The relationship between text and illustration in Sherman Alexie's novel "The Absolutely True Diary of a Part-Time Indian" Katja Grasberger, 2016-05-18 Seminar paper from the year 2014 in the subject American Studies - Culture and Applied Geography, grade: 1,3, University of Bonn (Anglistik), course: Native American/First Nations Literature and Culture, language: English, abstract: The following paper will deal with the relationship between text and illustrations in Sherman Alexie's novel "The Absolutely True Story of a Part-Time Indian." Sherman Alexie is a Native American, which he prefers to call Indians, and grew up on the Spokane Reservation, which is also the setting in the novel. His novel partially tells his own story which means it is semi-autobiographical. One of the main topics of his novels, and also very present in this novel, is alcoholism, probably because his father had an alcohol problem as well. It is important to mention that Alexie's novel is not a comic in the first place, because it mainly shows single illustrations which contribute to the text's meaning. It is therefore a graphic novel meaning that it is a narrative with occasional pictures with a dominance of verbal elements. However, there are still five actual comics in the book. Not only writing novels but also poems and short stories his novels present the "nobly suffering Indian" (Campbell) but also the "hard reality of urban life" (Campbell) by also telling the hard naked truth about being Indian. Comics have been out there for several decades, but they have not always enjoyed a broad audience. The genre of comics is often readily dismissed as being for children, young male adolescents and even for sub-literates. This marginalized genre is more than that; it offers topics and themes for everyone, varying from fiction to politics, fantasy, erotica, essays, autobiography and many more. As Douglas Wolk puts it: "comics have grown up". As comics went through a long development of experiencing setbacks and success at the same time, today we have shops exclusively for cartoons, comics or illustrations. As modern literature and culture changed into being more visual and less written the genre of comics and illustrations has become more attractive and popular. Moreover since the Marvel and DC comics and especially their remakes as movies such as Spiderman, Thor, Ironman, Captain America, Avengers, Watchmen, Sin City and many more the genre became more accessible for people who have not had a huge interest in comics beforehand. Although comics are drawn and represent a picture "we read comics. [...] holding them in our hands, turning their pages" (Wolk). When in the 1970s the main topics were "simplistic superhero fantasies or violence" (Bongco) the genre today is also dealing with serious topics.

Friendship and character traits of Junior and Rowdy in "The Absolutely True Diary of a Part-Time Indian" Axel Kolbeinsson, 2022-05-18 Seminar paper from the year 2019 in the subject English Language and Literature Studies -

Literature, grade: 2, University of Linz, language: English, abstract: This chapter focuses on which personality traits Junior has according to what the reader can sense and to what Juniors says about himself. Then it also analyses how those traits influence his friendship with Rowdy. In the end it is discussed whether Junior's traits change over the span of the book.

Key Aspects in Sherman Alexie's Works with Special Reference to his Life Melissa Naase, 2012-12-11 Seminar paper from the year 2012 in the subject Didactics for the subject English - Literature, Works, grade: 1,7, University of Paderborn (Anglistik und Amerikanistik), course: Native American Literature, language: English, abstract: American Indian literature grew out of an oral tradition passed on from one generation to the next. By the late eighteenth century these oral accounts of Indians' stories were being recorded or translated by interested white people. At this time Indians were also beginning to write down their own stories in the English language. By the twentieth century creativity in the English language became a well-established form of their literary communication. During the same time the works of American Indian authors got a more individualistic tone. One of those individualist is the Native American Sherman Alexie. Sherman Alexie was born on October 7, 1966. Alexie grew up in the Spokane Indian Reservation in Washington. (...) Nowadays Alexie lives in Seattle, Washington together with his Native American wife and his two sons. He is a famous Native American poet, author, screenwriter and filmmaker. He sold millions of copies of his books and won several awards for his novels like the "Boston-Globe-Horn Book Award" for the best fiction novel of 2008 in young adult literature or the "National Book Award for Young Peoples' Literature" in 2007 both for his novel "The Absolutely True Diary of a Part-Time Indian". His literature is very important for Native American literature courses in the United States and in the world. Alexie is also read in colleges and universities all across the USA. (...) As a Native American himself, his novels, films, and collections of short stories deal with a variety of topics he experienced in the reservation like alcoholism, poverty, stereotypes, friends, death or family problems. Having grown up in the 60's and 70's in the reservation Alexie has made lots of experiences on many, if not all topics he writes about. For this paper I mainly had a look at three of Alexie's works, namely the novels "Reservation Blues" and "The Absolutely True Diary of a Part-Time Indian" as well as his collection of short stories "The Lone Ranger and Tonto Fistfight in Heaven". Reading these novels and stories I realized that they have much in common. In all those works the same problems can be found as well as the characters reappear. (...)
