The Age of Magic Ben Okri, 2024-02-13 In this enchanting novel from the Booker Prize-winning author, a group of world-weary travelers discover the meaning of life in a mysterious Swiss mountain village. The Age of Magic has begun. Unveil your eyes. Eight weary filmmakers, traveling from Paris to Basel, arrive at a small Swiss hotel on the shores of a luminous lake. Above them, strewn with lights that twinkle in the darkness, looms the towering Rigi mountain. Over the course of three days and two nights, the travelers will find themselves drawn into the mystery of the mountain reflected in the lake. One by one, they will be disturbed, enlightened, and transformed, each in a different way. An intoxicating and dreamlike tale unfolds. Allow yourself to be transformed. Having shown a different way of seeing the world, Ben Okri now offers a different way of reading.

"...a thrill ride of an adventure and suspense, topped off with sizzling chemistry between the leads." ~ Helen, Amazon reviewer EXCERPT: "You said you don't look back." "I don't," he lied. Because clearly, he hadn't been able to forget about her. "Is that a lesson learned from your parents when they stole from other people? Is that how they taught you to deal with your conscience?" Her accent had gotten much thicker, and while he recognized she was purposely goading him, he still stiffened at her words. The realization that they were the truth sucked the air from his lungs, and he pushed away from the wall. "How'd my parents get dragged into this?" "You wanted to talk about family. Let us talk." "No. I don't know what your problem is, but my conscience isn't the one that seems to be having a problem right now." When he moved to brush past her, she grabbed his arm, her fingers gripping his bicep like a vice. The restraint snapped his tenuous control and he rounded on her. Grasping her shoulders, he backed her against the wall. Confusion surfaced when

she offered no resistance. He knew from experience she could lay him out flat in one move if she wanted. So what was her game? Hands flattened against his chest, she lifted her face to his. He swallowed hard at what he saw. Earlier she'd turned away from him. Now the heat in her gaze was pure invitation. Closing his eyes against the temptation did nothing to stop latent desire from rising up to engulf him. Things had been explosive between them in the past. He discovered nothing had changed when his body hardened in response. Desperation tightened his grasp. "What do you want from me?" Her fingers curled into his shirt, nails scraping his chest through the silk material. "I don't know," she whispered. Opening his eyes, he locked his gaze with hers and was surprised to see there was some truth to her words. Uncertainty was mixed with an intense hunger that matched his. Shallow breaths feathered his chin, raising his response level past rational thought. He slid his hands up to frame her face and lowered his head. "Is it this?" Giving her no chance to answer, he covered her mouth with his. He swept his tongue inside and there was nothing tentative about his possession or her response. She tasted better than he remembered; a unique blend of sweet and spice that could never be replicated. Breaking the kiss, he rasped, "Tell me, Eva. Is that what you want?" "Yes," she breathed. ~~~ ITALY INTRIGUE SERIES Kidnapped, book 1 *Winner* 2012 Write Touch Readers' Award, romantic suspense as Lost in Italy Betrayed, book 2 Conned, book 3 Romantic suspense, sexy alpha male hero, betrayal, international romance series, Italian vacation romance, sexy cop heroine, beach reads, treasure hunt, one night stand romance, second chance romance, family betrayal, Milan Italy, Tuscany, Rome, on the run romance, redemption romance, bad boy romance, Stacey Joy Netzel, romance series, action adventure romance, action, adventure
