Gillian McAllister

Wrong Place Wrong Time Gillian McAllister, 2023 It's every parent's nightmare. Your happy, funny, innocent son commits a terrible crime: murdering a complete stranger. You don't know who. You don't know why. You only know your teenage boy is in custody and his future lost. That night you fall asleep in despair. Until you wake... ..and it is yesterday. Every morning you wake up a day earlier, another day before the murder. Another chance to stop it. Somewhere in the past lie the answers, and you don't have a choice but to find them...[Bokinfo].

Conversations with Barth on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher-theologians engages one of the twentieth century's greatest teacher-theologians on the meaning of preaching. Readers of William H. Willimon's many books have long found there the influence of Karl Barth, probably the most significant theologian of the twentieth century. In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems, glories and grandeur of preaching the Word of God. The Swiss theologian, says the author, expressed one of the highest theologies of preaching of any of the great theologians of the church. Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other, sometimes obscure, sources. Willimon brings this material to light, introducing the reader to Barth's thought, not just on the meaning, but the practice of preaching as well.

Wrong Place, Wrong Time P. S. Brown, 2014-10-14 Anyone can find themselves in the wrong place, at the wrong time. From the best-selling author of *Hide and Seek*, comes a gripping crime thriller introducing the characters of DS Ripley and DC Coffey. Three brothers are carrying out their own form of vigilante justice by executing criminals who have escaped prosecution on technicalities. They have managed to keep their actions hidden until an innocent man finds himself an onlooker to their latest killing. As the witness struggles to decide who he can trust and where he can turn, Ripley and Coffey

may be his only hope, as their investigation of a standard missing person case uncovers a far more sinister story. As the paths of criminal, vigilante and the police collide, the conspiracy unravels to a shocking conclusion with utterly tragic consequences.

Steering Truth Buell Wesley Frazier,2021-06-29 On the afternoon of November 22, 1963, a nineteen-year-old Buell Wesley Frazier was thrown up against the wall by two detectives and escorted to Dallas Police Station. His coworker and sometimes passenger to and from work Lee Harvey Oswald was the presumed assassin of President John F. Kennedy and Officer J. D. Tippit. It didn't take Buell long to figure out that he was presumed guilty by association. Buell was afraid for himself and his family. Years of emotional pain built up. He had long forgotten how to trust people. He became resentful of the police force, and he doubted whether he would be ever to hold his head up in public and see people who believed his story. In the early nineties, Buell's life was changed forever when he met a man who would become his best friend and confidant. Over the years, Buell emerged from the shadows and slowly found the peace and self-confidence he had longed to have. At the request of some friends, he began to talk to the public. From panel discussions to classrooms, Buell was surprised to learn that there were people who not only wanted to hear his story believed him too! This turn of events caused a paradigm shift in the way Buell saw himself. As a result, he became inspired by those people to write his complete story. For the first time in fifty years, he welcomes you to be a passenger on this road trip to learn how hard work, perseverance, self-belief, and resiliency became the pillars that supported the long transition of the boy he was to the man he became.
