This monumental work offers a vivid account of the tumultuous events surrounding the Jewish revolt against Roman rule and the catastrophic siege of Jerusalem. As you explore Josephus's detailed narrative, consider this: How does the struggle for freedom impact the fabric of a civilization? What lessons can we glean from the catastrophic consequences of conflict? Written by a former Jewish general who became a Roman citizen, Josephus's perspective is both insider and observer. His eyewitness accounts, combined with rich descriptions of battles, political intrigue, and the fervent spirit of the Jewish people, paint a compelling portrait of a society in turmoil. The Gospel of Mark and the Roman-Jewish War of 66-70 CE Stephen Simon Kimondo, 2018-07-19 This book interprets Mark's gospel in light of the Roman-Jewish War of 66-70 CE. Locating the authorship of Mark's gospel in rural Galilee or

southern Syria after the fall of Jerusalem and the temple, and after Vespasian's enthronement as the new emperor, Kimondo argues that Mark's first hearers—people who lived through and had knowledge of the important events of the war—may have evaluated Mark's story of Jesus as a contrast to Roman imperial values. He makes an intriguing case that Jesus' proclamation as the Messiah in the villages of Caesarea Philippi set up a deliberate contrast between Jesus's teaching and Vespasian's proclamation of himself as the world's divine ruler. He suggests that Mark's hearers may have interpreted Jesus' liberative campaign in Galilee as a deliberate contrast to Vespasian's destructive military campaigns in the area. Jesus's teachings about wealth, power, and status while on the way to Jerusalem may have been heard as contrasts to Roman imperial values; hence, the entire story of Jesus may have been interpreted an anti-imperial narrative.

**JOSEPHUS** Flavius Josephus, 2022-03-26 Josephus was born Joseph Ben Mattathias in 37 C.E. in Jerusalem of a priestly and royal family. He excelled in his studies of Jewish law and studied with the Sadducees, Pharisees, and the Essenes, eventually aligning himself with the Pharisees. In 62 C.E. he went to Rome to free some imprisoned priests. After accomplishing this mission through the intercession of Nero's wife, Poppaea, he returned to Jerusalem in 65 C.E. to find the country in revolt against Rome. Although Josephus had deep misgivings about the revolt, it became inevitable, due to reasons he discusses in his history, primarily the abuses of the Romans; this spurred the growth of fanatical Messianic Jewish movements which believed that the world was coming to an end shortly. In 66 C.E. the Masada was seized by the Zealots and the Romans were on the march; Josephus was appointed the commander of Galilee. Josephus had to fight a defensive war against overwhelming force while refereeing internecine squabbles in the Jewish ranks. In 67 C.E. Josephus and other rebels were cornered in a cave during the siege of Jotapata and took a suicide pact. However, Josephus survived, and was taken hostage by the Romans, led by Vespasian. Josephus shrewdly reinterpreted the Messianic prophecies. He predicted that Vespasian would become the ruler of the 'entire world'. Josephus joined the Romans, for which he was branded a traitor. He acted as consultant to the Romans and a go-between with the revolutionaries. Unable to convince the rebels to surrender, Josephus ended up watching the second destruction of the Temple and the defeat of the Jewish nation. His prophecy became true in 68 C.E. when Nero committed suicide and Vespasian became Caesar. As a result, Josephus was freed; he moved to Roman and became a Roman citizen, taking the Vespasian family name Flavius. Vespasian commissioned Josephus to write a history of the war, which he finished in 78 C.E., the Jewish War. His second major work, the Antiquities of the Jews, was completed in 93 C.E. He wrote Against Apion in about 96-100 C.E. and The Life of Josephus, his autobiography, about 100. He died shortly after. Despite his ambivalent role, Josephus was an eyewitness to history, and his writings are considered authoritative. These texts are key to understanding a pivotal point in world history, which has tragic repercussions even to this day.

