The Book of Manly Quotes: 200 Quotes on Masculinity, Success and Happiness Mike Yanek, 2017-08-25 How this book came to be? I've always have been fascinated by quotes, you can say I'm a sucker for a good quote. I just can't help myself, I know some people think that inspirational quotes are cheesy or stupid, but for me they have helped me a lot in difficult and dark times. When I was 23 I decided to start writing down all the good quotes that I hear or read in a notepad, but there was one condition: I could only write a quote down if it was something my own life had taught me, I had come to that conclusion through my own experiences or I had heard or read about someone else's experiences but it resonated strongly with my own. The original idea (and still is) is to hopefully one day pass the notepad on to my son (or other younger than me male family member). I purposefully focused on manliness oriented quotes, because masculinity and young men are experiencing a huge identity crisis (the likes we have never seen before) and sometimes a few inspiring words and ideas can be the spark of a new beginning. So mid 2017 I decided why not take 200 of the quotes from the notepad and create a book for people to read. So a few months later, here we are. I hope you enjoy this book and I'm looking forward to your responses. I hope that this book will help and inspire you, just like it will help and inspire my future son one day!

Build Your Best Life De'Borah D. Smith, 2020-03-20 Build Your Best Life, "Understanding the Power of Your Actions and Your Credibility To Build Your Best Life" came out of a passion for assisting youth and young adults overcome the obstacles society throws their way. Obstacles come in all forms, such as murder, suicide, depression, bullying, generational curses, finances, lack of role models, hunger, and lack of education. These are only some of the roadblocks that deter young people. Whatever causes them to pause is indeed an obstacle. I for, one, would like to see these obstacles eliminated. These individuals have tremendous talents and skills to share with the world. This book contains life principles that are relevant and will assist them to be the best they can be. As you read through his book and meditate on the principles, you will realize what is necessary to reach your impossible dreams, "As you travel on the road to Building a Better Life," there will be distractions, pitstops, rough terrain, and detours. Ignore each of these negative aspects of your journey. Although they may slow you down, remain on the path of Being a Better You."

Crying Angels Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression. God reveals His infinite love through our personal experiences. Too often these stories of spiritual reality are never shared with others. When I began praying for spiritual experiences when my parents were very ill, I was blessed with a visit from crying angels. The first story in my book, Crying Angels, inspired the title of my book. I felt I should record and share my spiritual stories and the stories I had heard from others. I realized that both the teller and the listener's faith in God increases when stories are shared. Our sharing creates a ripple effect of numerous blessings. My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you. Sarah V. Tinsley

Dangerous Masculinity Anna Curtis,2019-09-06 For incarcerated fathers, prison rather than work mediates access to their families. Incarcerated men negotiate expectations of gender performance and their relationships with the mothers of their children during incarceration. These negotiations around masculinity and fatherhood inside prison provide insight into gender inequity, racism, and ideological underpinnings of security practices.

*Awesome Sh*t My Drill Sergeant Said* Dan Caddy, 2015-06-09 The official tie-in book to the wildly popular Facebook page, featuring brand-new crazy, off-the-wall, outrageously funny, and downright awesome pearls of wisdom from real-life drill sergeants and instructors from all branches of the military. Sweat dries. Blood clots. Bones heal. Suck it up, buttercup. After his deployment in Afghanistan, Dan Caddy began swapping great drill sergeant stories by e-mail with other combat veterans—an exchange with friends that would grow into the dedicated Facebook page, *Awsome Sh*t My Drill Sergeant Said*. But what began as a comedic outlet has evolved into a robust online community and support network that conducts fundraisers for and donates to military charities, has helped veterans struggling with PTSD and other issues, and on numerous occasions, literally saved lives. Now, Caddy shares more great DS stories—most never before seen—in this humorous collection. Often profane, sometimes profound, yet always entertaining, these rants from real life soldiers are interspersed with lively sidebars, Top 10 lists, stories from fans, one-liners, and more. For anyone who has suffered a hard-ass manager (in uniform or not), *Awsome Sh*t My Drill Sergeant Said* will add a much needed dose of humor to the day.
