Donald Leslie Shaw

Alejo Carpentier and His Early Works Frank Janney, 1981 Published by Boydell & Brewer Inc.

Viaje a la semilla Alejo Carpentier, 1992

The Repeating Island Antonio Benítez-Rojo, 1997-01-10 In this second edition of *The Repeating Island*, Antonio Benítez-Rojo, a master of the historical novel, short story, and critical essay, continues to confront the legacy and myths of colonialism. This co-winner of the 1993 MLA Katherine Singer Kovacs Prize has been expanded to include three entirely new chapters that add a Lacanian perspective and a view of the carnivalesque to an already brilliant interpretive study of Caribbean culture. As he did in the first edition, Benítez-Rojo redefines the Caribbean by drawing on history, economics, sociology, cultural anthropology, psychoanalysis, literary theory, and nonlinear mathematics. His point of departure is chaos theory, which holds that order and disorder are not the antithesis of each other in nature but function as mutually generative phenomena. Benítez-Rojo argues that within the apparent disorder of the Caribbean—the area's discontinuous landmasses, its different colonial histories, ethnic groups, languages, traditions, and politics—there emerges an "island" of paradoxes that repeats itself and gives shape to an unexpected and complex sociocultural archipelago. Benítez-Rojo illustrates this unique form of identity with powerful readings of texts by Las Casas, Guillén, Carpentier, García Márquez, Walcott, Harris, Buitrago, and Rodríguez Juliá.

A History of Literature in the Caribbean: Hispanic and francophone regions Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 1994 This history for the first time charts the literature of the entire Caribbean, the islands as well as continental littoral, as one cultural region. It breaks new ground in establishing a common grid for reading literatures that have been kept separate by their linguistic frontiers. Readers will have access to the best current scholarship on the evolution of popular and literate cultures in the various regions since their earliest emergence. *The History of Literature in the Caribbean* brings together the most distinguished team of literary Caribbeanists ever assembled, cutting across ideological commitments and critical methods. Differences in point of view between individual contributors are left intact here as the sign of the colonial inheritance of the region. Introductions and conclusions to the various sections of the *History* written by the respective subeditors, set them in proper perspective. The unique synoptic aspect of the *History* lies in its comprehensiveness and its range, which are unequaled. Contributors A. James Arnold, Julio Rodríguez-Luis, H. Lopez
