroes, Lost, Supernatural, The X-Files, and Hannibal. All of these have elements that influenced my writing. The Jake Monday Chronicles began in 2003 when I wrote a short story about an assassin named Jake Monday. I had no plans, really, but I had a sentence running through my head. The sentence that launched this series began: Jake Monday hated Mondays more than any other day of the week. The idea that a high-profile assassin would be unhappy, unsatisfied, and struggling with his past and future, is not unique. I wanted to explore new areas of this theme. I thought of family, of a past hidden, of the moral challenge of an individual that finds himself caught in a massive global conspiracy while grappling with the choices he has made, willingly or not. So, Jake Monday is my Jason Bourne. Hallie is my Sidney Bristow (from Alias). My villains...well, they are all my own. I love to draw villains who are deep, believable, and scary. Not because they always represent the antithesis of the hero, but just the opposite: my villains are not much different than all of us. I do not believe in grey areas, but I do believe the line between good and evil can be narrow. One wrong move and even someone like Jake Monday can be heading in the wrong direction.

*The Publishers Weekly*, 1993

Terrific Topics: Lower primary book 1 Blake Education, 2000 First in a series of resources for middle primary school teachers. Provides 80 photocopiable pages with integrated units on explorers, famous Australians, myths and legends, religions and beliefs, endangered animals, natural disasters, and moving pictures.
