Each page includes a poem for fluency practice as well as an Illustrate the Poem and a place to use the sight word poems in a sentence. These sight word workbook poems are perfect for Poetry Journals. Download the preview to see the format of each page and to see which words are included in the packet. These poems have been a great addition to my classroom ELA activities. I write the poem on chart paper and choose students to highlight the sight words level 1 and rhyming words. They LOVE creating their own illustration to go along with the poem. This is a great idea. I actually printed all of the poems, put it a spiral for each of students and we work on them everyday. I teach first grade and there are a lot of sight word writing that they have to learn, I am hoping this will help. Thanks. These are great for centers when I am doing guided reading, and the kids can work on a sight words first grade we are learning each week :) Many thanks for stopping by and taking a look! Sincerely, Enjoy :) All Sight Word Workbook Educate School

collection. Patterned, repetitive poetry is used throughout to encourage and give confidence to the emergent reader. The advantage of poetry is that students can see the pattern right before their eyes. They don't have to flip the page of a book, which can interrupt the visual pattern for the reader who is first learning. The student poem pages make it easy for students to create their own personal poetry collections. To save you time for group and center work we've provided strips that fit into the Desktop Pocket Chart, and also included instructions for enlarging the poems for use as poetry mini-posters.
