When best friends are not forever . . . Shannon and Adrienne have been best friends ever since they were little. But one day, Adrienne starts hanging out with Jen, the most popular girl in class and the leader of a circle of friends called The Group. Everyone in The Group wants to be Jen's #1, and some girls would do anything to stay on top . . . even if it means bullying others. Now every day is like a roller coaster for Shannon. Katie Lee is majorly bummed when her BFF moves away. But her hopes soar when the new girl at school, Whitney, befriends her right away and invites her to spend the night at her house for a sleepover. Katie loved sleepovers with her old best friend, so she's sure she will have a great time. But something is not quite right at Whitney's house. Whitney seems really, really into her dolls...and later that night, Katie's convinced that the dolls are threatening her. The next morning, a freaked-out Katie decides that maybe she hasn't found a new BFF after all. Whitney, however, has made up her mind about Katie—they're going to be best friends forever...no matter what. Creepy full-color graphic panels tell the story with the same horror as the original novel! This too-close-for-comfort friendship tale is ranked a 5 on the Creep-o-Meter.

Falling for His Best Friend's Sister Alie Garnett, 2021-02 In a family where a borrowed shirt could get you into a whole mess of trouble, stealing your sister's best friend would be unprecedented. When Mabel Lucie Lovely's sleazy boss suddenly thinks that they slept together, she's at a loss for words? Was it possible her party animal twin had slept with her boss? It seemed that was exactly what happened, despite her sister's vehement denials. The perfect opportunity for revenge falls into her lap in the form of a plane ticket to paradise with her sister's name on it. Taking her sister's place on vacation would be easy; after all, doesn't she know her twin best? All she needed to do was avoid Lucy's dim-witted ex, his new girlfriend, and Lucy's best friend, Cliff Scott. Her reward would be a little time in the sun and sand to get over her anger. Not even out of the airport, she realizes her big mistake. Pretending to be her sister was harder than her sister always made it look. Who knew Lucy wasn't as carefree and easy-going as she acted? Or that Cliff, the fun-loving bartender with no ambition, was more than he seemed? Cliff was sticking to her like glue, which wasn't helping Mabel's attraction to him-something she already knew about but thought she could control. Apparently not! It's an attraction Cliff appears to feel as well, but is he attracted to her or her sister? Were they more than just friends? Was Mabel reading more into the situation than she should? Was she going to come back from this vacation the same person who'd left?
