All Flesh Must Be Eaten Al Bruno, 2005-02-20 As they approach your home, the evening wind carries their stench through the air. Your dog barks wildly, frenzied by the smell. You awaken from a restless sleep, look out your window and see staggering corpses on the move. You are halfway down the stairs when you hear footsteps on the porch. You run into the living room and pry open your gun cabinet. As you fumble, the front door collapses from the weight of a pair of rotting corpses. They shamle into the hall, arms outstretched, reaching for you. You unload your shotgun into them. They fall back. To your horror, they rise . . .

The Divine Hours (Volume Three): Prayers for Springtime Phyllis Tickle, 2016-08-17 The third and final volume in a trilogy of prayer manuals compiled by Publishers Weekly religion editor Phyllis Tickle as a contemporary Book of Hours to guide Christians gently yet authoritatively through the daily offices. The Divine Hours is the first major literary and liturgical reworking of the sixth-century Benedictine Rule of fixed-hour prayer. This beautifully conceived and thoroughly modern three-volume guide will appeal to the theological novice as well as to the ecclesiastical sophisticate. Making primary use of the Book of Common Prayer and the writings of the Church Fathers, The Divine Hours is also a companion to the New Jerusalem Bible, from which it draws its Scripture readings. The trilogy blends prayer and praise in a way that, while extraordinarily fresh, respects and builds upon the ancient wisdom of Christianity. The third and final book in the set, Prayers for Springtime, provides prayers, psalms, and readings for this season associated with rebirth. Compact, it is perfect for those seeking greater spiritual depth. As a contemporary Book of Hours, The Divine Hours: Prayers for Springtime heralds a renewal of the tradition of disciplined daily prayer, and gives those already using the first two volumes the completion they are seeking. With this volume, the series culminates with three prayer manuals encompassing the liturgical and calendar year with the offices for every day.
