Understanding Aleister Crowley's Thoth Tarot Lon Milo Duquette, 2003-11-01 Understanding Aleister Crowley's Thoth Tarot was his final opus, the culmination of a lifetime of occult study and practice. With artist Lady Frieda Harris, he condensed the core of his teaching - astrology, Qabalah, magick, gematria and numerology, and alchemy- into the 78 cards of the tarot. Although Crowley's own Book of Thoth provides insight into the cards, it is a complicated, dated book. What has been missing, and what Crowley authority Lon Milo Duquette has created, is an introductory text for the deck. In clear language, Duquette provides everything you need to know about Crowley's fundamental principles to get the most out of using the Thoth deck. Many use the deck simply because the artwork is so beautiful, but there is so much more to it than that. Duquette starts with the basic historical background of this extremely popular deck before delving into descriptions of each card in depth, from both a purely tarot perspective and from an expanded, magickal point of view. Each card is described in detail regarding its straight tarot meaning, which is then expanded upon with all the other attributions Crowley intended. This unique guide will be of great interest to all tarot readers who use the Thoth Tarot- especially those looking for correspondences with other occult systems to enhance their readings- and will be treasured by students of Aleister Crowley's works.

The Crowley Tarot Akron, Hajo Banzhaf, 1995 The Crowley Tarot Handbook provides a thorough guide to the background and methodology of tarot reading with the Crowley Thoth Tarot deck. For those who are ready to delve even deeper into the meanings of the cards created by Lady Frieda Harris and Aleister Crowley, this handbook offers detailed analysis of the rich symbolism and the myriad correlations in the fields of astrology, art and music, mythology, Tree of Life, the Runes, elements, and other archetypal correspondences. For each card, the authors present insightful interpretations for four areas of life: general, consciousness, professional matters, and relationships. The Handbook also provides helpful instruction on using card spreads and concludes with a dictionary of tarot terms.
