**Zachary Leader**

**The Lamb** Robin Orr, William Blake, 1932\*

**A Study Guide for William Blake's "The Lamb"** Gale, Cengage Learning, 2016 A Study Guide for William Blake's The Lamb, excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

The Tyger and The Lamb by William Blake William Blake, This resource offers a written version of William Blake's two poems, 'The Tyger' and 'The Lamb', for analysis and exploration.

Blake's Prophetic Workshop G. A. Rosso, 1993 While William Blake's The Four Zoas may be fascinating to Blake scholars, it presents formidable obstacles to even the most ardent Romanticist, let alone interested critics or the general reader. Blake's Prophetic Workshop attempts to clear some of these obstacles by studying the work from a variety of critical perspectives. It assumes some familiarity with Blake's prophecies, but is cast between the introductory and advanced levels of the two previous books published on the poem. Although the major reading strategy is close textual analysis, the poem is marked by various cultural and social contexts that need elucidation. Chapters alternate between sketching these contexts and traditions and providing detailed readings within these contexts. The first chapters give a reception history of the work and set it within the tradition of the eighteenth-century long poem, namely Thomson's Seasons, Pope's An Essay on Man, and Young's Night Thoughts, texts that Blake critiques as Newtonian substitutions of Miltonic prophecy. Chapter three tests these assertions by reading the poem's creation narratives in terms of Anglican-Dissenting apologetics. The final chapters sift the cultural contexts that shape Blake's use of biblical typology and scrutinize several continental philosophies of history, and how they encroach on The Four Zoas, as well as situate the poem in the apocalyptic moment of the 1790s. While a pluralist approach is followed, author George Anthony Rosso, Jr., subscribes to a fundamentally historical theory that places The Four Zoas in the broad and eclectic tradition of English poetic prophecy. Aware of recent critiques of the prophetic, Rosso pursues his theory with flexibility and tolerance for other viewpoints. An appendix provides a useful commentary on the relations between the text and certain designs, drawings, and sketches in the manuscript. Its aim is to show that Blake repeats key images in various frames to provide a sense of context and development, and that the drawings expose what the narrative

represses, often in graphic sexual detail. Rosso presents a Blake who is both deadly serious and disarmingly ironic about the relevance of prophecy in the modern world.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

**The poems, with specimens of the prose writings, of William Blake, with a prefatory notice, biogr. and critical, by J. Skipsey** William Blake,1885

**Reading Blake's Songs** Zachary Leader,2015-08-11 First appearing in 1981, this book was the first full-length study of the Songs of Innocence and Experience to be published in almost fifteen years. The book provides detailed readings of each poem and its accompanying design, to redirect attention to the nature and achievement of the book as a whole, to Songs as a single, carefully unified work of verbal and visual art. Particularly close attention is paid, not only to the designs Blake etched to accompany his poems, but also to the many books and treatises for and about children to which, it is argued, Songs alludes or is indebted. Like so many important works of this period, Songs is shown to be autobiographical in nature, one of Blake's attempts to order and account for the conflicts and crises of his own art and life. Its story is that of an artist's growth into and out of vision, and of his gradual realization of the dangers and deficiencies of the prophetic mode.

William Blake: The Lamb , As part of the Literature Network, Chris Beasley presents the full text of the poem entitled The Lamb. This poem was written by the English poet and mystic William Blake (1757-1827).

*William Blake, Poet and Mystic* Pierre Berger,1915

*A History of the Lie of Innocence in Literature* Rodney David Le Cudennec,2017-05-11 This book traces the history of what it terms the "lie of innocence" as represented in literary texts from the late 18th century to contemporary times. The writers selected here - William Blake, Herman Melville, William Faulkner, Graham Greene, and Cormac McCarthy - write at various points in which the western world was undergoing a process of secularization. This work commences with a study of the bible demonstrating the extent to which "innocence" is realized there as a lie. It identifies in the bible how "innocence" is

used for political, social and ethical expediency, and suggests that the explications of each reference can be demonstrated to testify to an absence of innocence, to indeed the lie of its supposed meaning. In analyzing the selected texts, emphasis is given to the continuation of biblical relevance even when the described world of social behavior works outside religious and biblical notions of good and evil. Instead, this book embraces an interconnection between Nietzsche's "innocence of becoming" and the biblical tree of life that had been rejected in western mythology. It is, this work argues, the choice to sanctify the biblical tree of knowledge that presumed to know what was good and what was evil that brought about the lie of innocence. The book focuses on the relationship between fathers and sons, arguing that it is the orphan son, cut away from paternal ties, who embodies the possibility for the world to embrace an "innocence of becoming". It further shows, with some optimism, that in a post-apocalyptic world, as envisaged by McCarthy, the son can be freed to choose the tree of life over the tree of knowledge.

**Life of William Blake** Alexander Gilchrist, 1880

**The Poetical Works of William Blake, Lyrical and Miscellaneous. Edited, with a Prefatory Memoir, by William Michael Rossetti. [With a Portrait.]** William Blake, 1874

The Works of William Blake William Blake, 1893

**Blake's 'Innocence' and 'Experience' Retraced** Stanley Gardner, 2014-01-13 This major work of historical and interpretative scholarship draws upon fresh evidence to set the Songs in a new perspective. Blake's etchings are substantially discussed alongside the poems they illustrate. The plates of both Innocence and Experience are considered in detail as Blake's response to social circumstances between 1782 and 1794. The reader is asked to re-think the nature of 'the Two Contrary States', and the relationship of the designs to the understanding of Blake.
