The Art of Happiness Dalai Lama, 2020-07-21 Available for the first time in trade paperback, the multi-million copy bestselling guide to happiness from His Holiness the Dalai Lama. Nearly every time you see him, he's laughing, or at least smiling. And he makes everyone else around him feel like smiling. He's the Dalai Lama, the spiritual and temporal leader of Tibet, a Nobel Prize winner, and a hugely sought-after speaker and statesman. Why is he so popular? Even after spending only a few minutes in his presence you can't help feeling happier. If you ask him if he's happy, even though he's suffered the loss of his country, the Dalai Lama will give you an unconditional yes. What's more, he'll tell you that happiness is the purpose of life, and that the very motion of our life is toward happiness. How to get there has always been the question. He's tried to answer it before, but he's never had the help of a psychiatrist to get the message across in a context we can easily understand. *The Art of Happiness* is the book that started the genre of happiness books, and it remains the cornerstone of the field of positive psychology. Through conversations, stories, and meditations, the Dalai Lama shows us how to defeat day-to-day anxiety, insecurity, anger, and discouragement. Together with Dr. Howard Cutler, he explores many facets of everyday life, including relationships, loss, and the pursuit of wealth, to illustrate how to ride through life's obstacles on a deep and abiding source of inner peace. Based on 2,500 years of Buddhist meditations mixed with a healthy dose of common sense, *The Art of Happiness* is a book that crosses the boundaries of traditions to help readers with difficulties common to all human beings. After being in print for ten years, this book has touched countless lives and uplifted spirits around the world.

Art of Happiness Dalai Lama, 2009

The Art of Happiness at Work Dalai Lama, Howard C Cutler, 2004-09-07 From the authors who brought you the million-copy bestseller *The Art of Happiness* comes an exploration of job, career, and finding the ultimate happiness at work. Over the past several years, Howard Cutler has continued his conversations with the Dalai Lama, asking him the questions we all want answered about how to find happiness in the place we spend most of our time. Work-whether it's in the home or at an office-is what mostly runs our lives. We depend on it to eat, to clothe and shelter ourselves, and to take care of our families. Beginning with a direct correlation between productivity and happiness, Dr. Cutler questions His Holiness about the nature of work. In psychiatry and according to the Dalai Lama, our motivation for working determines our level of satisfaction. The book explores three levels of focus: survival, career, and calling. Once again, Cutler walks us through the Dalai Lama's reasoning so that we know how to apply the wisdom to daily life. This practical application of Buddhist ideas is an invaluable source of strength and peace for anyone who earns a living.

The Art of Happiness Dalai Lama XIV, 2000-06

The Art of Happiness at Work The Dalai Lama, 2011-03-01 *The Art of Happiness* has become the classic guide to the Dalai Lama's enlightened approach to living - illuminating the profound principles and perceptive wisdom of this revered spiritual leader, from a clear western perspective. Now, in this inspirational new volume, his unique collaboration with Howard C. Cutler returns to provide a practical application of Tibetan Buddhist spiritual values to the world of work. In our current stressful working climate, more and more people are becoming disenchanted with the roles they adopt at work, and how significantly their working persona differs from the person they are outside the workplace. In this wise and practical book, the Dalai Lama shows us how to place our working lives into the context of our lives as a whole. Rather than striving to find a role which suits us, we should allow our work to arise naturally from who we are - and what is most important to us. From here we reach a pathway that can lead us to true life fulfilment and purpose.
