

Every Breath You Take Piano

Robert Winter

Every Breath You Take Robert Winter, 2017-11-02 Someone is murdering young gay men in Washington, DC. Does it have anything to do with handsome, wealthy and successful Thomas? Sure, he slept with the young man whose body is found near the bar where Thomas picked him up. But that's just a sad coincidence, right? Thomas sleeps with a lot of men, because he learned his lesson years ago - no one can stay the night, or get too close. Then Thomas meets Zachary, a vibrant transplant from Utah. Zachary can't believe it when model-gorgeous Thomas picks him up on his very first time in a gay bar. Too new to the city and gay life, Zachary fantasizes about being more than a one-night stand. The heat between Thomas and him is palpable. So why does Thomas resist seeing him again? Zachary wants more than a single night with Thomas, but he doesn't know how to break through. He has no idea that his persistence has put him in the sights of a killer... *Every Breath You Take* is a gay romantic suspense novel with no cliffhanger and a happy ending. Trigger warning for references to child abuse. It is part of the Nights at Mata Hari series but can be read as a standalone.

The Every Breath You Take Collection: Every Breath You Take and Missing You Bianca Sloane, 2016-10-25 From Bianca Sloane, author of Suspense Novels about the Dark Side of Love, comes *The Every Breath You Take Collection*, featuring one novel of psychological suspense and its companion novella, in a single volume. *The Every Breath You Take Collection* includes: **EVERY BREATH YOU TAKE** A twisted obsession. A maniac on a mission. A woman unknowingly inching closer into the clutches of catastrophe. Natalie Scott leads a quiet life. She goes to work, she jogs, and spends time with her girlfriends. However, what Natalie doesn't know is that every minute, someone's watching her. She doesn't know that every minute, someone is hatching a sadistic plot against her, determined to own her body and soul. And what Natalie Scott doesn't know just might kill her . . . **MISSING YOU, A COMPANION NOVELLA TO EVERY BREATH YOU TAKE** A brutal home invasion. A missing woman. A frantic race against time. In this companion novella to *Every Breath You Take*, Natalie Scott's loved ones struggle to cope with her mysterious disappearance and Detective Bill Hanson must untangle the complicated threads of her past for clues to her whereabouts--even as it becomes increasingly clear she's vanished into thin air. As days turn into months and hope grows dim, a frustrated and desperate Hanson discovers it's hard to outrun a madman who's always one step ahead of you...

Every Breath You Take Ann Rule, 2002-01-14 America's #1 true-crime writer fulfills a murder victim's desperate plea

with this shattering New York Times bestseller. “If anything ever happens to me...find Ann Rule and ask her to write my story.” In perhaps the first true-crime book written at the victim's request, Ann Rule untangles a web of lies and brutality that culminated in the murder of Sheila Blackthorne Bellush—a woman Rule never met, but whose shocking story she now chronicles with compassion, exacting detail, and unvarnished candor. Although happily ensconced in a loving second marriage, and a new family of quadruplets, Sheila never truly escaped the vicious enslavement of her ex-husband, multi-millionaire Allen Blackthorne, a handsome charmer— and a violent, controlling sociopath who subjected Sheila to unthinkable abuse in their marriage, and terrorized her for a decade after their divorce. When Sheila was slain in her home, in the presence of her four toddlers, authorities raced to link the crime to Blackthorne, the man who vowed to monitor Sheila's every move in his obsessive quest for power and revenge.

Inhale and Relax Dennis L. The Police On Track Peter Braidis,2024-07-09 Forming when punk was starting to become a force, The Police - led by drummer Stuart Copeland and singer/bassist Sting - used this emerging new form of music to create a sound that was both fresh, energetic and sophisticated. An early incarnation with guitarist Henry Padovani ended when Andy Summers joined the band, and under the innovative management of Miles Copeland, The Police took on the world. From 1978 to 1983, the band released five magnificent albums that took in rock, reggae, and world music. A succession of massive hit singles, including ‘Message In A Bottle’ and the classic and often misunderstood ‘Every Breath You Take’ also cemented their success. By 1983, they’d become arguably the biggest band in the world, but egos and arguments took their toll, and the group split in 1986. Sting would go on to massive solo success, but a reunion tour in the 2000s broke box office records and finally closed the door on the band. This book details every song and album from the first single to the last, making it a comprehensive guide to the music of one of the greatest bands in music history, with sales of over 100 million worldwide. Peter Braidis is a graduate of Rutgers University with a B.A. in History and Journalism. He currently works in education at Haddon Township High School in the state of New Jersey, USA. Music (especially Thin Lizzy) and helping children and animals are his passions, as well as pretty much any pasta dish. He has written on sports and music for the Philadelphia Inquirer, several magazines and authored the book *Unstrung Heroes: Fifty Guitar Greats You Should Know*. This is his second book for Sonicbond Publishing, having written *Asia On Track* in 2020.
