The Peak of My Existence Sofia Rizzo,2021

Everything Nice Lannie Rose,2009-01-08 Most coming-of-age stories are about teenagers, but not this one. Eddy's coming-of-age hardly starts until he's 35 years old, when he discovers a penchant for wearing women's clothes. It takes him ten more exciting and very weird years before he figures out he really should have been a girl all along. After the sex change, Eddy, now Lannie, has to build a whole new life as a woman. The hard part was going to be finding a man to love her. While Everything Nice is YATA - Yet Another Transgender Autobiography - it brings to the genre an honesty about relationships and sex before and after gender transition; a hard look at the dating scene from a transsexual point of view; and the unique sense of humor Lannie demonstrated in HOW THE CHANGE YOUR SEX and LANNIE! MY JOURNEY FROM MAN TO WOMAN. If you only read one transsexual autobiography this year, Everything Nice is the one you want to choose.

Kylie Minogue: Album by Album Clary Saddler,2024-12-19 A celebration of the Australian pop icon who topped album charts across five decades. Kylie Minogue is an Australian pop icon who has sold over 80 million records worldwide. The pint-sized pop princess showed us she had the 'wow' factor when she first graced our screens as Charlene Mitchell in neighbors in 1986. She 'did it again' (and again and again) through her numerous incarnations. From her early days as PWL's pop puppet, to the ultimate puppet master that she has transformed into today. Kylie achieved a massive musical milestone in 2020—being the first woman to top the album charts in five consecutive decades. She is one of our nation's most beloved pop princesses, or arguably - if you ask her legion of fans (me included) - THE most beloved Pop Queen. Kylie Minogue: Album by Album explores in detail Ms Minogue's extensive repertoire, spanning more than three decades. It commemorates this

unique artist's genuinely exceptional, unmatched, and often under-appreciated career. The author is both a fan and a music critic, who examines Kylie's life and career from both perspectives. You will discover how Kylie became a pop icon, how she reinvented herself over the years, and how she influenced the music industry with her style and sound. This book is not just another biography, or discography critique; it is a unique analysis of Kylie's musical legacy and cultural impact. Whether you are a die-hard fan or curious listener, this book will give you a deeper appreciation of Kylie Minogue and her music.

The Resurrection Jessica Lane,2023-10-13 Magic. Love. Betrayal. Death. Seventeen years after the battle at the Prophecy Building, Royce was certain of three things: he would drain anyone who broke his daughter's heart, people annoyed him, and he was never getting married. Shit... he hated when things didn't go his way. Life was pretty miserable. Draco was no longer a rock star and found himself bored with nothing more satisfying to do than battle, hunt Darnell, and reminisce about the good old days over drinks. He needed a change. Jack was living his best life. He had a stunning girlfriend, had completed his university and culinary school education, and was about to propose to his girlfriend of two years. What could possibly go wrong? As it turned out, quite a bit. After a failed attempt to capture Shaylie by a mysterious enemy, they enlist the aid of a witch from Azzleena. With her help, they discover the identity of the great and powerful one. Not wanting to risk Shaylie being captured, the three brothers relocate to the world of Azzleena. Together, with new allies at their side, they will combine magic and skill as they make another stand against their enemies to protect their world and the world of Azzleena.

Leather & Lark Brynne Weaver,2024-06-04 From the author of the TikTok sensation Butcher & Blackbird comes the second book in the Ruinous Love Trilogy—an enemies-to-lovers dark romantic comedy that turns up the danger, chaos, and heat! Contract killer Lachlan Kane just wants a quieter life, to work in his leather studio and forget about the traumatic past that's forged him into a deadly weapon. But he needs to repay an endless debt, at least until the day his boss offers him a deal: marry Lark Montague, the daughter of his most valued business partner. The only problem? They can't stand each other. Indie singer-songwriter Lark is the sunshine and glitter that burns through every cloud and clings to every crevice that Lachlan tries to hide inside. A rich family, a privileged life, a dearth of responsibilities—Lark has had an easy life. At least, that's how it seems. But Lark is on the verge of losing her security. And now it's time to prove she can get control of her haphazard future. What better way than to marry a man who's the exact opposite of her usual type? As Lachlan and Lark navigate the intrigue and secrets of the hidden world that binds them together, it becomes harder to discern a fake marriage from a real one. But it's not just familiar dangers that haunt them. There's another phantom lurking on their doorstep. And this one has come for blood.

Perfection in Bad Axe Craig Bernthal,2003 You could find out anything at Jim's, and Larry and I liked to be in the know. Information (not gossip) was passed back and forth constantly. Did you hear about the four couples engaged in wife-swapping in town? The mechanics and gas pumpers at Jim's could fill you in. Were you interested in the last time the Baptist

minister beat his wife? Who your cute French teacher slept with a couple nights ago? Jim's had the answers. The place held another attraction for me: if you were under twenty-one and wanting some liquor for Friday night, Jim's son, Jimmy the Bomb, just out of the Marine Corps, had no problem picking up a bottle or two for you at the liquor store on the east side of town. Set mainly in the Midwest, these tales are inhabited by ordinary, decent people who, often to their surprise, find joy and meaning under difficult circumstances. Many of the stories depict isolated moments of perfection in a world that routinely forces its imperfections on us. A teenager wrestles with guilt over an accident he caused in *Perfection* in *Bad Axe*. In *A Knight Pursued*, a young prosecuting attorney confronts on the same day his first autopsy and his wife's unexpected desire to have a baby. A devout, hardworking business owner is drawn into a lawsuit that threatens his marriage and leads him to question his most deeply felt principles. Center of Gravity finds a middle-aged law professor overcome by his chaotic life and searching for a degree of peace. These are the finely developed characters of Bernthal's stories--people we recognize, but who never seem overly familiar. Interesting, substantial, and utterly engrossing, each one could be just like any one of us, an ordinary Jane or Joe, trying to maintain or find order in a life sometimes filled with disorder.
