Now I Am Known Peter Mutabazi, 2022-08-30 In this powerful, redemptive true story, a young man living on the edge of survival is transformed into a healing presence in the lives of all he touches. At age ten, Peter Mutabazi ran away from home. For five years he survived on the streets of Kampala, Uganda, a city of 1.5 million, until one man saw potential in him. This man not only supported Peter through school but forever altered Peter's outlook in every possible way. Since then, Peter's turnaround story has been remarkable. He served as a relief coordinator during the Rwandan genocide, worked for the International Committee of the Red Cross during the Sudan conflict, emigrated to the United States, fostered countless children, and became a single adoptive parent. He speaks seven languages and has traveled to more than one hundred countries as an international advocate for vulnerable children. Now I Am Known Peter reveals the transformational power of taking risks, learning to forgive, overcoming self-doubt, breaking negative patterns, and believing in a better future marked by optimism and purpose. Immerse yourself in this inspiring story of hope. \*\*\* God met Peter Mutabazi in the midst of his agony, and he will meet you in yours too.--Kyle Idleman, bestselling author of Not a Fan and One at a Time Peter's astounding and unlikely true story proves that if you remain committed and give it your all, great things will happen.--Sanya Richards-Ross, Olympic gold medalist and founder of MommiNation A must-read for anyone wondering whether they can actually make a difference in this world.--Kelly Slater, American pro surfer and world champion One of the most redemptive stories you'll ever read.--Jedd Medefind, president of Christian Alliance for Orphans

Since then, Peter has served as a relief coordinator during the Rwandan genocide, worked for the International Committee of Red Cross during the Sudan conflict, emigrated to the United States, fostered countless children, and become a single foster and adoptive parent. He speaks seven languages and has traveled to more than 100 countries as an international advocate for vulnerable children. Now I Am Known is Peter's inspiring true story. **Love Does Not Conquer All** Peter Mutabazi, 2025-05-06 Whether a child has been in a loving and supportive home from day one or has been bounced from one house to another in the foster care system, parenting them is messy. A former street kid, Peter Mutabazi knows what it feels like to grow up in a world where love, caring, and kindness are nowhere to be found. But as the adoptive father of three and a foster dad to more than forty children, he also knows what a difference it makes when a child experiences the positive influence of an attentive and loving parent. In this honest and hopeful book, Peter shares surprising lessons he has learned during his unique parenting adventure, including how to · parent children for who they are rather than for who you want them to be · look beyond problem behaviors to find their root causes · love children who do not want your love · understand your own scars and turn them into understanding and healing for your children No matter what your parenting journey has entailed, you will find wisdom, encouragement, and practical instruction in these hope-soaked pages.

**John Vachon's America** John Vachon,2003-12-12 From 1936 to 1943, John Vachon traveled across America as part of the Farm Security Administration photography project, documenting the desperate world of the Great Depression and also the efforts at resistance—from strikes to stoic determination. This collection, the first to feature Vachon's work, offers a stirring and elegant record of this extraordinary photographer's vision and of America's land and people as the country moved from the depths of the Depression to the dramatic mobilization for World War II. Vachon's portraits of white and black Americans are among the most affecting that FSA photographers produced; and his portrayals of the American landscape, from rural scenes to small towns and urban centers, present a remarkable visual account of these pivotal years, in a style that is transitional from Walker Evans to Robert Frank. Vachon nurtured a lifelong ambition to be a writer, and the intimate and revealing letters he wrote from the field to his wife back home reflect vividly on American conditions, on movies and jazz, on landscape, and on his job fulfilling the directives from Washington to capture the heart of America. Together, these letters and photographs, along with journal entries and other writings by Vachon, constitute a multifaceted biography of this remarkable photographer and a unique look at the years he captured in such unforgettable images.
