A New Day in the Delta David W. Beckwith, 2009-03 Explores Mississippi's school desegregation from the viewpoint of a white teacher A New Day in the Delta is a fresh and appealing memoir of the experience of a young white college graduate in need of a job as the Vietnam War reached its zenith. David Beckwith applied and was accepted for a teaching position in the Mississippi Delta in the summer of 1969. Although it seemed to him a bit strange that he was accepted so quickly for this job while his other applications went nowhere, he was grateful for the opportunity. Beckwith reported for work to learn that he was to be assigned to an all-black school as the first step in Mississippi's long-deferred school desegregation. The nation and Mississippi alike were being transformed by war and evolving racial relations, and Beckwith found himself on the cutting edge of the transformation of American education and society in one of the most resistant (and poor) corners of the country. Beckwith's revealing and often amusing story of the year of mutual incomprehension between an inexperienced white teacher and a classroom full of black children who had had minimal contact with any whites. This is history as it was experienced by those who were thrust into another sort of "front line."

Christmas's Most Wanted™ Kevin Cuddihy, Phillip Metcalfe, 2005-10-31 It's the rare bird that doesn't like Christmas. Sure there are Scrooges and, here and there, cries of Bah, humbug, but Christmas is a time for celebrating, for giving, and for trying to be just a little nicer to your fellow man. As the song goes, If every day could be just like Christmas what a wonderful world it would be. Christmas's Most Wanted™ is a celebration of the fun side of Christmas - the songs, the movies, the television shows, the history, the people, the laughs, even the commercialism . . . all that and more. So you'll see such top-ten lists as different versions of both The Twelve Days of Christmas and A Christmas Carol. You'll read about traditions and the standard gift givers around the world. You'll find out about how different song genres celebrate Christmas in music. You'll relive the great-and not-so-great-cartoons of Christmas past. You'll discover which television celebrities graced the world with their very own album of holiday tunes. And you'll learn about births, deaths, and historical events that occurred on Christmas Day. With more than forty top-ten lists on all things merry, you'll laugh, you'll smile, and you'll learn a lot of interesting stuff about Christmas that you didn't know before. So curl up before the Yule log, pour yourself some eggnog, bite into a gingerbread cookie, and enjoy the book. Merry Christmas, Buon Natale, Feliz Navidad, and Erry-may Istmas-chray. However you say it, Christmas's Most Wanted™ will certainly bring a dose of merriment to your holidays.

Almost True Christmas Stories Ron Corcoran,2013-07-15 The gift of reading. There could not be a greater Christmas gift. Throughout history, I ask you what circumstances have compelled any and all would-be authors to put quills-to-parchments (or, in more recent generations, put fingertips-to-keyboards) to create their miasma of pages to be collected together and called a book? It s a good question and I haven t a clue as to any short, finite answer. I only know that there are lots and lots and lots of compelling circumstances. In my particular case, at an early age I found myself interested in the How? and Why? of things I had read about or heard about or saw. No doubt there have been others like me throughout history who have bumbled, stumbled and fumbled their way through life because they were looking through curious eyes - and not necessarily through practical, comprehending eyes. Let me tell you, one stumbles frequently when trying to get somewhere while looking upward rather than downward. But it is still a trip worth taking .and while looking upward. In the late 1940s I heard on our family entertainment center (which in the late1940s was only an RCA Victor radio) Gene Autry singing the song, Rudolph the Red-Nosed Reindeer, and I was fascinated by the lyrics of the song. Yet I wanted to know, But why did Rudolph s nose glow? No answers to that question were forthcoming and the question remained in the catacombs of my memory for all the years thereafter. Once I had retired from my career and began to write serialized Christmas stories, I plucked the glowing nose dilemma from its dormancy and began to ask, What if . In order to write this book s first Christmas story, The First Christmas Glowing, I felt compelled to examine (and for story purposes, hypothetically answer) the following What if s : - What if, say a hundred years ago or so, there had been a long-distance message runner making deliveries amongst neighboring villages in the Great Rift Valley of eastern Africa and what if, on one of his runs, the message-runner made a substantive discovery? - What if that substantive discovery, as found on the slope of an old volcano crater, would change Christmases forever and ever? - What if that discovery had something to do with the wing-flap speed of a certain kind of insect? - What if the message-runner put his substantive discovery into a small earthen jar and what if that jar over the course of the next sixty years found its way to a once well-traveled trunk in the home of the brother of a traveling circus entertainer named Maximillian? - What if Maximillian was the uncle of a young girl (his brother s daughter) who also lived in that home? - What if Uncle Max s young niece found the jar and years later would find herself positioned and prepared to come to the aid of one of the most important Christmasses of the 20th Century? - What if there are several other adventures along the way involving magic tricks, singing wolves, a Japanese fishing boat , and an intuitivie Inuit weatherman? - And, yes, what if there is a happy ending, and it is one that you know very well and certainly have even sung about? In order to write this book s second Christmas story, A Long-Distance Christmas Greeting, I had to answer a whole raft of completely different

What if s . And that is because the second story has resulted from my memory of an incident that occurred in the mid 1950s. The remembered incident occurred somewhere on the east coast of the United States and involved some historical society or a university or a city council or something-or-other creating a time capsule, filled with objects. The objects were something like tooth paste, Argyle sox, automobile hubcaps, and square-dance instructions, all to be hermetically sealed, buried, and not opened for a hundred years or so... something to provide clear evidence as to how the residents of our country lived back in the 1950s. I liked that idea, but at the time I was curious about the assembling of

Descendants of Isaac Ritchie of Virginia Vergie Ruth Carr Lantz,1983 Isaac Ritchie was a son of Philip Rutschly, who came to Philadelphia from Switzerland in 1727 on the ship William and Sarah. Isacc, born in Pennsylvania in 1735, married Maria Catharena Wolfe, then moved to Brocks Gap, Rockingham County, Virginia in 1803-1804, where he farmed until his death in 1824. His children married into the Baker, Fulk, Turner, Fawley, Shoemaker, Hulvey, Smith, and Miller families, who were also some of the first settlers in Brocks Gap. Ritchie descendants are found throughout the United States.

The Suspect Kent Alexander,Kevin Salwen,2019-11-12 The “intensively reported and fluidly written” true-crime account of the heroic security guard accused of the 1996 Centennial Olympic Park bombing (Wall Street Journal). On July 27, 1996, security guard Richard Jewell spotted a suspicious bag in Atlanta’s Centennial Olympic Park, the town square of the 1996 Summer Games. Inside was a bomb, the largest of its kind in FBI and ATF history. The bomb detonated amid a crowd of fifty thousand people. But thanks to Jewell, it only wounded 111 and killed two, not the untold scores who would have otherwise died. Yet seventy-two hours later, the FBI turned Jewell from a national hero into their main suspect. The decision not only changed Jewell’s life, it let the true bomber roam free to strike again. Today, most of what we remember of this tragedy is wrong. In a triumph of investigative journalism, former U.S. Attorney Kent Alexander and reporter Kevin Salwen reconstruct events before, during, and after the bombing. Drawn from law enforcement evidence and the extensive personal records of key players—including Richard himself—*The Suspect*, is a gripping story of domestic terrorism and an innocent man’s fight to clear his name.
