The Shitty Committee Jack Williamson , 2021-10-20 *The Shitty Committee* is a no-punches-pulled, generation-defining go-to guide for anyone who is ready to stop feeling like shit and start living a more fulfilling life. Both incredibly powerful and refreshingly entertaining, *The Shitty Committee* will take you on a journey of self-discovery, served up in 15 bite-sized chapters across three sections, full of inspiring stories, profound advice and easy to do exercises. This book has been designed to: Introduce you to the three types of *The Shitty Committee*: Internal, External and Consumable. Help you identify, evaluate and eradicate the thoughts, people or things from your life that make you feel like shit. Assist you in creating a more fulfilling life, leading you along the pathway to achieve your full potential. Guide you as you step into your spotlight, to gain, maintain and sustain the life your heart desires. By the end of *The Shitty Committee*, the various tools, techniques and methods you'll learn in this book, from how to weather any storm through to why we should all become gynaecologists, will ensure you have everything you need to define, design and align with the life you've always dreamed of. Are you ready to move forward from a place of suffering, analysis-paralysis and depression to one of power, energy, abundance and love more rapidly than you ever thought possible?

Hustle and Float Rahaf Harfoush, 2019-02-19 OUR CULTURE HAS BECOME OBSESSED WITH HUSTLING. As we struggle to keep up in a knowledge economy that never sleeps, we arm ourselves with life hacks, to-do lists, and an inbox-

zero mentality, grasping at anything that will help us work faster, push harder, and produce more. There's just one problem: most of these solutions are making things worse. Creativity isn't produced on an assembly line, and endless hustle is ruining our mental and physical health while subtracting from our creative performance. Productivity and Creativity are not compatible; we are stuck between them, and like the opposite poles of a magnet, they are tearing us apart. When we're told to sleep more, meditate, and slow down, we nod our heads in agreement, yet seem incapable of applying this advice in our own lives. Why do we act against our creative best interests? WE HAVE FORGOTTEN HOW TO FLOAT. The answer lies in our history, culture, and biology. Instead of focusing on how we work, we must understand why we work—why we believe that what we do determines who we are. Hustle and Float explores how our work culture creates contradictions between what we think we want and what we actually need, and points the way to a more humane, more sustainable, and, yes, more creative, way of working and living.

Wisdom from M's: Lessons Learned from Moms, Mentors and Mistakes Nicole Newman, 2014-07-10 We all know that words can be used to hurt or used to heal. I have witnessed words that forever scared a child all the way into adulthood or transformed thinking for an entire lifetime that affected multiple generations. I recently read The word no is heard with great frequency in our lives. There are signs all over our landscape with messages that read no smoking, no parking or no skateboards. The word no is just a fact of life for us all. I was not raised to accept no. My follow-up was Why Not. My mother took the time to explain but sometimes the answer would be Life is not fair. This book is dedicated to my mom and the many mentors and writers who used the power of their words to allow me to dream bigger dreams that someday this little girl from West Philadelphia could make a mark on this world to change the answer of Life is not fair, to an answer that says life is fair regardless of economic status, gender, race, creed, color or religion In sha Allah

Teach Me Something, Mister, RAMA, 2022-05-04 A question about your school days, elementary, high school, and college: Good times? Bad times? A mix of both? Small schools? Large schools? Did size matter? Were some years more enjoyable, more memorable than others? Your teachers? How many did you have? Do you remember their names? Did you have a favorite? What made your favorite(s) special? Teach Me Something, Mister is a follow-up to Throw Me Something, Mister but quite different. Throw Me... is fiction. Teach Me... is real! The stories were sent to the author from teachers and friends recalling their school life. They are mostly fun; regret and sadness in a few. It's not all good, no matter how much we would like it to be. The stories are about teachers, students and school secretaries, cooks and custodians, parents and principals. They will remind you of your school days, and hopefully prompt a few thanksgivings. The author welcomes your shared stories and feedback. Maybe you should write your own school stories, for your family to remember and cherish? The young mother asked her five-year-old What did you learn in school today? The kid replied, I guess not enough. Miss Banks said she'd see me again tomorrow.

Did Lincoln Own Slaves? Gerald J. Prokopowicz,2009-01-06 In the bicentennial year of Lincoln's birth, here is the one indispensable book that provides all you need to know about our most revered president in a lively and memorable question-and-answer format.You will learn whether Lincoln could dunk a basketball or tell a joke. Was he the great emancipator or a racist? If he were alive today, could he get elected? Did he die rich? Did scientists raise Lincoln from the dead? From the seemingly lighthearted to the most serious Gerald Prokopowicz tackles each question with balance and authority, and weaves a complete, satisfying biography that will engage young and old, scholars and armchair historians alike.

An Inside Job Daniel Silva,2025-07-15 Art restorer and legendary spy Gabriel Allon must solve the perfect crime in the dazzling new tale of murder, greed, and corruption from #1 New York Times bestselling novelist Daniel Silva. Daniel Silva spins a yarn better than any living author and I appreciated the chance to disappear into a great book, if only for a single night (there is no stopping a Silva book once I've begun). --Todd Wilkins, Best Thriller Books Sometimes the only way to recover a stolen masterpiece is to steal it back . . . Gabriel Allon has been awarded a commission to restore one of the most important paintings in Venice. But when he discovers the body of a mysterious woman floating in the waters of the Venetian Lagoon, he finds himself in a desperate race to recover a lost masterpiece by Leonardo da Vinci. The painting, a portrait of a beautiful young girl, has been gathering dust in a storeroom at the Vatican Museums for more than a century, misattributed and hidden beneath a worthless picture by an unknown artist. Because no one knows that the Leonardo is there, no one notices when it disappears one night during a suspicious power outage. No one but the ruthless mobsters and moneymen behind the theft -- and the mysterious woman whom Gabriel found in a watery grave in Venice. A woman without a name. A woman without a face. The action moves at breakneck speed from the galleries and auction houses of London to an enclave of unimaginable wealth on the French Riviera -- and, finally, to a shocking climax in St. Peter's Square, where the life of a pope hangs in the balance. An elegant and stylish journey through the dark side of the art world and the Vatican's murky finances, *An Inside Job* proves once again that Daniel Silva is the reigning master of international intrigue and suspense.
