Unfollow Your Passion Terri Trespicio, 2021-12-21 One of the Best Feel-Good Books of 2021 by The Washington Post A hilarious and honest not-quite-self-help book in the vein of *Buy Yourself the F*cking Lilies* and *I Used to Have a Plan*. Every person on the planet wants their life to mean something. The problem is that you've been told there's only one way to find that meaning. In *Unfollow Your Passion*, Terri Trespicio—whose TEDx talk has more than six million views—questions everything you think you need: passion (fun, but fleeting), plans (flimsy at best), and a bucket list (eye roll), to name a few. Instead, she shows you how (and why) to flip society, culture, and the #patriarchy the bird so you can live life on your terms. Trespicio effortlessly guides you through her method of unhooking yourself from other people's agendas, boning up on the skills to move you forward, and exploring your own creativity, memory, and intuition to unlock your unique path to meaning—while also confronting the challenges that stop you in your tracks, like boredom, loss, and fear. *Unfollow Your Passion* is a fresh and fearless “must-read for anyone looking for a more meaningful life” (Mel Robbins, author of *The 5 Second Rule*).

The Six-Figure Freelance Copywriter Joanna Wiebe, 1901 This is a different kind of book about freelance writing. *The Six-Figure Freelance Copywriter* gives you a rare glimpse into how top-earning freelancers crossed the \$100,000 threshold. Each six-figure story is unique. And each will fuel your drive, demonstrate that there are many routes to a rewarding, six-figure freelance writing career...and it's closer than you think. Here are just a few of the stories you'll find in *The Six-Figure Freelance Copywriter*: • How one freelancer went from a layoff to six figures...using Fiverr (check out chapter 9 for Anita Alvarez's story) • Why being lazy works for copywriter and best-selling author, Laura Belgray • One freelancer's inside story of working for big-name brands • What a \$100K project proposal looks like (Prerna Malik shares in chapter 2) • The one networking tactic Tarzan Kay swears by (and insists you try at your next conference or event) • How one freelancer doubled his copywriting rates with one pricing shift (flip to Andrew Yedlin's chapter to see how he did it) ...and so many more. When you need motivation and a nudge to consistently reach new milestones in your freelance writing business, use the stories in *The Six-Figure Freelance Copywriter* as your evergreen source of inspiration. About Joanna Wiebe Joanna Wiebe is the creator of Copyhackers and the original conversion copywriter. The Marketing Fallacy Joshua Littlejohn, 2020-10-01 What if everyone thought your small business was a large corporation? How would this impact your opportunities, your sales and your audience? Undoubtedly, it would catapult each of them. But how exactly does a small business accomplish that? Digital Marketer & Entrepreneur Joshua Littlejohn has the answer and will show you how. The Marketing Fallacy provides small business owners with a proven road to establish their company's image — without breaking the bank. From branding to client relations, Joshua borrows from his own story of starting his small business using a \$500 savings withdrawal and structuring it to appear larger than it was. This allowed him to work with top clients, including Fortune 500 companies, and gave him the opportunity to establish an impressive professional network and earn a solid stream of income — all while still in college. Joshua knows that in a world dominated by companies like Google, Amazon and Facebook, small businesses are going to have to evolve if they are ever to compete or even work with these juggernauts. The Marketing Fallacy will provide the knowledge needed to do just that, and supports it using numerous case studies, resources and tools.

Tough Titties Laura Belgray, 2023-06-13 NATIONAL BESTSELLER From award-winning TV writer Laura Belgray, a

hilarious collection of full-body-criinge, watch-through-your-fingers life lessons her own husband calls “loser Sex and the City.” What does it take to grow up cool and popular, master adulthood, fast track your success, and always be your best? Laura Belgray wouldn’t know. Her wildly relatable coming-of-age stories include hate-following her 6th grade bully on social media decades later; moving home post-college to measure her self-worth in hookups with Upper West Side bartenders; dating a sociopathic man-baby; proving herself in the early ‘90s at New York’s coolest magazine (as the world’s worst intern); falling for get-rich-quick schemes on the Internet; and, most of all, saying “tough titties” to the supposed-to’s in life: driving a car, being on time, handing in your paperwork, learning to roast a chicken, and having kids. Peppered with cutting insights on our confusing, self-helpy culture that calls hair removal “self care” and tells us to give our 110% but also to give zero f*cks, Tough Titties will leave you feeling better about, well, everything. Let’s face it: we’re all tired of shame-spiraling after being told what to do when we know we’re not going to do any of it. Tough Titties is one big permission slip to be a dork, a sometimes-unspiritual slacker, a late bloomer and, ultimately, 100% yourself. It’ll also have you snort-laughing in public and tapping whoever’s nearby to say, “Lemme read you one more part!” Which is annoying, but tough titties. “Nobody makes me laugh like Laura Belgray. She’s got a one-of-a kind knack for taking the shame out of life’s most humiliating moments. Tough Titties is a hilarious, must-read permission slip to be 100% you.” --Marie Forleo, #1 New York Times bestselling author of Everything is Figureoutable

Dale unfollow a tus sueños Terri Trespicio, 2023-04-13 Todas las personas deseamos ser felices, importantes y grandiosas; sin embargo, se nos ha hecho creer que solo existe una manera de lograrlo. En la línea de Sarah Knight y Mark Manson, la autora, cuya charla TEDx «Deja de buscar tu pasión» tiene +7M de reproducciones, cuestiona todo lo que crees necesario y en realidad solo estorba: pasión (divertida, pero efímera), planes detallados (propensos a fracasar, en el mejor de los casos), además de una lista de cosas por hacer para que tu vida «tenga sentido». En cambio, te muestra cómo (y por qué) darle la vuelta a las expectativas y restricciones de la sociedad, para vivir a tu manera. Desengáñate de lo que piensan de ti, de lo que tú misma crees, aprovecha tus habilidades para avanzar, aprende a dejar ir y a explorar tu propia creatividad, memoria e intuición.

Lifestyle Gurus Stephanie A. Baker, Chris Rojek, 2020-01-16 The rise of blogs and social media provide a public platform for people to share information online. This trend has facilitated an industry of self-appointed ‘lifestyle gurus’ who have become instrumental in the management of intimacy and social relations. Advice on health, wealth creation, relationships and well-being is rising to challenge the authority of experts and professionals. Pitched as ‘authentic’, ‘accessible’ and ‘outside of the system’, this information has produced an unprecedented sense of empowerment and sharing. However, new problems have arisen in its wake. In Lifestyle Gurus, Baker and Rojek explore how authority and influence are achieved online. They trace the rise of lifestyle influencers in the digital age, relating this development to the erosion of trust in the

expert-professional power bloc. The moral contradictions of lifestyle websites are richly explored, demonstrating how these technologies encourage a preoccupation with the very commercial and corporate hierarchies they seek to challenge. A timely account of how lifestyle issues are being packaged and transacted in a wired-up world, this book is important reading for students and scholars of media, communication, sociology and related disciplines.
