**Robert Spencer**

*The Truth About Muhammad* Robert Spencer, 2006-09-15 Muhammad: a frank look at his influential (and violent) life and teachings In *The Truth about Muhammad*, New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam—perhaps the first such portrait in half a century—unbounded by fear and political correctness, unflinching, and willing to face the hard facts about Muhammad's life that continue to affect our world today. From Muhammad's first revelation from Allah (which filled him with terror that he was demonpossessed) to his deathbed (from which he called down curses upon Jews and Christians), it's all here—told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad. Spencer details Muhammad's development from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms, promising his warriors luridly physical delights in Paradise if they were killed in his cause. He explains how the Qur'an's teaching on warfare against unbelievers developed—with constant war to establish the hegemony of Islamic law as the last stage. Spencer also gives the truth about Muhammad's convenient revelations justifying his own licentiousness; his joy in the brutal murders of his enemies; and above all, his clear marching orders to his followers to convert non-Muslims to Islam—or force them to live as inferiors under Islamic rule. In *The Truth about Muhammad*, you'll learn - The truth about Muhammad's multiple marriages (including one to a nine-year-old) - How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries - How Muhammad's example justifies jihad and terrorism - The real Satanic verses incident (not the Salman Rushdie version) that remains a scandal to Muslims - How Muhammad's faulty knowledge of Judaism and Christianity has influenced Islamic theology—and colored Muslim relations with Jews and Christians to this day. Recognizing the true nature of Islam, Spencer argues, is essential for judging the prospects for large-scale Islamic reform, the effective prosecution of the War on Terror, the democracy project in Afghanistan and Iraq, and immigration and border control to protect the United States from terrorism. All of which makes it crucial for every citizen (and policymaker) who loves freedom to read and ponder *The Truth about Muhammad*

[Summary of Robert Spencer's The Truth About Muhammad](#) Everest Media, 2022-05-04T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Islam is often called a religion of peace, but the truth is that most Muslims do not resist or condemn the global Islamic jihad being fought in their name. #2 The idea of Muhammad

as a champion of liberty and democracy was not original to Trump's questioner. The Muslim writer Farida Khanam wrote that Muhammad was a meek, mild man who loved all humankind. #3 Some Muslims even invoked Muhammad's example in the opposite direction, and said that he would have wanted the cartoonists dead. #4 The distinction between Islam and Islamism is widely accepted by public policy analysts and opinion-makers. But what many people don't know is that Islamism has apocalyptic echoes of another millennial ideology, fascism.

*The Truth about Muhammad a Biography of the Prophet* Saifur Mia, Ali Rahman, Faisal Fahim, Al Mubarakpuri, 2016-12-23 A complete authoritative book on the life of Prophet Muhammad P.b.u.h.

Did Muhammad Exist? Robert Spencer, 2021-07-13 Is there any sound historical evidence that the prophet of Islam actually existed, or is the entire story of Muhammad fable or fiction? It is a question that few have thought—or dared—to ask. Virtually everyone, Muslim and non-Muslim alike, takes for granted that the prophet of Islam lived as a prophet, as well as a political and military leader, in seventh-century Arabia. But this widely accepted story begins to crumble on close examination. In his blockbuster New York Times bestseller *The Truth about Muhammad*, historian and Islam expert Robert Spencer revealed the often shocking contents of Islamic teachings about Muhammad. Now, in this newly revised and expanded version of *Did Muhammad Exist?*, he lays bare those teachings' surprisingly shaky historical foundations. This updated and enlarged version of this acclaimed book examines even more striking and compelling evidence that the story of Muhammad, who for so long was assumed to have lived in the "full light of history," could be more myth and legend than historical fact. Spencer meticulously examines historical records and archaeological findings, pioneering new scholarship to reconstruct what we can know about Muhammad, the Qur'an, and the early days of Islam. The evidence he presents challenges the most fundamental assumptions about Islam's origins.

