The Civilian Joint Task Force in Nigeria J. Tochukwu Omenma, Cheryl Hendricks, 2025-10-14 This book highlights the role of local non-state security actors in the fight against Boko Haram in Nigeria. The book examines the Civilian-JTF's operational, strategic and tactical engagement with the state security forces as well as how they counter insurgent groups at community levels. The authors look at the Civilian-JTF's channels of mobilization, operational concepts and level of training, evaluate their strategies for intelligence gathering, surveillance and investigation of cases; and show how they cooperate with the military. They pay particular attention to the role of youth and women in these local security structures. Providing an evidence-based analysis on how the Civilian-JTF can drive political settlements through negotiation and dialogue with insurgent groups. This book will be of interest to scholars of terrorism and counterterrorism, security studies and African politics.

**Ten Years of Boko Haram in Nigeria** J. Tochukwu Omenma, Ike E. Onyishi, Aloysius-Michaels Okolie, 2023-01-27 This book provides a contemporary overview of Boko Haram's activities. Since Boko Haram emerged in 2002, media-driven narratives as well as social scientific methodologies have been increasingly applied to draw generalisable conclusions on what goals the groups have pursued, what strategies it has used for these purposes and the counter campaign strategies authorities have pursued. But from 2009 to 2018, Boko Haram has pursued high-intensity violence: assassinations, bombing, kidnappings, beheading or threats of violence, conscriptions and territorial occupation. This makes it imperative to deepen and broaden our understanding of the groups' activities toward a problem-solving and policy-relevant analysis.
