Cinema Sheet Music Donald J. Stubblebine,1991 Compiled from the author s own enormous collection and years of research, this book lists approximately 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (over 15,000 throughout the book), composers and/or lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music.

Broadway Sheet Music Donald J. Stubblebine,1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

Doing Their Bit Michael S. Shull,David E. Wilt,2014-05-23 The golden age of animation stretched from the early 1930s to the mid-1950s, with movie cartoons reaching an extraordinarily high level of artistry and technique--far higher than today's TV cartoons, for instance. Nearly 1000 cartoons were produced by the seven major animation studios in the U.S. between January 1, 1939, and September 30, 1945--the immediate pre-World War II period up to the cessation of hostilities. More than a quarter of the cartoons substantially refer to the war, and thereby are invaluable in helping to understand American attitudes and Hollywood's reflection of them. The meat of Doing Their Bit is a filmography with extremely detailed summaries of the 260 or so commercially produced, animated, war-related shorts, 1939-1945. There is also a good bit of overall commentary on these films as a group. Two chapters wrap up animated cartoons of World War I and the general political tenor of animated talkies of the 1930s. This edition also includes a new chapter on the outrageous government-sponsored Pvt Snafus.
