**Garage Band Theory** Duke Sharp,2015-08 This electrifying book covers all the requirements for musicians who would like to play music by ear.

The 100 Greatest Bands of All Time David V. Moskowitz,2015-11-10 This one-of-a-kind reference investigates the music and the musicians that set the popular trends of the last half century in America. Many rock fans have, at one time or another, ranked their favorite artists in order of talent, charisma, and musical influence on the world as they see it. In this same spirit, author and music historian David V. Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years. Since the chosen bands are based on the author's personal taste, this two-volume set provokes discussion of which performers are included and why, offering insights into the surprising influences behind them. From the Everly Brothers, to the Ramones, to Public Enemy, the work covers a wide variety of styles and genres, clearly illustrating the connections between them. Entries focus on the group's history, touring, membership, major releases, selected discography, bibliography, and influence. Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry.

Dmitry Rybolovlev Arnaud Ramsay, 2017-09-28 Russian businessman Dmitry Rybolovlev ranks in the top 200 wealthiest people in the world, according to Forbes Magazine. Since December 2011 he has been the Chairman of AS Monaco, regenerating the famous football club, and taking it from the bottom of the French Ligue 2 to the semi-finals of the Champions League and the French Ligue 1 Championship title in 2017. A man of many parts, he first trained to be an emergency cardiologist, then became an international businessman, spending eleven months as a prisoner in a Russian jail for a crime he did not commit, before going on to transform the fortunes of fertiliser giant Uralkali and listing the company on the London Stock Exchange. From Russia's Urals Mountains to Monaco's Stade Louis II, this biography traces the epic saga of this reserved, determined and enigmatic character. It dissects his extraordinary story and takes us backstage at this famous football club, where the transfers and negotiations take place. It transports us from Rybolovlev's hometown of Perm in eastern Russia to the private Greek island of Skorprios once owned by Aristotle Onassis and now the retreat of Rybolovlev and his family. With rare access to Dmitry Rybolovlev himself, this is the complete story.
