Summary of the Fifth Agreement Mathias Blinc,2017-08-02 The Toltec was a society of scientists and artists known in the southern area of Mexico as a people of great knowledge who preserved the spiritual and ancient practices of their esteemed ancestors. The wisdom gleaned from them points to a belief that espouses a way of life that is easily permeated by happiness and love. These scientists and artists created masteries that help people see the real truth and set them on the path away from suffering and conflict through awareness. The purpose of their teachings is to bring every person back to their base natures of love, happiness, and freedom. The main concepts explored in the following text are based on the Toltec teachings of truth, awareness of what is real, and the use of powerful tools that can be employed for the betterment of human life. It challenges modern beliefs and attempts to dispel the falsehood of pretenses by exposing one to the acute awareness of the authentic self. The road to breaking long-held perceptions may be an arduous one but it is quite possible to recover the truths that have been lost through years of disillusionment and misinterpretation of what is encountered on a daily basis.

The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. “Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough.” —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father’s books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.’s own book, *The Five Levels of Attachment*.