Del Testa, 2014-01-27 In each volume, an introductory essay outlines the history of the disciplines under discussion, and describes how changes and innovations in these disciplines have affected our lives. The biographies that follow are organized in an A-Z format: each biography is divided into a life section describing the individual's life and influences and a legacy section summarizing the impact of that individual's work throughout history. These biographies cover a diverse group of men and women from around the globe and throughout history. Franklin Delano Roosevelt, Mao Tse-tung and Genghis Khan are among the 200 well-known historical figures included in this volume. Examples of other lesser-known, yet important, individuals covered in this work are: Gustavas Adolphus, Swedish empire creator; Hatshepsut, queen of ancient Egyptian dynasty; and Jean Jaurès, French socialist leader and pacifist. Each synopsis provides information on each individual's enduring impact on the common understanding of fundamental themes of human existence.

**For the Freedom of Zion** Guy MacLean Rogers, 2021-01-01 A definitive account of the great revolt of Jews against Rome and the destruction of the Jerusalem Temple Deeply impressive. . . . Essential for all future discussions of the subject.--Barry Strauss, *New Criterion* A lucid yet terrifying account of the 'Jewish War'--the uprising of the Jews in 66 CE, and the Roman empire's savage response, in a story that stretches from Rome to Jerusalem.--John Ma, *Columbia University* This deeply researched and insightful book examines the causes, course, and historical significance of the Jews' failed revolt against Rome from 66 to 74 CE, including the destruction of the Jerusalem Temple. Based on a comprehensive study of all the evidence and new statistical data, Guy Rogers argues that the Jewish rebels fought for their religious and political freedom and lost due to military mistakes. Rogers contends that while the Romans won the war, they lost the peace. When the Romans destroyed the Jerusalem Temple, they thought that they had defeated the God of Israel and eliminated Jews as a strategic threat to their rule. Instead, they ensured the Jews' ultimate victory. After their defeat Jews turned to the written words of their God, and following those words led the Jews to recover their freedom in the promised land. The war's tragic outcome still shapes the worldview of billions of people today.

*The Wars of the Jews; Or the History of the Destruction of Jerusalem* Flavius Josephus, 2017-06-03 PREFACE 1. Whereas the war which the Jews made with the Romans hath been the greatest of all those, not only that have been in our times, but, in a manner, of those that ever were heard of; both of those wherein cities have fought against cities, or nations against nations; while some men who were not concerned in the affairs themselves have gotten together vain and contradictory stories by hearsay, and have written them down after a sophisticated manner; and while those that were there present have given false accounts of things, and this either out of a humor of flattery to the Romans, or of hatred towards the Jews; and while their writings contain sometimes accusations, and sometimes encomiums, but no where the accurate truth of the facts;

I have proposed to myself, for the sake of such as live under the government of the Romans, to translate those books into the Greek tongue, which I formerly composed in the language of our country, and sent to the Upper Barbarians; Joseph, the son of Matthias, by birth a Hebrew, a priest also, and one who at first fought against the Romans myself, and was forced to be present at what was done afterwards, [am the author of this work]. 2. Now at the time when this great concussion of affairs happened, the affairs of the Romans were themselves in great disorder. Those Jews also who were for innovations, then arose when the times were disturbed; they were also in a flourishing condition for strength and riches, insomuch that the affairs of the East were then exceeding tumultuous, while some hoped for gain, and others were afraid of loss in such troubles; for the Jews hoped that all of their nation which were beyond Euphrates would have raised an insurrection together with them. The Gauls also, in the neighborhood of the Romans, were in motion, and the Geltin were not quiet; but all was in disorder after the death of Nero. And the opportunity now offered induced many to aim at the royal power; and the soldiery affected change, out of the hopes of getting money. I thought it therefore an absurd thing to see the truth falsified in affairs of such great consequence, and to take no notice of it; but to suffer those Greeks and Romans that were not in the wars to be ignorant of these things, and to read either flatteries or fictions, while the Parthians, and the Babylonians, and the remotest Arabians, and those of our nation beyond Euphrates, with the Adiabeni, by my means, knew accurately both whence the war begun, what miseries it brought upon us, and after what manner it ended. 3. It is true, these writers have the confidence to call their accounts histories; wherein yet they seem to me to fail of their own purpose, as well as to relate nothing that is sound. For they have a mind to demonstrate the greatness of the Romans, while they still diminish and lessen the actions of the Jews, as not discerning how it cannot be that those must appear to be great who have only conquered those that were little. Nor are they ashamed to overlook the length of the war, the multitude of the Roman forces who so greatly suffered in it, or the might of the commanders, whose great labors about Jerusalem will be deemed inglorious, if what they achieved be reckoned but a small matter....

