

Was Elvis Presley A Christian

John Bowden

Elvis People Ted Harrison,1992 Was Elvis Presley the greatest man to walk the Earth since Jesus Christ? Some of his fans would say so. Will shrines erected to Elvis still be lovingly tended 200--even 2,000--years from now? This intriguing book compares the the rise of Elvis to that of the early Christian church.

The Faith of Elvis Billy Stanley,2022-10-04 Behind the glamour and the crowds. Beyond the movies and the records. Apart from all who knew him, wanted to know him, or just wanted to be near him. Billy Stanley knew Elvis Presley as a brother—and as a man of deep faith. From the day Billy Stanley arrived at Graceland and received a bear hug from the King of Rock and Roll to the last conversation they ever had, one thing stayed the same: Elvis's passion for sharing God's love with as many people he could. In *The Faith of Elvis*, Billy illuminates Elvis's Christian journey—from the notes Elvis made in his beloved Bible to his struggles with sin as his fame increased to his remarkable generosity toward fans and movie stars alike. Through this first-hand account, you will find touching family stories of the Elvis that pop culture doesn't know; a keen look into how Elvis intricately wove his faith into every part of his life; insights into the ups-and-downs the four brothers experienced while at home and on the road together; and examples of Elvis's profound influence on others—from those closest to him to his cherished fans and, ultimately, the world at large. Here you will find your own faith strengthened and your heart turned more toward heaven—or as Elvis would say, toward the only true King. Includes a photo insert and discussion and reflection questions for group or individual use.

music, theatre, and film. The Routledge Handbook of Christianity and Culture is essential reading for students and researchers of religious studies and Christian studies. The handbook will also be very useful for those in related fields, such as cultural studies, area studies, visual studies, literature, and material religion.

Elvis Presley, Gospel Singer Madeleine Wilson, 2022-04-19 Elvis was known as the King of Rock and Roll, but he was also a Gospel Singer. He received three Grammy awards for his recordings, all of which were for his gospel songs. Elvis, The King, many times said publicly that there is only one King, and that is Jesus Christ. He not only acknowledged the Lord but also worshipped Him and prayed to Him, often. This book looks at Elvis' life, particularly his Christian faith and the inspiration that he has been, and still is, to so many people. There is no doubt that Elvis is an enigma, but hopefully this book clarifies a side of Elvis that is often neglected. I believe it is a 'good read' which will be a revelation to many and, I hope, a blessing to all. (Madeleine Wilson - Author) The book has a Gallery at the end of each chapter which has photos of Elvis, covering many aspects of his life.

E John Strausbaugh, 1995 Reflections on the Birth of the Elvis Faith This hip, anthropological exploration asserts that Elvis Presley - E to his friends - is the greatest figure in contemporary popular culture and a modern pagan god whose cult following is on its way to becoming a full-fledged Church of Elvis.

Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil Lionel Attwell, 2007-08-01 Lionel Attwell, a former highly successful national newspaper reporter, spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew/Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines. In the process it created a pagan counterfeit Christianized Messiah. His research also reveals the incredible events which actually occurred in the Garden of Eden: the forbidden fruit was a narcotic and aphrodisiac; when high Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind. He also explains the causes of human disasters and suffering. This book will change your life.

What Has Christianity Ever Done for Us? Jonathan Hill, 2005 Honored in 2006 as a Year's Best Book for Preachers by Preaching magazine. What has Christianity ever done for us? What value is there in seeking to preserve its influence today? In this book, Jonathan Hill answers these questions with some questions of his own. For instance, why do we seal wine bottles with cork? Where did musical notation come from? How did universities get their start? And why was the world's first fully literate society not in Europe, Asia or North America? As Hill tells the story of the centuries-long entanglement between Christianity and Western culture, he shows the profound influence that Christianity has had--from what we drink to how we speak, from how we write to how we mark the seasons. Employing a rich, narrative style packed with events and people and illustrated throughout in full color, he describes the place of Christianity both in history and in the present day. What Has Christianity Ever Done for Us? is an enlightening and often humorous tour of culture and thought, the arts, the landscape, education, society, spirituality and ethics, and social justice. Here is a rich, entertaining and informative read.
