His Mission D. A. Carson, Kathleen Nielson, 2015-04-16 With contributions from popular Bible teachers, including Tim Keller, Kevin DeYoung, John Piper, D. A. Carson, Crawford Loritts, Gary Millar, and Stephen Um, this collection of eight biblical expositions looks to the Gospel of Luke and its unique portrait of our Savior. Whether exploring the nature of Jesus's divine sonship, his rejection by the religious and political rulers of his day, or his important teaching on the dangers of money, this volume will help readers grasp the overarching message of the book of Luke as they grow more familiar with its main focus: the blameless life, atoning death, and vindicating resurrection of Jesus Christ.

What did Jesus Mean? Anna Wierzbicka, 2001-04-05 In this highly interdisciplinary work, linguist Anna Wierzbicka casts new light on the words of Jesus by taking her well-known semantic theory of universal human concepts- concepts which are intuitively understandable and self-explanatory across languages- and bringing it to bear on Jesus' parables and the Sermon on the Mount. Her approach results in strikingly novel interpretations of the Gospels. Written in dialogue with other biblical commentators, What Did Jesus Mean? is both scholarly rigorous yet accessible.

A Scientist Looks at Religion George Bernard Whatmore, 2003-10

The Jesus You Really Didn't Know Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace. Living in denial of Jesus' teaching on judgment and holiness, too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self-worth before God. Andy Angel tackles this dysfunctional spirituality head-on, opening up the journey of learning and love into which the living Lord Jesus invites us all. Unpacking the Gospel of Matthew, he encourages us to rediscover the teaching ministry of Jesus in our own lives, and in doing so, to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us.

Our Bible Moses Hull, 1900

The Complete Works of Leo Tolstoy Leo Tolstoy, 2023-12-06 The Complete Works of Leo Tolstoy is an expansive collection that encapsulates the profound breadth of Tolstoy's literary genius. Predominantly known for his epic novels such as 'War and Peace' and 'Anna Karenina', this compendium presents not only these classics but also a myriad of short stories, essays, and philosophical treatises. Tolstoy's literary style, characterized by its psychological depth and moral inquiry,

reflects a keen observation of human nature intertwined with societal critique. This collection allows readers to engage with the complexity of Tolstoy's thoughts on morality, spirituality, and existential angst, all set against the backdrop of 19th century Russia, marked by social upheaval and change. Leo Tolstoy (1828-1910), a pivotal figure in world literature, was profoundly influenced by his aristocratic upbringing and later existential crises, leading him to explore themes of faith, peace, and the human condition. His transformation from a privileged landowner to a passionate advocate for social reform fueled his desire to speak to universal truths. This collection is a testament to his belief in the power of literature to provoke self-reflection and enlightenment, as he sought to bridge the gap between the wealthy and the peasantry in his works. For readers seeking a deeper understanding of humanity through literature, The Complete Works of Leo Tolstoy is indispensable. It invites reflection on life's moral dilemmas, offering timeless insights that resonate across cultures and eras. Whether a seasoned Tolstoy aficionado or a newcomer to his work, this collection serves as a comprehensive portal into the soul of one of literature's greatest thinkers. The Ideal of Jesus William Newton Clarke, 1911

Original Revolution John Howard Yoder, 2003-10-13 Jesus created around himself a voluntary society that was counter to everything his society knew or expected. Jesus gave his members a new way to deal with offenders, with violence, with money, with leadership, with a corrupt society. He gave them a new pattern of relationships between man and woman, and an enlarged understanding of what it means to be human. This is the original revolution: the creation of a distinct community with its alternate set of values and its coherent way of incarnating them. Such a group is not only a novelty, but is also, if lived faithfully, the most powerful tool of social change.

Golden Rules and Silver Rules of Humanity Q. C. Terry, 2004 The Golden/Silver Rule precepts and associated maxims are the pillars upon which most major religious and philosophical traditions, moral and legal codes, are founded, that also relate to science. Dating back almost to the beginnings of civilized culture in ancient Africa over 5,000 years ago, and

elsewhere, the rules are among the earliest oral civil precepts/codes to be committed to print regarding appropriate social conduct across most situations. This wisdom inquiry offers, some background, an integrative theory for most of the versions of the precepts found amongst the worlds cultures, in addition to, some newly created reciprocity labels, and maxims, based on mutuality, generosity, altruism and ethical levels. A draft integration of some new mutuality rules, and interaction relations, for science, religion, and philosophy, are offered, along with some sample optimums for various life style types on an altruism-egoism ethics scale.
