

The Columbia Anthology Of Modern Chinese Literature

Xiaomei Chen

The Columbia Anthology of Modern Chinese Literature Joseph S. M. Lau, 2007 An anthology of Chinese fiction, poetry, and essays written during the twentieth and twenty-first centuries.

The Columbia Anthology of Modern Chinese Literature Joseph S. M. Lau, 1995 With a generous selection of new translations commissioned for this book, readers will find the best short fiction, poetry, and essays from mainland China, Taiwan, and Hong Kong in this first comprehensive collection of twentieth-century Chinese literature, which includes a lucid introduction by the editors and short biographies of the writers and poets.

The Columbia Anthology of Modern Chinese Drama Xiaomei Chen, 2014-03-25 This condensed anthology reproduces close to a dozen plays from Xiaomei Chen's well-received original collection, *The Columbia Anthology of Modern Chinese Drama*, along with her critical introduction to the historical, cultural, and aesthetic evolution of twentieth-century Chinese spoken drama. Comprising representative works from the Republican era to postsocialist China, the book encapsulates the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism, socialism, political conflict, and war. Chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a period of tremendous social, cultural, and political change in China and the genesis of contemporary attitudes toward the West. PRC theater tracks the rise of communism, juxtaposing ideals of Chinese socialism against the sacrifices made for a new society. Post-Mao drama addresses the nation's socialist legacy, its attempt to reexamine its cultural roots, and postsocialist reflections on critical issues such as nation, class, gender, and collective memories. An essential, portable guide for easy reference and classroom use, this abridgment provides a concise yet well-rounded survey of China's theatricality and representation of political life. The original work not only established a canon of modern Chinese drama in the West but also made it available for the first time in English in a single volume.

The Shorter Columbia Anthology of Traditional Chinese Literature Victor H. Mair, 2000 This shorter anthology retains the characteristics of the original in that it is arranged according to genre rather than chronology and interprets literature very broadly to include not just literary fiction, poetry, and drama, but folk and popular literature, lyrics and arias, elegies and rhapsodies, biographies, autobiographies and memoirs, letters, criticism and theory, and travelogues and jokes. It

also contains fresh translations by newer voices in the field.

The Columbia Anthology of Yuan Drama C. T. Hsia, Wai-yee Li, George Kao, 2014-04-15 This anthology features translations of ten seminal plays written during the Yuan dynasty (1279–1368), a period considered the golden age of Chinese theater. By turns lyrical and earthy, sentimental and ironic, Yuan drama spans a broad emotional, linguistic, and stylistic range. Combining sung arias with declaimed verses and doggerels, dialogues and mime, and jokes and acrobatic feats, Yuan drama formed a vital part of China's culture of performance and entertainment in the thirteenth and fourteenth centuries. To date, few Yuan-dynasty plays have been translated into English. Well-known translators and scholars have supervised the making of this collection and add a short description to each play. A general introduction situates all selections within their cultural and historical contexts.

The Columbia History of Chinese Literature Victor H. Mair, 2010-03-10 The Columbia History of Chinese Literature is a comprehensive yet portable guide to China's vast literary traditions. Stretching from earliest times to the present, the text features original contributions by leading specialists working in all genres and periods. Chapters cover poetry, prose, fiction, and drama, and consider such contextual subjects as popular culture, the impact of religion, the role of women, and China's relationship with non-Sinitic languages and peoples. Opening with a major section on the linguistic and intellectual foundations of Chinese literature, the anthology traces the development of forms and movements over time, along with critical trends, and pays particular attention to the premodern canon.

