Coleman Stevenson

Dark Wood Tarot Sasha Graham, 2022-02-03

The Robin Wood Tarot Robin Wood, 1998 This is the book that I wrote about my Tarot deck. In it, I explore the real, factual history of the Tarot (No one knows, and does it really make any difference?) as well as a chapter about the theories of the history of the Tarot in general, and a recounting of the history of the Robin Wood Tarot. There is a description of the symbolism that is common to most decks, along with a listing of the symbols that are used in the Robin Wood Tarot in particular. The bulk of the book is a description of each card; including a verbal key to help the Reader remember the meaning, a synopsis of what the card might mean in a reading, and a complete description of what is on the card and why I put it there. This is followed by a short discussion of how the Tarot works, how to begin to read (including a section on Grounding and Centering,) and an exploration of the Ethics of reading the Tarot. Finally, there is a short section about spreads. (It's short, because the book quickly became much longer than I expected!) And, in the very back, there are a few appendices which go into more detail about some of the stories and legends that are mentioned in the book, as well as a section covering the Rules of Tarocchi!

The Dark Exact Tarot Guide Expanded Edition Coleman Stevenson, 2021-04-15 This guidebook is for anyone wanting to learn the Tarot or deepen their Tarot practice. Use it as a general interpretation guide for any standard deck while also exploring the unique symbolism of the Dark Exact Tarot. Patterns and narratives within the cards are explored in a variety of forms, with special attention paid to the Fool's Journey of the Major Arcana. This Expanded Edition offers more detailed discussion of reading practices and includes extended card descriptions, additional charts, symbolic correspondences for the cards, and spreads for reading.

The Dark Exact Tarot Guide Coleman Stevenson, 2017-08-17 This guidebook is for people wanting to learn the Tarot or deepen their Tarot practices. While the images and specific descriptions included are from the Dark Exact Tarot Deck, this guide also presents general traditional card meanings that can be used to interpret any standard deck. Patterns and narratives within the cards are explored in a variety of forms, with special attention paid to the Fool's Journey of the Major Arcana. This book also discusses ideas surrounding the practice of Tarot, and provides classic and original spreads for learning and practice.

The Light Seer's Tarot Alexander Lee, Maria Sova, 2023-11-25 The Light Seer's Tarot Book is an enlightening guide that delves into the mystical world of tarot reading, specifically focusing on the unique deck known as the Light Seer's Tarot. This comprehensive guidebook, often available in PDF format for ease of access, provides readers with in-depth interpretations and meanings of the Light Seer's Tarot cards, enhancing their understanding of this esoteric tool. At the heart of this book is a detailed exploration of the Light Seer's Tarot meanings, offering both beginners and seasoned tarot enthusiasts a fresh perspective on each card's symbolism and significance. The book's intuitive approach makes it an invaluable resource for those seeking to harness the wisdom of the tarot in their personal growth journey. The Light Seer's Tarot Guidebook is especially renowned for its extended insights into the Major Arcana. These cards, which represent significant life lessons and karmic themes, are presented in a way that resonates deeply with contemporary seekers. The guidebook's vivid descriptions and practical applications help readers connect with the archetypal energies of each Major Arcana card, from The Fool's adventurous spirit to The World's sense of completion and unity. Moreover, the book also offers a section on 'How to Read the Light Seer's Tarot,' which is particularly beneficial for those new to tarot reading. This segment includes tips on card interpretation, forming intuitive connections with the imagery, and developing personalized reading styles. It empowers readers to use the Light Seer's Tarot as a mirror to their soul, helping them gain clarity and guidance in various aspects of life. The Light Seer's Tarot Extended Guidebook, possibly available in a digital PDF format, takes readers even deeper into the mystical world of each card. It might include additional spreads, more nuanced interpretations, and expanded concepts that enrich the reader's understanding and interaction with the tarot. Overall, the Light Seer's Tarot Book is more than just a manual; it's a journey into self-discovery and enlightenment, offering a modern approach to the ancient practice of tarot reading. It stands out as a beacon for those seeking light and insight on their path, making it a must-have for anyone drawn to the transformative power of tarot.
