I devoured it over a weekend, unable to put it down. It's a clever and completely original take on a

domestic thriller. —Alex Michaelides, author of the #1 New York Times bestseller *The Silent Patient* Blake's dead. They say his wife killed him. If so... which one? Polygamist Blake Nelson built a homestead on a hidden stretch of land—a raw paradise in the wilds of Utah—where he lived with his three wives: Rachel, the first wife, obedient and doting to a fault, with a past she'd prefer to keep quiet. Tina, the rebel wife, everything Rachel isn't, straight from rehab and the Vegas strip. And Emily, the young wife, naïve and scared, estranged from her Catholic family. The only thing that they had in common was Blake. Until all three are accused of his murder. When Blake is found dead under the desert sun, all three wives become suspect—not only to the police, but to each other. As the investigation draws them closer, each wife must decide who can be trusted. With stories surfacing of a notorious cult tucked away in the hills, whispers flying about a fourth wife, and evidence that can't quite explain what had been keeping Blake busy, the three widows face a reckoning that might shatter all they know to be true.
