The Complete Book of 2000s Broadway Musicals Dan Dietz, 2017-04-06 In the first decade of the twenty-first century, Broadway was notable for old-fashioned, feel-good shows (Hairspray, Jersey Boys), a number of family-friendly musicals (Little Women, Mary Poppins), plenty of revivals (Follies, Oklahoma!, Wonderful Town), a couple of off-the-wall hits (Avenue Q, Urinetown), several gargantuan flops (Dance of the Vampires, Lestat), and a few serious productions that garnered critical acclaim (The Light in the Piazza, Next to Normal). Unlike earlier decades which were dominated by specific composers, by a new form of musical theatre, or by numerous British imports, the decade is perhaps most notable for the rise of shows which poked fun at the musical comedy form, such as The Producers and Spamalot. In The Complete Book of 2000s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway from 2000 through the end of 2009. This book discusses the era's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Patti LuPone, Chita Rivera, and Martin Short. Each entry contains the following information: Plot summaryCast membersNames of all important personnel, including writers, composers, directors, choreographers, producers, and musical directorsOpening and closing datesNumber of performancesCritical commentaryMusical numbers and the performers who introduced the songsProduction data, including information about tryoutsSource materialTony awards and nominationsDetails about London and other foreign productionsBesides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of black-themed shows and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. The Complete Book of 2000s Broadway Musicals will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

Cultural Seeds: Essays on the Work of Nick Cave Tanya Dalziel, 2016-05-13 Nick Cave is now widely recognized as a songwriter, musician, novelist, screenwriter, curator, critic, actor and performer. From the band, The Boys Next Door (1976-1980), to the spoken-word recording, The Secret Life of the Love Song (1998), to the recently acclaimed screenplay of The Proposition (2005) and the Grinderman project (2008), Cave's career spans thirty years and has produced a comprehensive (and sometimes controversial) body of work that has shaped contemporary alternative culture. Despite intense media interest in Cave, there have been remarkably few comprehensive appraisals of his work, its significance and its impact on understandings of popular culture. In addressing this absence, the present volume is both timely and necessary. Cultural Seeds brings together an international range of scholars and practitioners, each of whom is uniquely placed to comment on an aspect of Cave's career. The essays collected here not only generate new ways of seeing and understanding

Cave's contributions to contemporary culture, but set up a dialogue between fields all-too-often separated in the academy and in the media. Topics include Cave and the Presley myth; the aberrant masculinity projected by The Birthday Party; the postcolonial Australian-ness of his humour; his interventions in film and his erotics of the sacred. These essays offer compelling insights and provocative arguments about the fluidity of contemporary artistic practice.

Shrek Antonio Diaz LLL,2020-04-04 Shrek, a mean-spirited and highly territorial green ogre who loves the solitude of his swamp, finds his life interrupted when he is befriended by a talkative Donkey, one of countless fairytale creatures exiled to Shrek's swamp by the fairytale-hating and vertically-challenged Lord Farquaad of Duloc. Angered by the intrusion, he decides to ask Farquaad to exile them elsewhere, bringing Donkey along as he is the only one willing to guide him to Duloc. Meanwhile, Farquaad's torture of the Gingerbread Man for the location of the remaining fairytale creatures is interrupted when his guards present him with a Magic Mirror. He asks the Mirror if his kingdom is the fairest of them all but is told that he is not even a king, and that he must marry a princess. Farquaad resolves to marry Princess Fiona, who is locked in a castle tower guarded by a dragon. Unwilling to perform the task himself, he organizes a tournament wherein the winner gets the privilege of rescuing Fiona for him. Shrek and Donkey arrive during the tournament, and ignorantly defeat Farquaad's knights. Farquaad proclaims them the champions, and compels them under threat of death to rescue Fiona, promising to move the fairytale creatures from Shrek's swamp if he succeeds. Shrek and Donkey travel to the castle to find Fiona. They are attacked by a Dragon, who corners Donkey. In desperation, he sweet-talks the beast, learning that it is female. Dragon falls in love with Donkey and carries him to her chambers. Meanwhile, Shrek finds Fiona, who is appalled at his lack of romanticism and surprised he had not slain Dragon. They leave after rescuing Donkey, and Fiona is thrilled to be rescued but is quickly disappointed when Shrek reveals he is an ogre. Despite her demands that Farquaad come get her in person, Shrek forcibly carries her as he ventures back to Duloc with Donkey. At night, Shrek explains to Donkey his frustration at how society judges him for how he looks; Fiona overhears this, and decides to be kind to Shrek. The three encounter Robin Hood on their way back, where it is revealed that Fiona is an expert martial artist. Shrek and Fiona find they have much in common and begin to fall in love. When the trio is almost at Duloc, Fiona takes shelter in a windmill for the evening. Donkey hears strange noises from within and investigates, finding Fiona transformed into an ogress. Fiona reveals that she was cursed during childhood to transform every night, and that only her true love's kiss will change her to love's true form. Meanwhile, Shrek is about to confess his feelings to Fiona, but then overhears part of their conversation and becomes upset after mistaking her calling herself an ugly beast as disgust towards him. At Donkey's suggestion, Fiona vows to tell Shrek about her curse, but sees that Shrek has brought Lord Farquaad to the windmill. Confused and hurt by Shrek's sudden cold

disposition towards her, Fiona accepts Farquaad's marriage proposal and requests they be married before nightfall. The couple return to Duloc, while Shrek angrily abandons Donkey and returns to his now-vacated swamp.
