**Drag Queens at the 801 Cabaret** Leila J. Rupp, Verta Taylor, 2015-10-02 It's Saturday night in Key West and the Girlie Show is about to begin at the 801 Cabaret. The girls have been outside on the sidewalk all evening, seducing passersby into coming in for the show. The club itself is packed tonight and smoke has filled the room. When the lights finally go down, statuesque blonds and stunning brunettes sporting black leather miniskirts, stiletto heels, and see-through lingerie take the stage. En Vogue's Free Your Mind blares on the house stereo. The crowd roars in approval. In this lively book, Leila J. Rupp and Verta Taylor take us on an entertaining tour through one of America's most overlooked subcultures: the world of the drag queen. They offer a penetrating glimpse into the lives of the 801 Girls, the troupe of queens who perform nightly at the 801 Cabaret for tourists and locals. Weaving together their fascinating life stories, their lavish costumes and eclectic music, their flamboyance and bitchiness, and their bawdy exchanges with one another and their audiences, the authors explore how drag queens smash the boundaries between gay and straight, man and woman, to make people think more deeply and realistically about sex and gender in America today. They also consider how the queens create a space that encourages camaraderie and acceptance among everyday people, no matter what their sexual preferences might be. Based on countless interviews with more than a dozen drag queens, more than three years of attendance at their outrageous performances, and even the authors' participation in the shows themselves, *Drag Queens at the 801 Cabaret* is a witty and poignant portrait of gay life and culture. When they said life is a cabaret, they clearly meant the 801.

*Submissive's Chastity 3 Book Bundle: Lesbian Erotica BDSM!* Domina Martine,2021-06-10 These 3 books contain Very Naughty Erotica themes of Lesbian BDSM, Bondage, Punishment, Domination and Submission as well as the use of BDSM devices. Book 1 "Submissive's Chastity" Book 2 "Chastity Exposed" Book 3 "College BDSM Project" Book 1 "Submissive's Chastity" Sometime in the morning I woke up with Jessica on top of me giving me a good morning kiss. 'Wakey wakey sleepy head!' she said with a huge smile. I grinned back, it was a nice way to be woken and she looked as gorgeous as ever in her red silk chemise. I started to get aroused but I was always going to lose the fight against the chastity belt. We had breakfast, she gave me some muesli and milk, and sat on my knee, her slim body next to mine. She forbade me to feed myself 'no you are my helpless little sissy princess'. It was great, though I was reminded of my chastity belt all the time. No doubt this was why she did it. Even though she had always been attracted to the fact that I was rather a Tomboy, some would even call me a Butch. Jessica had this twisted side of her. She had always toyed with the idea of making me her submissive. Not only her submissive, but turning me into some sort of lipstick lesbian. Something that was contrary to everything I had always thought of myself as. But I would do anything for her, or so I had thought. The chastity belt was just the beginning. Make Her Moan Seymour Hare,2015-05-30 According to his (former) girlfriend, Imonalot, Seymour Hare is the King of pussy licking and she believes many men would benefit from studying closely his knowledge, and putting these practices to work for themselves, or, rather, for their women. With Seymour, being a rather mature male, and Imoanalot, being a youthful female 25 years his junior, there is much more than just age as a difference. Yet, Imoanalot claims that she will never find another lover who can make her feel the way Seymour does. And this makes Seymour very proud, as he should be. Imoanalot has renamed Seymour the King, for even more than just the obvious reasons. The two constant questions and claims from Imoanalot are, What are your secrets? And, Are you trying to make me go completely crazy? Seymour just laughs and continues to lap and lick, suck and play with her pussy. You must understand that Seymour is one of those very rare men that truly loves to eat pussy and has a long history of driving women completely out of their minds with his job, as he puts it. According to Seymour, Bring a woman to the seventh stage of orgasm and you have got her hooked and begging for more. What is the seventh stage one may be asking oneself? Well, according to Seymour, women climb to a state of sublime and when they finally reach the seventh stage, they are in total bliss. In another world, so to speak. The major problem according to Seymour is that, Most men haven't got a clue as to how to make this happen, or they are just too lazy to get a woman to

cum so many times during a love making session that most women are left in a state of disappointment and dissatisfaction. That's why many women turn to hand-held machines or - even more extreme - they may begin to have an affair outside of their main relationship.

**The Secret Art Of Eating Pussy : Tips & Tricks To Please Her Every Time** C. W. Pollard, 2011-06-24 Eating a woman's pussy is one of the greatest sexual acts you can perform. It is at the same time intimate and incredibly sexual. You are literally making out with her pussy. At the same time that your head is buried between her thighs, you can feel the subtle convulsions of her body, her breath deepen and shorten and you can feel the arching of her back as she actually works with you to heighten her own arousal. If you do it right, and you have a good partner in the woman, the experience is intense, unforgettable and at times - explosive. However, eating a woman's pussy is not something that they ever taught you in school. It is, although, a skill that every man should have. In this book the author teaches you how to do it right. The book starts with the basics and walks you through a serious, no nonsense course on how to orally please the women in your life. This is what everyone has been waiting for and what you can't afford to miss out on. Accept no substitutes and skip the gimmicky books out there. This is the serious book on pussy eating for the serious pussy eating student.