The Columbia Anthology of Modern Japanese Literature J. Thomas Rimer, Van C. Gessel, 2005-04-13 This comprehensive anthology collects works of fiction, poetry, drama, and essay-writing from a pivotal time in Japanese history. In addition to their literary achievements, the texts reflect the political, social, and intellectual changes that occurred in Japanese society during this period, including exposure to Western ideas and literature, the rise of nationalism, and the complex interaction of traditional and modern forces. The volume offers outstanding, often new translations of classic texts by such celebrated writers as Nagai Kafu, Shimazaki Toson, Natsume Soseki, Kawabata Yasunari, and Yosano Akiko. The editors have also unearthed works from lesser-known women writers, many of which have never been available in English. Organized chronologically and by genre within each period, the volume reveals the major influences in the development of modern Japanese literature: the Japanese classics themselves, the example of Chinese poetry, and the encounter with Western literature and culture. Modern Japanese writers reread the classics of Japanese literature, infused them with contemporary language, and refashioned them with an increased emphasis on psychological elements. They also reinterpreted older aesthetic concepts in light of twentieth-century mentalities. While modern ideas captured the imagination of some Japanese writers, the example of classical Chinese poetry remained important for others. Meiji writers continued to compose poetry in classical Chinese and adhere to a Confucian system of thought. Another factor in shaping modern Japanese literature was the

example of foreign works, which offered new literary inspiration and opportunities for Japanese readers and writers. Divided into four chapters, the anthology begins with the early modern texts of the 1870s, continues with works written during the years of social change preceding World War I and the innovative writing of the interwar period, and concludes with texts from World War II. Each chapter includes a helpful critical introduction, situating the works within their literary, political, and cultural contexts. Additionally, there are biographical introductions for each writer.

The Columbia Anthology of Traditional Chinese Literature Victor H. Mair, 1994 Complete with an introduction tracing the history of Chinese writing, this collection covers a diverse range of genres, from fiction, poetry and drama to folk stories, letters and travelogues. The topical arrangement of the selections brings out distinctive characteristics of this vast canon.

The A to Z of Modern Chinese Literature Li-hua Ying, 2010-04-01 Modern Chinese literature has been flourishing for over a century, with varying degrees of intensity and energy at different junctures of history and points of locale. An integral part of world literature from the moment it was born, it has been in constant dialogue with its counterparts from the rest of the world. As it has been challenged and enriched by external influences, it has contributed to the wealth of literary culture of the entire world. In terms of themes and styles, modern Chinese literature is rich and varied; from the revolutionary to the pastoral, from romanticism to feminism, from modernism to post-modernism, critical realism, psychological realism, socialist realism, and magical realism. Indeed, it encompasses a full range of ideological and aesthetic concerns. The A to Z of Modern Chinese Literature presents a broad perspective on the development and history of literature in modern China. It offers a chronology, introduction, bibliography, and over 300 cross-referenced dictionary entries on authors, literary and historical developments, trends, genres, and concepts that played a central role in the evolution of modern Chinese literature.

The Oxford Handbook of Modern Chinese Literatures Carlos Rojas, Andrea Bachner, 2016-07-28 With over forty original essays, The Oxford Handbook of Modern Chinese Literatures offers an in-depth engagement with the current analytical methodologies and critical practices that are shaping the field in the twenty-first century. Divided into three sections-- Structure, Taxonomy, and Methodology--the volume carefully moves across approaches, genres, and forms to address a rich range topics that include popular culture in Late Qing China, Zhang Guangyu's Journey to the West in Cartoons, writings of Southeast Asian migrants in Taiwan, the Chinese Anglophone Novel, and depictions of HIV/AIDS in Chu T'ien-wen's Notes of a Desolate Man.

Frontier Taiwan Michelle Yeh, N. G. D. Malmqvist, 2001-04-05 Taiwan has evolved dramatically from a little-known island to an internationally acclaimed economic miracle and thriving democracy. The history of modern Taiwanese poetry parallels and tells the story of this transformation from periphery to frontier. Containing translations of nearly 400 poems from 50 poets spanning the entire twentieth century, this anthology reveals Taiwan in a broad spectrum of themes, forms, and styles: from lyrical meditation to political satire, haiku to concrete poetry, surrealism to postmodernism. The in-depth introduction

outlines the development of modern poetry in the unique historical and cultural context of Taiwan. Comprehensive in both depth and scope, *Frontier Taiwan* beautifully captures the achievements of the nation's modern poetic traditions.

