The Planetary Magic Workbook Soror Velchanes,2025-04-08 This pragmatic workbook offers a complete course in planetary magic and provides a solid foundation for future independent work. Throughout history, individuals from diverse backgrounds and preparations have harnessed the planetary forces for spiritual enrichment, life balance, practical magic, and more. Though many paradigms developed valuable models, this book will focus primarily on understanding and working with the classical planets from Greco-Roman and Hermetic perspectives, but with a chaos magic twist. During your studies, you will: • Become well-versed in key planetary magic concepts and principles • Explore the nature of each planet and how it impacts your life • Use journal prompts, guided meditations, attunements, and evocations to harness planetary power • Discover the underlying rationale of traditional correspondences • Generate your own correspondences for personal use • Perform planetary rites inspired by various magical traditions • Develop and perform your own rites Previous magical experience is helpful but not required. Everyone is welcome to work with the planets!