**The Life of Flavius Josephus** Flavius Josephus, 2009-01-01 The autobiographical text The Life of Josephus is a text written by Flavius Josephus around 94 to 99 BC. The commander of a Jewish insurgency who was captured by the Roman in 67 BC he won his liberty by ingratiating himself with the Roman victors. The Life of Josephus is both a retelling of the events of this War and a justification by Josephus of his part in it. His position with his Roman and Jewish contemporaries and even now with modern day scholars is ambiguous. Many question his decision to eschew suicide in favour of capture. The works of Josephus have been pivotal in gaining an understanding of the period of the First Jewish-Roman War, The Dead Sea Scrolls and other Archaeological discoveries.

*The Jewish Revolt against Rome* Mladen Popović, 2011-11-11 The Jewish revolt against Rome in the first century C.E.

provides ancient historians the opportunity to study one of the best-documented provincial revolts in the early Roman Empire. This volume brings together different disciplines, some for the first time. The contributors draw from a wide range of literary, archaeological, documentary, epigraphic and numismatic sources. The focus is on historiographical and methodological reflections on our sources, their nature and the sort of historical questions they allow us to answer. This volume combines fields of research that should not be pursued in isolation from each other if we wish to further our understanding of the Jewish revolt's historical context.

**The Fall of Jerusalem** Flavius Josephus, 2006 It is fatal to show pity in a time of war. Led by the mighty Titus, the Roman army besieges Jerusalem. Arrows rain over the city day and night, and battering rams assault its defensive walls. Inside, the people curse their fate, resistant to the last but maddened by hunger. After days of rebellion, at last their city falls. The citizens plead for mercy - but as the Romans march on the Temple of Masada, the most sacred sanctuary of the Jewish people, flaming torches blaze above their heads . . .

**The Wars of the Jews** Flavius Josephus, 2016-10-19 The Jewish War or Judean War, also referred to in English as The Wars of the Jews, is a book written by Josephus, a Roman-Jewish historian of the 1st century. Divided into seven books, it opens with a summary of Jewish history from the capture of Jerusalem by the Seleucid ruler Antiochus IV Epiphanes in 164 BC to the first stages of the First Jewish-Roman War (Book I and II). The next five books detail the unfolding of the war, under Roman generals Vespasian and Titus, to the death of the last Sicarii. The book was written about 75 AD, originally in Josephus's paternal tongue, probably Aramaic, though this version has not survived. It was later translated into Greek, probably under the supervision of Josephus himself. The sources of knowledge of the First Jewish-Roman War are: this account of Josephus, the Talmud (Gittin 57b), Midrash Eichah, and the Hebrew inscriptions on the Jewish coins minted, and Book V of Tacitus' Histories. The text also survives in an Old Slavonic version, as well as Hebrew which contains material not found in the Greek version, and which is lacking other material found in the Greek version.

*Why Can't We Be Friends?* Dominique Naar,2025-07-08 *Why Can't We Be Friends?* is a thought-provoking exploration of one of the most enduring conflicts in modern history-the strife between Israelis and Palestinians. Inspired by the centuries-old family feud rooted in the heart of the Middle East, this book delves deep into the complexities of this long-standing dispute. Through a lens of compassion and understanding, the author argues that the path to peace lies in friendship, love, and forgiveness. This compelling narrative challenges readers to look beyond entrenched positions and envisions a future where empathy and human connection can heal generations of division. More than providing a historical account of the conflict, this book is a must-read for anyone who wants to learn how to bridge differences through human connection.