Contemporary Chinese Novels in Translation since 1978 Yun Wu, 2024-10-14 This book aims to complement the traditional focus of translation studies, which has primarily centered on translating English into other languages. It presents a comprehensive analysis of the reverse translation trajectory, exploring the movement of Chinese literature into the core English literary domain. The book aims to explore the ideological and sociological dynamics that underlie the translation of contemporary Chinese novels. This is achieved through an examination of the translation selection process, translation paratexts, and the roles of translation agents. Case studies are employed to illustrate specific linguistic, literary, and cultural challenges within translation. It dissects the cultural and literary implications of translating genres such as women's writing, science fiction, and Internet literature. The argument presented is that the translation of peripheral literature is indispensable in shaping global literature. Beyond its literary implications, the book identifies the political significance inherent in such reverse translation endeavors. It suggests that the translation of Chinese literature holds notable political interest for the Chinese government, which aims to reshape China's image and bolster the nation's soft power through literary translation. This work will be an essential read to students and scholars of translation studies, comparative literature, and Chinese studies.

The Columbia Anthology of Chinese Folk and Popular Literature Victor H. Mair, Mark Bender, 2011 In *The Columbia Anthology of Chinese Folk and Popular Literature*, two of the world's leading sinologists, Victor H. Mair and Mark Bender, capture the breadth of China's oral-based literary heritage. This collection presents works drawn from the large body of oral literature of many of China's recognized ethnic groups--including the Han, Yi, Miao, Tu, Daur, Tibetan, Uyghur, and Kazak--and the selections include a variety of genres. Chapters cover folk stories, songs, rituals, and drama, as well as epic traditions and professional storytelling, and feature both familiar and little-known texts, from the story of the woman warrior Hua Mulan to the love stories of urban storytellers in the Yangtze delta, the shaman rituals of the Manchu, and a trickster tale of the Daur people from the forests of the northeast. The Cannibal Grandmother of the Yi and other strange creatures and characters unsettle accepted notions of Chinese fable and literary form. Readers are introduced to antiphonal songs of the Zhuang and the Dong, who live among the fantastic limestone hills of the Guangxi Zhuang Autonomous Region; work and matchmaking songs of the mountain-dwelling She of Fujian province; and saltwater songs of the Cantonese-speaking boat people of Hong Kong. The editors feature the Mongolian epic poems of Geser Khan and Jangar; the sad tale of the Qeo family girl, from the Tu people of Gansu and Qinghai provinces; and local plays known as rice sprouts from Hebei province. These fascinating juxtapositions invite comparisons among cultures, styles, and genres, and expert translations preserve the individual character of each thrillingly imaginative work.

Chinese Literature in the Second Half of a Modern Century Pang-Yuan Chi, David Der-wei Wang, 2000-09-22 ... an important contribution to the study of recent Chinese literature. -- Choice This fine, scholarly survey of Chinese literature since 1949... discusses such trends as modernism, nativism, realism, root-seeking and 'scar' literature, 'misty' poets, and political, feminist, and societal issues in modern Chinese literature. -- Library Journal This volume is a survey of modern Chinese literature in the second half of the twentieth century. It has three goals: (1) to introduce figures, works, movements, and debates that constitute the dynamics of Chinese literature from 1949 to the end of the century; (2) to depict the enunciative endeavors, ranging from ideological treatises to avant-garde experiments, that inform the polyphonic discourse of Chinese cultural politics; (3) to observe the historical factors that enacted the interplay of literary (post)modernities across the Chinese communities in the Mainland, Taiwan, Hong Kong, and overseas.

A Century of Modern Chinese Poetry Michelle Yeh, Zhangbin Li, Frank Stewart, 2023-05-02 The most comprehensive collection of modern Chinese poetry in English translation available today This volume—a completely overhauled and updated version of Michelle Yeh’s 1992 classic *Anthology of Modern Chinese Poetry*—brings together modern poetry from the Chinese-speaking world dating from the 1910s to the 2010s. Featuring the work of 85 poets from mainland China, Taiwan, Hong Kong, Malaysia, and Singapore, it contains more than 280 poems that span the entire history of modern Chinese poetry. Poets include those regarded as canonical as well as some who have been newly “discovered” or reevaluated in recent years, each selected for their distinctive voice and inimitable style. Also, for the first time, contemporary song lyrics are included as poetry. This diversity of perspectives, along with its geographic reach and expansive timeframe, make the anthology a much-needed contribution to the study of Chinese poetry and world literature. With short biographies of the poets, a select bibliography, and a comprehensive introduction, *A Century of Modern Chinese Poetry* is a critical resource for students, scholars, and general readers alike.

