Learning to Lead at the Feet of Jesus [Spanish] Aprendiendo a Liderar a los Pies de Jesús Todd Poulter, 2025-11-11
Redefiniendo la postura del liderazgo A pesar de las mejores intenciones, muchos de nosotros luchamos por reflejar consistentemente a Jesús en nuestro liderazgo. Buscamos respuestas en los libros cristianos más vendidos, en las últimas tendencias empresariales o en las teorías de liderazgo más recientes. Pero los Evangelios sugieren un punto de partida muy diferente: una nueva postura. No Importa cuán alto sea nuestro título, estatus o renombre como líderes, nunca podremos elevarnos más en el reino que hasta los pies de Jesús. Según la intimidad de Jesús con el Padre. Aprendiendo a liderar a los pies de Jesús resalta el rico contexto relacional en el que Jesús ejerció liderazgo y desarrolló a sus seguidores como líderes. En el contexto de su intencional compañía (estar-con). Jesús compartió generosamente su vida y autoridad con los doce. Poulter se basa en una amplia variedad de experiencias interculturales e invita a los líderes a un refrescante viaje de descubrimiento, intimidad y transformación. Con preguntas reflexivas diseñadas para provocar discernimiento y autoconciencia, este libro desafía a los lectores a profundizar su comprensión y aprecio por Jesús, y a evaluar sus propias creencias, suposiciones y expectativas culturales sobre el liderazgo.

Cosmovisión Cristiana Brian J. Walsh, J. Richard Middleton, 2004-03

Integridad Intelectual Richard B Ramsay, 2024-07-31 Los evangélicos a veces sufrimos de una mente dividida, separando las cosas espirituales de las cosas seculares. El propósito de este libro es ayudar a desarrollar una cosmovisión cristiana, una visión integrada, basada en principios bíblicos. Analiza el concepto cristiano de la verdad, la relación del cristiano con la cultura, y cosmovisiones no cristianas. Finalmente, le ayuda a ponerse lentes cristianos para ver temas como el concepto de la verdad, la política, la economía, la ciencia, y el arte.

Posmodernidad y fe Theo Donner, 2016-04-26 Un libro didáctico para crecer, espiritualmente e intelectualmente, en la relación y el aporte del cristianismo a todos los ámbitos de la cultura y la sociedad; un libro para pensar y para actuar.

Cosmovisión Cristiana Charles Colson, 2013 En medio de la creciente guerra de principios llega una voz de esperanza y razón. Desde antes de la década de los años setenta gran parte del mundo ha estado enfrentando una gran tormenta económica y una crisis moral y cultural. Frente a la intensidad de esos vientos, muchos cristianos han sucumbido a la parálisis espiritual del desmayo y la resignación. Charles Colson ha sido un hombre de fe, un reconocido estadista y un formidable

defensor de los principios bíblicos. En su libro *Cosmovisión cristiana*, nos escribe mucho más que cuestiones culturales, nos presenta un mapa para vivir una vida con seguridad en medio de tiempos tormentosos, equipándonos para que permanezca firme en el amor y el poder de Dios en medio de un mundo hostil.

Más allá Juan Esquerda Bifet, 1982

Fe y posmodernidad Theo G. Donner, 2004

Cosmovisión Reformada DAVID J. ENGELSMA, 2024-05-07 Este libro presenta una exposición clara y concisa acerca de la cosmovisión cristiana del mundo y de la vida. Este libro no es filosófico ni especulativo; es bíblico y práctico para la vida del hijo de Dios. En este mundo donde abundan vanas y huecas filosofías, es necesario que el cristiano tenga una base para vivir la vida consistente y totalmente bíblica. Este libro tiene ese objetivo, llamar a los cristianos a su peregrinaje en esta tierra, sin huir de mundo, ni tampoco conformarse a él.

Para Considerar Lew Weider, Ben Gutiérrez, 2013 Un libro conversacional que invita al lector a un diálogo muy respetuoso sobre la verdad, el mensaje cristiano y la necesidad de pensar en forma crítica a fin de adoptar una cosmovisión bíblica. A conversational book inviting readers to have a respectful discussion regarding truth, the Christian message, and the need to think critically in order to consider adopting a biblical worldview.

Esperanza sobrenatural Martín Arancibia, 2023-09-01 *Esperanza sobrenatural: Luz para un mundo espiritualmente devastado* es una obra breve, pero excepcional, que aborda principalmente la temática de la esperanza que alimenta el alma del ser humano desde una perspectiva trascendental y espiritual. El autor, con un enfoque basado en la cosmovisión teísta cristiana, busca demostrar el realismo y la objetividad de la moralidad —parte de la esencia misma de Dios— así como la supremacía ontológica del amor y de la justicia. Asimismo, a lo largo de sus páginas, el libro repasa los argumentos a favor de la existencia de Dios, como origen de todo, debido a su importancia filosófica en relación con las causas y fines últimos, así como a las bases de los propósitos tanto objetivos como subjetivos que posee la vida humana, contrariamente a lo que enseña la sociedad secular. El autor sostiene que la experiencia de una vida con vivencias y sucesos espirituales y sobrenaturales es posible y probable, y evidencia una esfera eminente y espiritual, que trasciende lo meramente material y físico y echa por la borda el vacío existencial que pregona el mundo posmoderno. En este sentido, el libro se enfoca en la experiencia espiritual y en la esperanza de un mundo nuevo, pleno y perfecto, donde reside la justicia, y el mal y la imperfección ya no existen, contrastándola con las expectativas de las demás cosmovisiones, incluida la del naturalismo transhumanista. La obra ofrece una visión profunda y enriquecedora de la cosmovisión cristiana y se convierte en una herramienta fundamental para aquellos que buscan profundizar su fe y comprender la existencia de Dios y su vínculo de amor en su trato con el hombre, así como sus planes para la historia, desde una perspectiva más racional. Al ser, en parte, el corolario de dos libros precedentes (*Los Orígenes* y *El Veredicto*), *Esperanza sobrenatural: Luz para un mundo*

espiritualmente devastado es una obra magistral, que nos invita a reflexionar sobre la existencia de una esfera superior y su relación con el propósito, la experiencia y la responsabilidad moral humana. Con una prosa clara y precisa, el autor logra demostrar de manera convincente la existencia de un orden espiritual y sobrenatural, y cómo la esperanza en ese orden puede alimentar ricamente el alma y guiarnos hacia una vida activa, plena y satisfactoria.

Unveiling the Magic of Words: A Review of "**Cosmovisin Cristiana Una Visin Transformadora Pdf**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Cosmovisin Cristiana Una Visin Transformadora Pdf**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
