

The Last Flight Book

S Nieto

The Last Flight Julie Clark, 2020-06-23 THE INSTANT NEW YORK TIMES, USA TODAY BESTSELLER, & INTERNATIONAL BESTSELLER! Look for *The Ghostwriter*, the next novel from Julie Clark, coming in June 2025! *The Last Flight* is thoroughly absorbing—not only because of its tantalizing plot and deft pacing, but also because of its unexpected poignancy and its satisfying, if bittersweet, resolution. The characters get under your skin.—The New York Times Book Review Two women. Two flights. One last chance to disappear. Claire Cook has a perfect life. Married to the scion of a political dynasty, with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns bright and he's not above using his staff to track Claire's every move. What he doesn't know is that Claire has worked for months on a plan to vanish. A plan that takes her to the airport, poised to run from it all. But a chance meeting in the airport bar brings her together with a woman whose circumstances seem equally dire. Together they make a last-minute decision. The two women switch tickets, with Claire taking Eva's flight to Oakland, and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico crashes, Claire realizes it's no longer a head start but a new life. Cut off, out of options, with the news of her death about to explode in the media, Claire will assume Eva's identity, and along with it, the secrets Eva fought so hard to keep hidden. For fans of Lisa Jewell and Liv Constantine, *The Last Flight* is the story of two women—both alone, both scared—and one agonizing decision that will change the trajectory of both of their lives. Praise for *The Last Flight*: *The Last Flight* is a wild ride: One part *Strangers on a Train*, one part *Breaking Bad*, with more twists than an amusement park roller coaster! Julie Clark is a devilishly inventive storyteller. —Janelle Brown, New York Times bestselling author of *Watch Me Disappear* and *Pretty Things* *The Last Flight* is everything you want in a book: a gripping story of suspense; haunting, vulnerable characters; and a chilling and surprising ending that stays with you long after the last page. —Aimee Molloy, New York Times bestselling author of *The Perfect Mother* The perfect combination of beautiful prose and high suspense, and an ending that I guarantee will catch you off guard. —Kimberly Belle, internationally bestselling author of *Dear Wife* and *The Marriage Lie* *The Last Flight* sweeps you into a thrilling story of two desperate women who will do anything to escape their lives. Both poignant and addictive, you'll race through the pages to the novel's chilling end. A must

read of the summer! —Kaira Rouda, internationally bestselling author of *Best Day Ever* and *The Favorite*

Summary of *The Last Flight* by Julie Clark C.B. Publishers, 2025-01-26 A complete chapter-by-chapter summary of Julie Clark's book *The Last Flight*. About the original book: *The Last Flight* is a dual narrative, with Claire Cook, the wife of a renowned New York benefactor with political ambitions, and Eva James, a thirty-something woman embroiled in a massive and hazardous drug operation in Oakland, California, taking turns telling the story. For various reasons—Claire's husband abuses her, Eva's drug activities are being investigated by the feds—both women must go and start again. Claire spends months planning her escape; she saves money and buys bogus identification documents. She intends to use a trip to Detroit on behalf of one of her husband's charities (a charter school funded by the Cook Foundation) as an opportunity and send her new identity documents and money to the Detroit hotel. Her goal is then to slip into Canada under the alias Amanda Burns. However, her husband altered her assignment at the last minute, and she will now attend a conference in Puerto Rico. Her plan is ruined, and she is horrified.

***Last Flight* Amelia Earhart**, 2009-12-22 Amelia Earhart's account of her ill-fated last flight around the world, begun in 1937, remains one of the most moving and absorbing adventure stories of all time. *Last Flight* compiles the letters, diary entries and charts that she sent to her husband, G.P. Putnam at each stage of her trip. In her own words, these dispatches offer a window into her experience on this ground-breaking journey and illustrate her cheerful, charming nature. Her story continues to intrigue and inspire people to this day.

***The Last Flight* Greg Liefer**, 2016-04-19 Set against the harsh beauty of Alaska, a veteran helicopter pilot is torn between ending his own embattled life and rescuing survivors from a mountain plane crash. *Last Flight* is the heroic story of Gil Connor, a senior Army helicopter pilot and aging Vietnam vet, as he struggles with an impending terminal illness and the desire to pull off one last daring rescue. Connor finds himself in a constant battle against his internal demons during his quest to reach the survivors of a remote, civilian commuter-plane crash deep in the Alaskan mountains—a rescue that perhaps only he can pull off. The stranded plane's captain, Scott Sanders, takes charge after the crash, in spite of his injuries and the realization that his dream of flying for a major airline is destroyed. One of the passengers, a retired school teacher, assists him while barely holding herself together; her husband was killed in a fiery plane crash years before. They soon realize that time is not on their side in the Alaskan polar climate. Connor, who's haunted by the horrors of war and a turbulent past, is torn between ending his life before the inevitable and saving the marooned crash victims before it's too late. His underlying intentions are unknown, even to himself, until the very end. Aided by an untested protégée and a mysterious young girl found at the crash site, Connor struggles in a desperate gamble to achieve the near impossible. Amid the turmoil of an approaching storm and almost certain failure, his flying skills and drive for redemption are the only hopes that remain. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range

of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Her Last Flight Beatriz Williams, 2020-06-30 One of Summer's Most Anticipated Reads, according to Goodreads, SheReads, and Bookish "I think Beatriz Williams is writing the best historical fiction out there. It's lush with period detail but feels immediate."—Elin Hilderbrand The beloved author returns with a remarkable novel of both raw suspense and lyric beauty—the story of a lost pilot and a wartime photographer that will leave its mark on your soul. In 1947, photographer and war correspondent Janey Everett arrives at a remote surfing village on the Hawaiian island of Kauai to research a planned biography of forgotten aviation pioneer Sam Mallory, who joined the loyalist forces in the Spanish Civil War and never returned. Obsessed with Sam's fate, Janey has tracked down Irene Lindquist, the owner of a local island-hopping airline, whom she believes might actually be the legendary Irene Foster, Mallory's onetime student and flying partner. Foster's disappearance during a round-the-world flight in 1937 remains one of the world's greatest unsolved mysteries. At first, the flinty Mrs. Lindquist denies any connection to Foster. But Janey informs her that the wreck of Sam Mallory's airplane has recently been discovered in a Spanish desert, and piece by piece, the details of Foster's extraordinary life emerge: from the beginnings of her flying career in Southern California, to her complicated, passionate relationship with Mallory, to the collapse of her marriage to her aggressive career manager, the publishing scion George Morrow. As Irene spins her tale to its searing conclusion, Janey's past gathers its own power. The duel between the two women takes a heartstopping turn. To whom does Mallory rightfully belong? Can we ever come to terms with the loss of those we love, and the lives we might have lived?

The Complete Book of the SR-71 Blackbird Richard H. Graham, 2015-10-26 Explore the Lockheed SR-71 Blackbird Cold war spy plane. Enjoy reading the history of its development, manufacturing, modification & its long reconnaissance career.

The Last Flight of the Zephyr David Talon, 2024-06-27 With the engagement of Jonathan and Myste finally settled, they are ready to begin their new life together, traveling to Londinium upon the newest and safest airship of the day, the Zephyr. But neither Xavier Redstone nor Henrietta Eaton-Young have forgotten Jon. Bombs have been planted somewhere in the airship, and unless Saul Sherlock and Jack Watson can decipher the clues, this flight of the Zephyr will be its last.
