

Escuela Superior De Comercio Manuel Belgrano

Arquitectura

Berto González Montaner

Vanguardias argentinas: Arquitectura contemporánea I: décadas del 50 y 60 Berto González Montaner, 2005

Córdoba Moderna ,2024-04-22 El libro se propone abordar diversos episodios dentro del ciclo de la arquitectura moderna en Córdoba y sus relaciones con diversos ámbitos de la cultura y la política, así como sus impactos en las transformaciones urbanas que vivió la ciudad en el periodo. Las nociones en torno a la “modernidad” resultan problemáticas por su carácter polisémico, ya que, a lo largo del tiempo, esos conceptos han implicado y significado diferentes cuestiones, dependiendo de sus contextos nativos y de los grupos o personas que los utilizaron. Por tanto, este libro se propone tematizar y discutir los diferentes significados y sentidos que las nociones de “moderno”, “modernidad” y “modernización” adquirieron en los diferentes contextos que abarca esta obra. Para ello, cada contribución supone una entrada específica a diferentes eventos, figuras, proyectos, ideas o una combinación de ellos que permitan reponer debates, referencias, tradiciones y sus contextos pertinentes.

Familias de Traslasierra, jurisdicción de Córdoba Rafael M. Castellano Sáenz Cavia, 1970

La perla Ana Mariani, Alejo Gómez Jacobo, 2012-11-18 Un libro imprescindible para conocer un momento fundamental de la historia Argentina reciente. Al costado de la ruta que une Córdoba capital con Carlos Paz, funcionó durante la última dictadura militar uno de los más importantes centros clandestinos de detención del país, y el más grande del interior: La Perla. Por allí pasaron miles de secuestrados, la mayoría de los cuales permanece bajo la condición ominosa de desaparecido. Sin embargo, y en proporción contraria a su significación dentro del plan de represión llevado a cabo por el autodenominado

Proceso de Reorganización Nacional, es muy poco lo que se ha publicado hasta ahora al respecto, incluso en comparación con otros centros de tortura y desaparición de personas. La Perla, historia y testimonios de un campo de concentración es la imprescindible recopilación de declaraciones orales y escritas que revelan lo mejor y lo peor de la condición humana, echando luz sobre un momento fundamental de la reciente historia nacional, y de la provincia en particular. Los propios entrevistados reconstruyen la verdad sobre el destino de los desaparecidos y respecto de la participación activa o pasiva de diversos representantes de la sociedad civil, cuya responsabilidad está aún por ser investigada en profundidad y sometida a la Justicia.

Familia Scalerandi María Virginia Vega, 2022-01-03 Lazos inquebrantables es una historia de esperanza, voluntad y amor familiar, que empieza en un pequeño pueblo de Italia, llamado Envie, con un gran sueño: el de hacer la América. De la mano de las primeras generaciones de la familia Scalerandi, el relato nos aventura en busca de oportunidades a través del Atlántico y nos desembarca en la Argentina de 1880, donde la distancia entre las promesas y la realidad desafiará toda ilusión y fortaleza y demostrará que el trabajo, la perseverancia y la honradez son los pilares de la prosperidad. Lazos inquebrantables es también la materialización de un poderoso deseo: el de mantener a la familia unida, deseo que fue pronunciado hace ya más de cinco décadas y que desde entonces reúne a los Scalerandi, año tras año, en una multitudinaria fiesta en honor a las tradiciones y los valores que los caracterizan. Este libro es el resultado de una profunda investigación genealógica que, en forma de narración, nos invita a realizar un emocionante recorrido por entre las anécdotas, los registros fotográficos, documentales y biográficos de la familia Scalerandi. Cada página nos sitúa en una bifurcación en el tiempo y el espacio desde donde podemos observar el pasado, para entender el camino que transitaron muchos de nuestros antepasados; contemplar el presente, reconociendo las huellas sobre las que trazamos nuestros destinos, y mirar hacia adelante, conscientes de que somos parte del más poderoso engranaje: el que une a cada familia.

CONESCAL. Centro Regional de Construcciones Escolares para América Latina y la Región del Caribe, 1970

El uso de las tecnologías de la información y la comunicación en el aula universitaria como consecuencia del coronavirus Jonatán Cruz Ángeles, 2022-12-20 La naturaleza disruptiva de la pandemia ha constituido una prueba importante de la resiliencia de los sistemas de Educación Superior en todo el mundo y el proceso de enseñanza-aprendizaje que ello implica. Así las cosas, la transición a un modelo de educación a distancia requiere una rápida adaptación en todo el mundo académico, dadas las características y desafíos asociados a la implementación de las aulas virtuales.
