We Are Never Alone Diane Whitaker,2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In *We Are Never Alone*, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!

A Study of: The Book of Matthew Frank Abrahamsen,2019-02-04 This study will not concentrate on disputable theories, rather it will present the history of the author, and a commentary on the Book of Matthew. God's Word is alive and it is all we need to understand His Word for the Word explains itself. There is no great mystery to the scriptures, they are for all to acknowledge and understand by the Holy Spirit.

Essentials and Almost Essentials of Christianity Robin Wright,2022-08-01 What does a person have to believe to be a Christian? With hundreds of different denominations and probably thousands of beliefs, are there some essentials that all people must believe in to be a Christian? An obvious answer to that is, yes. What are the essentials that people must believe in to be a Christian? The author answers that question with eight essential beliefs in part 1. Part 2 adds eight more believes that are almost essential. The third part of the book lists eight essential practices of Christians. As you read, question both

the author and your own beliefs by searching the Scriptures.

The Word in Action Ruthy Robinson, 2025-08-03 In the year 2024, I felt a deep prompting from the Holy Spirit to take a closer look at how we, as believers, engage with the Word of God. In prayer and reflection, I was inspired to identify twelve foundational words that outline how we can truly embrace and live out God's Word in our lives. These words-Read the Word, Study the Word, Understand the Word, Believe the Word, Receive the Word, Trust the Word, Meditate on the Word, Memorize the Word, Pray the Word, Praise the Word, Be Doers of the Word, and Share the Word-serve as a spiritual roadmap for growing deeper in faith and fulfilling the ministry of Jesus Christ. This small book is the result of that inspiration. Through research, prayer, and study, I've come to see how these principles not only strengthen our personal relationship with God but also empower us to share His love with others. Each word offers a powerful way to experience the living truth of Scripture, and together they form a guide to living a life that reflects Christ. It is my prayer that as you explore these words, you will be encouraged to draw closer to God, live out His truth, and be a light to those around you. May the Holy Spirit speak to your heart through these pages, inspiring you to embrace the fullness of God's Word in your life. His Servant, Ruthy Robinson

Growing Up & Liking It Dolores Ayotte, 2011-03 'I never truly knew the meaning of faith until I was so filled with fear. You can feel this positive energy throughout the pages of Dolores' book...Andrea Cockerill - BA (Psychology), BSW ...an adventure filled with humorous quips and anecdotes about life's experiences.
