Playing the Piano with Chords - Note Reading for Pianists Raphaël Van Goubergen, 2021-08-30 Playing the Piano with Chords - Note Reading for Pianists is a practical and visually clear manual for beginning pianists, self-learners and teachers. The book is divided into two complementary parts: Piano Playing with Chords introduces accompaniment styles, chord symbols, rhythms, voicings and creative improvisation — in the spirit of the “jazz school”. Music Reading for Pianists covers pitch notation, rhythm, rests, time signatures and classical sheet music reading — inspired by the “classical school”. Richly illustrated and written in a friendly, accessible tone, the book encourages understanding, listening, and musical intuition. It is also an ideal preparation for more advanced harmonic studies, such as those found in the author’s book Parent Scales and Chord Scales. Originally created during the COVID-19 lockdown period in response to students’ questions during online lessons. © 2021, Raphaël Van Goubergen (SABAM) – all rights reserved. This edition is available exclusively through authorized sales channels such as Google Play Books.

The Inside Track ,1937
