**Knocking Boots** Vivian Wood, Willow Winters, 2017-03-19 We were never meant to be together. He's a bartender with noncommittal tendencies. I'm looking for ... the opposite. Commitment. Period. But drinks and a bet led to something it shouldn't have: a fake relationship. Worse, a first date, a first kiss... and then more. He's addictive and I can't bring myself to accept the reality. That it's all a lie and I'm fooling myself by thinking he could want more. That I could change him. He's mine for as long as I keep on pretending like this is just for fun. As if I don't want more... Like when he whispers my name, I pretend it doesn't make my heart flip. Like when he holds me at night, I pretend I don't want to lay in his bed every night. It's just a bet; just a lie... until it isn't.

*Kiss Me in this Small Town* Willow Winters, 2024-03-26 From USA Today Bestselling Author Willow Winters comes a sexy,

small town romance. In this small town, everyone talks... and they all know I'm head over heels for my boss. I didn't know I had a type until he came to town. His charming smile and rough laugh did a number on me. It's the way I found him always looking my way though, with his piercing gaze, that really did me in. We'd share a glance. I'd blush. Then we'd pretend there wasn't sexual tension piled high between us. First it was a look, then it was a touch, then it was late nights after work. He's the owner; I serve drinks at his bar. He comes from money; I live paycheck to paycheck. He told me to kiss him and I did more than that. It happened so fast and I couldn't stop it even though I know I shouldn't have fallen for him. There's too much he doesn't know, including the very reason I could never be with him. What we want doesn't matter, there are some secrets that never let go.

**Signed In Blood** Willow Winters, M. Robinson, W. Winters, 2026-10-08 The ritual. The blood. The deal with the devil.... Blurb and cover to come.

*Falling at First Sight* Willow Winters, From Wall Street Journal Best Selling Author, Willow Winters comes a steamy, small-town romance. His smile is what got me. It was charming but held a hint of the sexy thoughts I was hoping he had in his head like I did with only our first glance. He may be tall, dark and handsome but I'm telling you, it was his smile that got me. I'm sure of that detail. Too bad all I did was avert my gaze and let a blush rise up to my cheeks, outing me for having sordid thoughts about my son's preschool teacher. Trent Morgan was everything I ever wanted, but there was no way I was ever going there. Even if I had fallen at first sight ... *Falling at First Sight* is a contemporary romance short story - sweet and sexy - with a happily ever after.

*Tell Me to Stay* Willow Winters, 2019-11-10 From USA Today bestselling author, Willow Winters, comes a seductive and emotionally captivating second-chance romance. It's impossible to get over what we had. He was everything — irresistibly handsome, ruthlessly elite, and seemingly untouchable — while I was nothing. Yet he protected me when I was at my lowest; more than that, he wanted me. He devoured me... and I did the same to him. Until it all fell apart and I ran as far away from Madox as I could. After all, the two of us were never meant to be together. I never thought I'd see him again, years later. Let alone be under him in the way I've craved since we said goodbye. The attraction between us still burns like fire, but time can't change the past. And I don't know if it's possible for us to mend all of our broken pieces. Winters creates another masterpiece of beautiful storytelling and leaves her readers breathless. - Nicki - The Overflowing Bookcase This romance was originally published in the Cards of Love collection. I thought I learned my lesson years ago. But here I am, back in the small town I grew up in, staring down the man who broke my heart years ago. I intended to tell him off. My plan was to flip him the bird and prove to both of us that he hadn't ruined me. I sure as hell wasn't going to sleep with him. Until he tells me he's sorry. Until he gives me that smoldering look I still dream about. Until he whispers just beneath the shell of my ear... His breath trails down my neck and he leaves an opened mouth kiss right there, in that sensitive spot. You have no idea how much I've missed you. My treacherous heart wants more. More of him. More of us. But there's a reason it didn't work before and when you don't learn from your past mistakes, you're bound to repeat them. Tequila Rose Willow Winters, 2021-02-23 He tasted like tequila and the fake name I gave him was Rose. Four years ago, I decided to get over one man, by getting under another. A single night and nothing more. I found my handsome stranger with a shot glass and charming but devilish smile at the end of the bar. The desire that hit his eyes the second they landed on me ignited a spark inside me, instant and hot. He was perfect and everything I didn't know I needed. That one night may have ended, but I left with much more than a memory. Four years later, and with a three-year-old in tow, the man I still dream about is staring at me from across the street in the town I grew up in. I don't miss the flash of recognition, or the heat in his gaze. The chemistry is still there, even after all these years. to look after and a past I wished I didn't have, things were never going to be easy when it came to my life in this small town. Let alone my love life.
