[This Is Our Faith](#) Michael Pennock,2018-08-03 This Is Our Faith: A Catholic Catechism for Adults is a bestselling overview of the faith for those preparing entry into the Church, as well as for both newly initiated and lifelong Catholics who wish to understand Church teachings more clearly. This revised and updated edition strengthens one of the strongest endorsements of the book: that it communicates important Church teachings in an engaging and understandable manner. Revised and updated in collaboration with longtime RCIA leaders, this new edition of This Is Our Faith has been refreshed with two new chapters, with language and style more in line with the Catechism of the Catholic Church, and with updated cultural and historical references. The text maintains the popular book's accessible tone and easy-to-follow organization, following the four pillars of the Catechism: the Profession of Faith celebration of the sacraments, liturgy, and the Paschal Mystery life in Christ: foundations of Catholic morality Christian prayer Chapters in each of the four parts lead with a thought-provoking story that connects the reader to important teachings, which are then communicated through an easy-to-understand question-and-answer format. Discussion questions and suggestions for additional reading are included for RCIA and parish adult-education groups wishing to explore Church teachings in a group environment. This Is Our Faith provides a solid, clear presentation of the Catholic faith for adults at any stage in their faith journey.

[The Catholic Catechism](#) John Hardon,2011-01-12 This volume is intended to meet a widely felt need for an up-to-date and

concise source book on the principal teachings of the Catholic Church. Since the close of the Second Vatican Council, there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in Catholic practice that few people have been able to keep up with all that has happened... A parallel purpose of this volume is to offer those who use it a handy guidebook of the Catholic tradition, whether formally documented in ecclesiastical sources or implicitly accepted by the faithful under the aegis of the Church's hierarchical leaders. The method followed in presenting the Church's doctrine is a combination of history and logic. Doctrines are placed into a historical framework by tracing their origins to the Old and New Testaments and placing their development within the context of persons, places, and times. The doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries. The intended reading audience of this Catholic catechism are all those priests, religious and laity, and above all parents and teachers, who are looking for a concise statement of the faith they profess, the conduct they practice, and the worship they give to the Lord.

Living in the Christian Faith -- an examination of the Ten Commandments, the Beatitudes and the Commandments of the Church 3. Sources of the Christian Life -- a consideration of grace, the Sacraments, prayer, the liturgy Keeping in mind that a good catechism must speak to the hearts of the faithful and answer their questions in clear, understandable language, *The Question and Answer Catholic Catechism* presents the modern Catholic with the essentials of the Catholic faith in a manner that is easy to use and spiritually sound.

Compendium of the Traditional Catechism of the Catholic Church Roniel Aledo,2013-09-27 The Catechism of the Catholic Church is the sure norm for teaching the faith (Apostolic Constitution Fidei Depositum). Still the language and wording of both the Catechism and the Second Vatican Council is one full of poetic beauty and soft diplomacy. This style of poetry and diplomacy is not the most appropriate for clarity. In many places the language results hard to understand and multiple contradictory interpretations are possible due precisely to the language full of charity but not of clarity. The purpose of the Compendium of the Traditional Catechism of the Catholic Church is to provide absolute clarity about the Faith of All times and less room for open interpretations and ambiguity. The world today in order to keep the Faith of All times needs more than poetic words. It needs clear teachings with full power, strength, and clarity above: no room for misinterpretations, no wiggle room for heretical interpretations at all. That is the purpose of this work: high clarity above all. With total clarity several subjects are covered: the definition of schismatic, the Limbo, Freemasons, heretic, the so called marriage among homosexuals, the doctrine of the Church regarding the liberal freemasonic Democracy, the responsibility that Catholics must have when voting or taking action on the political field, the so called New Atheists movement, the Consecration of Russia according to Our Lady of Fatima, the future of the world according to the City of God of St. Agustin, etc. All of these subjects of today and many others are addressed in this work with extreme and total clarity. Here there is no room for error and no room for misunderstanding. This is the Traditional Catechism that is really needed in the Year of the Faith and in any year!
