Diabetes: Alternative Thoughts Dr. MANOJ Kumar, 2014-03-25 Diabetes; Alternative Thoughts takes a different approach to diabetes management. The book tries to explain the disease, its complications in simple language and gives evidences for effect of lifestyle and exercises in diabetes management. The chapters give glimpses of Ayurvedic outlook for diabetes and some commonly used herbs in diabetes with scientific evidences. The author is not refuting the importance of conventional approaches in diabetes management or consider this book as a self help guide to treat diabetes. On the contrary tries to create an awareness among medical practitioners and the public to have a serious consideration of alternative methods which are equally powerful as prescription pills. It would serve as a mini reference book for medical practitioners and public.