Chinese Literature: A Very Short Introduction Sabina Knight, 2012-01-06 Perhaps nowhere else has literature been as conscious a collective endeavor as in China, and China's survival over three thousand years may owe more to its literary traditions than to its political history. This *Very Short Introduction* tells the story of Chinese literature from antiquity to the present, focusing on the key role literary culture played in supporting social and political concerns. Embracing traditional Chinese understandings of literature as encompassing history and philosophy as well as poetry and poetics, storytelling, drama, and the novel, Sabina Knight discusses the philosophical foundations of literary culture as well as literature's power to address historical trauma and cultivate moral and sensual passions. From ancient historical records through the modernization and globalization of Chinese literature, Knight draws on lively examples to underscore the close relationship between ethics and aesthetics, as well as the diversity of Chinese thought. Knight also illuminates the role of elite patronage; the ways literature has served the interests of specific groups; and questions of canonization, language, nationalism, and

cross-cultural understanding. The book includes Chinese characters for names, titles, and key terms.

Floating on Clouds Susan Wan Dolling, 2024-09-10 My China in Tang Poetry is a personal celebration of the genius of the Golden Age of Chinese poetry. Susan Wan Dolling, writer, teacher and storyteller provides a feast of new translations and readings of the poetry with consummate knowledge, understanding and an enthusiasm that is infectious. In her telling, these stories and poems are not archaic or hard, but engaging and alive. Volume Two, Floating on Clouds, gives us two men described as recluses, Meng Haoran and Wang Wei, and the so-called Four Female Talents of the Tang Era, Li Ye, Xue Tao, Liu Caicun and Yu Xuanji.

Early Medieval China, 2017

A Comprehensive Anthology of Modern Chinese Literature, 1950-70, 1972

The Columbia Anthology of Modern Japanese Literature J. Thomas Rimer, 2011-11-15 Featuring choice selections from the core anthologies The Columbia Anthology of Modern Japanese Literature: From Restoration to Occupation, 1868-1945, and The Columbia Anthology of Modern Japanese Literature: From 1945 to the Present, this collection offers a concise yet remarkably rich introduction to the fiction, poetry, drama, and essays of Japan's modern encounter with the West. Spanning a period of exceptional invention and transition, this volume is not only a critical companion to courses on Japanese literary and intellectual development but also an essential reference for scholarship on Japanese history, culture, and interactions with the East and West. The first half covers the three major styles of literary expression that informed Japanese writing and performance in the late nineteenth and early twentieth centuries: classical Japanese fiction and drama, Chinese poetry, and Western literary representation and cultural critique. Their juxtaposition brilliantly captures the social, intellectual, and political challenges shaping Japan during this period, particularly the rise of nationalism, the complex interaction between traditional and modern forces, and the encroachment of Western ideas and writing. The second half conveys the changes that have transformed Japan since the end of the Pacific War, such as the heady transition from poverty to prosperity, the friction between conflicting ideologies and political beliefs, and the growing influence of popular culture on the country's artistic and intellectual traditions. Featuring sensitive translations of works by Nagai Kafu, Natsume Soseki, Oe Kenzaburo, Kawabata Yasunari, Mishima Yukio, and many others, this anthology relates an essential portrait of Japan's dynamic modernization.

This is likewise one of the factors by obtaining the soft documents of this **The Columbia Anthology Of Modern Chinese Literature** by online. You might not require more become old to spend to go to the ebook establishment as with ease as search for them. In some cases, you likewise accomplish not discover the declaration The Columbia Anthology Of Modern Chinese Literature that you are looking for. It will agreed squander the time.

However below, as soon as you visit this web page, it will be as a result completely easy to get as skillfully as download guide The Columbia Anthology Of Modern Chinese Literature
