GENERATION: MANUAL FOR SUPERIOR MEN: VOLUME TWO Extended Versions by Karen Kellock NEW PSYCH THEORY by Karen Kellock Ph.D., Psychology & Proverb Author. The cause of mental illness is other people: be shocked into a new world view seeing mental illness in a new light. Elite Review: Koestler [1962] shows all discoveries blend art with science. Vivid poetic images combined with rock-solid psychology show the tyranny of groups vs. the individual: collective insanity, the contagion of lunacy. What does it take to be a champion in a sea of sharks? That's the essence of this work. The writing is subtle, witty, clever and highly accurate. The therapy: open the book anywhere. Mansell Pattison M.D., Postdoctoral Sponsor at UCI School of Medicine, Dept. of Psychiatry.

The Genesis Trust Wayne Runde, 2022-01-15 In the three centuries since Galileo, science steadily advanced. In the early twentieth century, science and technology were the undisputed champions of everyday life. Now the pride of scientists was causing science to fail. Clemens Gerhardt, a distinguished scientist and member of the National Academy of Sciences, saw where this pride led. As science failed, it would lead to worsening conditions--and eventually to another Dark Age. Untold millions would die of starvation and disease. Like Galileo before him, he was ostracized by the elitist scientists as a heretic. To preserve science and continue its advance, Gerhardt and the American president gathered like-minded scientists to preserve and promote science. They were hidden away on the island of Atlantis where the Genesis Trust was established as a rebirth of the scientific method. No explanations of nature were discarded, even if it went contrary to scientists in the rest of the world. Soon the Trust found itself embroiled in events in the rest of the world. The nascent Atlantans aided the United States in its darkest hour. But a short time later, the Trust was pitted against the prideful scientists in America as well as a rebellion at home. Their challenge was to defeat the US military abroad and quell unrest at home--all without unnecessary violence and without revealing their existence to the world.

COMMUNIST SPIRIT Karen Kellock, 2022-01-11 Leech defined: Sticky fingers, sucking spirit. Communist spirit: if you have three and I have one you owe me one: liberals are terrible/no fun. When encountering the communist spirit run the other way or quickly put up your boundaries. Covetousness is common so stop giving away your possessions. People respect you/your things. The ability to say NO without feeling selfish is about boundaries so start practicing this. Cover design by Karen Kellock, Inside page by Blaze Goldburst, Chapter art by Fox Design.
