**You Deserve Better** Anne-Marie,2021-09-30 Sometimes it feels so hard to love yourself. We worry that we're not good enough or we're being selfish if we take time to prioritise what we need. But self-love is so important and even if we're our own biggest critic, it can be done! You deserve better xxx Hands up if you're fed up with being told you need to go on this diet, you need to behave this way, or you probably shouldn't wear this outfit...the list goes oooooon. Anne-Marie's been told these things her whole life too and they didn't make her feel any better. But now, she's discovered the simple tools that mean she treats herself with the love and respect she needs and this, in turn, means she's able to go out into the world and be as strong, confident and true to herself as she can be. And she wants YOU to be able to do the same. You Deserve Better is the must-read book from singer-songwriter Anne-Marie that doesn't give you fluffy promises about self-care but speaks honestly about body image, mental health, being successful at work and more. It's the real advice that every person needs to hear to be happier in themselves and in the world. Cause you know what? YOU DESERVE BETTER.

*Wisdom* George D. Johnson,2007-07-26 Throughout history philosophers have sought to understand the nature of wisdom and how to achieve it, but Reverend George Johnsons Wisdom explains that true wisdom comes from above and is a necessity for daily living. For centuries, many people grew up in homes defi ned by tradition and wisdom while others grew up in homes defi ned by whim and lack of knowledge. Wisdom informs us that a wise person seeks understanding and knowledge, and anyone can receive it if he or she seeks it. Wisdom gives voice to the voiceless, help to the helpless, and hope to the hopeless.With this said, Johnsons own wisdom has directed him to construct Wisdom using an unconventional pattern, where readers do not necessarily have to read prior chapters in order to understand future chapters. Wisdoms inspiring words

captivate readers as each chapter tells a story, tells us what to do, and tells us what not to do. Wisdom touches on every aspect of life from individuals getting rid of baggage that so easily weighs us down to learning how to enjoy life by smelling the roses. To this end, Wisdom is an inspirational manuscript full of voices of wisdom and ethics for everyday living.
