Attitude “If you can’t change circumstances, change the way you respond to them.” Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: “For those who love God all things work together for good, for those who are called according to his purpose” (Romans 8:28). Mighty Through God Rev. Ginny Belasco Flynn, 2017-06-12 “The weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds.” —2 Corinthians 10:4 Part One: In *Mighty Through God*, Reverend Ginny Flynn shares about habits, roots, and strongholds. Weaving God’s Word together with personal stories of her life, Reverend Ginny brings home the point that a bad habit can take root and if not dealt with, it can become a stronghold that has more control over you than you have over that stronghold. Strongholds are a destructive grip controlling one’s life. Part Two: *Using The Weapons of Warfare—the Blood, God’s Word, the Name of Jesus, Prayer, Praise, and Love, given by God—Mighty Through God* shows how we can be victorious against the battles we face in every area of our lives.

**No One Cries the Wrong Way** Joe Kempf, 2012-02-06 Have you ever found yourself tongue-tied when encountering someone suffering, dying, or having just lost someone close? As people of faith, we are invited to trust in the wonderful goodness of God. Then how are we to understand the sufferings of so many of God’s people? Where is God to be found in the midst of a world filled with so much pain and loss? What difference does it make to pray? *No One Cries the Wrong Way* offers some glimpses into these great questions. Certainly, there are no easy answers. Any words about God will fall far short of the truth of who God is. Indeed, we stand here before the great mystery. But we do not stand alone; without hope; or without

something to offer. Consoling in a way that is both simple and profound, Fr. Kempf helps us trust the Love in the midst of the pain. At the end of the book, there is a prayer service for each chapter, questions for reflect or discussion, and quotes for meditation and prayer.

We Are Never Alone Diane Whitaker,2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In We Are Never Alone, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!

**Interacting with God in Ephesians 1-3** Gene A. Getz, Claude V. King, 1999-07 The best Bible study doesn't just give you information about God . . . it helps you achieve intimacy with Him. That's what readers will find in the Interacting with God series by Pastor Gene Getz and discipleship-training leader Claude King. Trying to live according to God's Word without an intimate relationship with Him can become mechanical, empty and frustrating. The best way to study the Bible is a Christ-centered approach -- and that's the method used in Interacting with God in Ephesians, the first in a new series of Bible study resources from Gene Getz and Claude King. It's designed to help users study God's Word in a more personal, careful way and to take the next step into a dynamic relationship with God and their church. Each book in this series provides stories, outlines, word studies and questions designed to help readers dig deeper into God's Word. They'll learn how to apply the Bible to life through short assignments and personal reflection, and discover how to strengthen the worship experience through prayer exercises. Each lesson also suggests practical ways to live out spiritual truths and includes Scripture memory aids and discussion starters for group use.
