Local Girl Missing Lisa Regan, 2022-08-11 Through swirling dawn fog, they follow the trail of discarded items at their feet: a tube of glittery lip gloss; a cell phone; a cracked make-up compact, broken chunks of ivory powder spilling into the grass. Then the mist parts—just for a second—to reveal a beautiful young girl on the ground, her pale lips frozen forever in a silent scream... On a winding mountain road into the small town of Denton, Pennsylvania, Detective Josie Quinn finds the body of a local teenage girl, Dina Hale. The sight of plum-colored bruises gathering around the girl's neck pierces Josie's heart, but the discovery of a second girl's empty purse in the dirt nearby gives her a flicker of hope that one person, at least, made a lucky escape. Dina's parents are grief-stricken as the town rallies together in a desperate search for the second girl, Alison Mills, who waitressed with Dina at a local hotel. A knock on the door late in the evening can only mean trouble for Detective Josie Quinn, but fear chokes her at the news that the one of her own team is missing. Find Her Alive Lisa Regan, 2020-04-15 Josie treads gently, careful not to disturb the pile of perfect white bones laid out in the grass by her feet. Her voice is little more than a whisper. No! Not my sister... Detective Josie Quinn hasn't heard from her sister since Trinity stormed out of the house in the heat of an argument three weeks ago. So, when human remains are found at the remote hunting cabin where Trinity was last seen, Josie can only assume the worst. Gathering her team, Josie feels a surge of relief when the dental records match a different body - that of a missing single mother from a neighboring town. But now Josie's is not the only broken family desperate for answers. Dusting the crime scene for prints, a name

smudged into the side of a nearby car is the first in a trail of clues Trinity left for Josie. In need of a big story to save her journalism career, it seems Josie's sister was attempting to make contact with a dangerous serial killer known for creating sculptures with his victim's bones. And Trinity won't stop until she's found him, even if it means becoming his next masterpiece... Josie is certain there's a critical clue in the ivory hair comb delivered to Trinity just days before she went missing. But as more bones surface, each set more likely to be Trinity's than the last, time is running out to find her alive. Can Josie's team trust her instincts in a case that is so deeply personal? Can she find her sister without putting other innocent lives in danger? An unputdownable crime thriller from an Amazon, USA Today and Wall Street Journal bestselling author that will have you sleeping with the light on. Hush Little Girl Lisa Regan, 2021-04-14 Dressed in pajamas covered with stars, the little girl's body is perfectly still, her arms folded neatly over her chest. The wildflowers decorating her hair scatter across the grass in the sharp breeze. Her lips are parted slightly, as if to whisper goodnight for the very last time... When twelve-year-old Holly Mitchell's fragile little body is found on the steps of a mountainside church in the small town of Denton, a doll made from pine cones clasped tightly to her chest, Detective Josie Quinn rushes to attend the scene. She knows this little girl's angelic face, her mother had offered Josie help when she'd needed it most. Searching the girl's house, Josie is devastated to find that Holly's mother is dead too, and her little sister is missing. But why has this family home been stripped of all sharp objects? Re-tracing her steps, Josie finally finds a secret hiding place with Holly's sister inside, terrified, but alive. Moments later, another doll made of twigs turns up. Certain the killer is close by, Josie holds the little girl tight and tries to coax answers from her, but it's clear the pile of burnt photographs and letters found in the greenhouse is her only lead. No one is safe until Josie can figure out the dangerous secret that has escaped this remote family home. Just when Josie is finally closing in on the killer, the unthinkable

happens, a tragedy that shakes her to her very core. And on the windshield of her car: a third wooden doll. Could stopping this twisted monster from taking more innocent lives come at the ultimate price for Josie? An absolutely gripping rollercoaster ride of a crime thriller from an Amazon, USA Today and Wall Street Journal bestselling author. Perfect for fans of Angela Marsons, Robert Dugoni and Rachel Caine.