Muhammad Robert Spencer,2024-09-10 Muhammad: What can we really know about him? We know a great deal about Muhammad—or so it seems. Islamic tradition contains an astonishing wealth of information about the founding figure of the Islamic faith, and most historians take for granted that this material is generally reliable. In his latest book, historian and Islamic scholar Robert Spencer shows that there is no agreement in the earliest Islamic sources about the most fundamental details of this towering figure's life. There are conflicting accounts of key details of his life, including the circumstances and contents of the first revelation he claimed to have received from Allah; the year of his birth; the length of his prophetic career; the name of the angel who supposedly appeared to him; and even his own name. Muhammad: A Critical Biography takes a detailed look at the Islamic traditions regarding Muhammad and lays bare their contradictions, inconsistencies, and incoherence. Spencer continues the groundbreaking research he began in *The Truth About Muhammad and Did Muhammad Exist?*, exposing the shocking reality of how shaky Islam's foundations really are. He meticulously explains why competing traditions may have been invented and definitively demonstrates that, contrary to the complacency of establishment historians, the Muhammad of Islam is more legend than history, more fable than fact. Muhammad: A Critical Biography does the work that mainstream academics—who are either bought by Saudi Arabia or Qatar, or too afraid to depart from the herd—should have done long ago. Not for the faint-hearted, this book will do nothing less than rock the Islamic world to its very core.

**The Lies about Muhammad** Moustafa Zayed,2010 In the book *The lies about Muhammad*, well known American Muslim scholar Moustafa Zayed refutes the historical errors and allegations in the New York Times Bestseller book *The Truth about Muhammad* by Robert Spencer. In refuting Spencer's claims, Zayed brings to life a richness of history, politics, and current events into the spectrum of the hot debate. The book uniquely shows Islam and Islamic history from the rare point of view of a true Muslim scholar without any politically biased alterations of a middle man; more importantly an American Muslim scholar who shares the pulse of our day to day life. The reader will come to know real Islam and Islamic history in regards to plenty of topics like the raging controversies about women, human, and minority's rights in Islam - not just from an Islamic perspective - but also in light of world history, Judaism, and Christianity. Zayed eloquently shows how the misinformation about Islam is woven into the Islamophobia of today. The depth of knowledge and unique perspective of Mr. Zayed enlightens the reader about the overall depth of the meaning of God and religion from an interesting angle that could give birth to a debate unparalleled in today's literature - a debate that matters greatly to millions of readers.

**The Interpretation of The Meaning of The Holy Quran Volume 11 - Surah An-Nisa' verse 1 to 90** Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

Muhammad (pbuh) mentioned by name in the old testament: Prophet Muhammad (pbuh) is mentioned by name in the Song of Solomon chapter 5 verse 16: Hikko Mamittakim we kullo Muhammadim Zehdoodeh wa Zehraee Bayna Jerusalem. His mouth is most sweet: yea, he is altogether lovely. This is my beloved, and this is my friend, O daughters of Jerusalem. In the Hebrew language im is added for respect. Similarly im is added after the name of Prophet Muhammad (pbuh) to make it Muhammadim. In English translation they have even translated the name of Prophet Muhammad (pbuh) as altogether lovely, but in the Old Testament in Hebrew, the name of Prophet Muhammad (pbuh) is yet present. It's majestic plural noun like Elohim which refers to 1 God only. So Muhammadim also refers to 1 Muhammad even though im can refer also to be plural. Isaiah chapter 29 verse 12: And the book is delivered to him that is not learned, saying. Read this, I pray thee: and he saith, I am not learned. ### **A Contemporary, Rational Examination of the Sciences of the Holy Qur'An** Allama Dr. Sani Salih

Mustapha,2012-05-18 The Quran is that Single Heavenly Message that underwent so many passages through the evolution of mankind under the Guidance of Allah, the Lord of the universe to appear as the chosen, simplified and perfected code of conduct in the hands of Muhammad Rasulullah. Examining its Sciences convinces one of its Miraculous Nature, its conformity and confirmation of the Torah. It explains avidly that man has the faculty of discrimination, as a result of his ability to develop, grow, progress and to direct independently his own way of living. The base of this is in the Knowledge the Lord of the universe taught him. Harmony and Peace are comprehensive terms enveloping all that man needs for his survival in this world. The objective of examining the Sciences of the holy Quran is to find a safe passage and a way of living, in perfect harmony and peace, between mankind, his environment and his Creator. Secondly it enables one to understand and realize what will happen to one if he dies. Those reading the Scriptures have come across the Promise of Allah for reward and punishment in this earthly world and in the Hereafter. The holy Quran, the last of such Scriptures teaches the same. Allah summed up this in the holy Quran 53:38-41, That no burdened person (with sins) shall bear the burden (sins) of another. And that man can have nothing but what he does (good or bad). And that his deeds will be seen. The he will be recompensed with a full and the best recompense.
