

S Like Mitch Rapp

Vince Flynn

The Last Man Vince Flynn, 2013-08-20 When a CIA black ops master with ties to disreputable figures in Afghanistan goes missing, Mitch Rapp is ordered to track down the missing man at all costs and finds himself enmeshed in a dangerous plot involving the interests of numerous countries.

Act of Treason Vince Flynn, 2006-10-10 Promising an explosive conclusion, Act of Treason is the eighth thriller by New York Times bestselling author Flynn featuring the spine-tingling exploits of CIA operative Mitch Rapp.

Consent to Kill Vince Flynn, 2008-09-04 THE NEW YORK TIMES NUMBER ONE BESTSELLER For more than ten years, Mitch Rapp has been on the frontline of the War against Terror. His bold actions have saved the lives of thousands - but in the process his list of enemies has grown inexorably. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son at the hands of the infidels. He wants Rapp dead - and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No.1 counterterrorism operative - and they've decided to seize the chance. The Hunter has become the Hunted. AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent 'Mitch Rapp is a great character who always leaves the bad guys either very sorry for themselves or very dead' Guardian

Capture or Kill Vince Flynn, Don Bentley, 2024-09-04 Special Operative Mitch Rapp faces an old foe bent on destabilising the Middle East in a 'bloody, electrifying adventure' (The Real Book Spy). In 2011, on a remote Iranian mountain, a group of high-level officials have just witnessed the successful demonstration of a new weapons system meant to upend the American-led war in Afghanistan by essentially decimating the population. The intelligence officer recognises what this development signifies even if his contemporaries do not. A fellow participant seems to agree with the intelligence officer's reticence, remarking that he wished there was someone they could tell about this madness. But there is someone the intelligence

officer can tell. One man who might just make a difference. In D.C., CIA Director Irene Kennedy presents the President with news that Bin Laden may have been found, but the President wants proof of Bin Laden's presence, and he only trusts one man to provide it. In Pakistan, Mitch Rapp encounters Azad Ashani, director of the Iranian Ministry of Intelligence and Security, the master spy who once functioned as Irene Kennedy's back channel to the Iranian government. Ashani owes Rapp, and he intends to settle his debt by providing a piece of intelligence about an American special operations team in Afghanistan, about to interdict a high value target. However, Ashani knows the new Iranian weapons plan is a trap, and to stop it, he's willing to partner with only one man: Rapp.

Pursuit of Honor Vince Flynn, 2009-10-13 Deadly and charismatic hero Rapp wages a war against a new enemy, in this devastatingly intense thriller by New York Times-bestselling author Flynn.

Total Power Vince Flynn, Kyle Mills, 2022-09-13 Includes an excerpt from *Enemy at the gates*.

Total Power Vince Flynn, Kyle Mills, 2020-09-15 "Mills's suspenseful, strikingly original sixth Mitch Rapp novel...is as riveting as anything penned by Mitch's creator, Vince Flynn (1966-2013). Mills has really hit his stride with this franchise entry." —Publishers Weekly (starred review) "One of the best thriller writers on the planet." —The Real Book Spy In the next thriller in the #1 New York Times bestselling Mitch Rapp series, it's a race against the clock when ISIS takes out the entire US power grid and throws the country into chaos. When Mitch Rapp captures ISIS's top technology expert, he reveals that he was on his way to meet a man who claims to have the ability to bring down America's power grid. Rapp is determined to eliminate this shadowy figure, but the CIA's trap fails. The Agency is still trying to determine what went wrong when ISIS operatives help this cyber terrorist do what he said he could—plunge the country into darkness. With no concept of how this unprecedented act was accomplished, the task of getting the power back on could take months. Perhaps even years. Rapp and his team embark on a desperate search for the only people who know how to repair the damage—the ones responsible. But his operating environment is like nothing he's experienced before. Computers and communication networks are down, fuel can no longer be pumped from gas stations, water and sanitation systems are on the brink of collapse, and the supply of food is running out. Can Rapp get the lights back on before America descends irretrievably into chaos? This compulsive thriller proves once again that the Mitch Rapp series is "the best of the best when it comes to the world of special ops" (Booklist, starred review).

Kill Shot Vince Flynn,2017-12-05 Young Mitch Rapp sets out on a deadly mission to hunt down the men responsible for the Pan Am Lockerbie terrorist attack.

Oath of Loyalty Vince Flynn,Kyle Mills,2024-04-30 Named the Best Thriller of 2022 by The Real Book Spy Mitch Rapp confronts a very different kind of killer in this explosive “and entertaining from the first page to the last” (The Providence Journal) addition to Vince Flynn’s #1 New York Times bestselling series, written by Kyle Mills. With President Anthony Cook convinced that Mitch Rapp poses a mortal threat to him, CIA Director Irene Kennedy is forced to construct a truce between the two men. The terms are simple: Rapp agrees to leave the country and stay in plain sight for as long as Cook controls the White House. In exchange, the administration agrees not to make any moves against him. This fragile détente holds until Cook’s power-hungry security adviser convinces him that Rapp has no intention of honoring their agreement. To put him on the defensive, they leak the identity of his partner, Claudia Gould. As Rapp races to neutralize the enemies organizing against her, he discovers that a new type of assassin is on her trail. Known only as Legion, the shadowy killer has created a business model based on double-blind secrecy. Neither the assassin nor the client knows the other’s identity. Because of this, Legion can’t be called off nor can they afford to fail. No matter how long it takes—weeks, months, years—they won’t stand down until their target is dead. Faced with the seemingly impossible task of finding and stopping Legion, Rapp and his people must close ranks against a world that has turned on them in this white-knuckled thriller filled with “plenty of action and political intrigue” (Booklist).

Words on Cassette ,1997

Act of Treason Vince Flynn,2008-09-04 THE NEW YORK TIMES NUMBER ONE BESTSELLER Two weeks before the election - and presidential candidate Josh Alexander's motorcade is decimated by a terrorist bomb. Alexander survives the attack, although members of his entourage are not so lucky. It appears to be the work of al-Qaeda. But then CIA director Irene Kennedy is presented with classified information so toxic that she considers destroying it altogether. Instead she summons Mitch Rapp, the one man reckless enough to follow the evidence to its explosive conclusion... AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent
