Rammya Singh Ahluwalia

HER BROKEN SOUL Tanisha Singh ,2025-02-21 The weight of expectations and responsibilities that never seem to lighten. The Broken Soul is a raw and poignant collection of poems and stories that delve into the depths of the eldest daughter's experience. Drawing from true events and personal anecdotes, each piece explores the struggles, sacrifices, and triumphs that come with being the firstborn in a family. From a young age, the weight of expectations and responsibilities are placed on the shoulders of the eldest daughter. She is often seen as the caregiver, the role model, the one who must set an example for her younger siblings. But underneath the facade of strength and resilience lies a broken soul, burdened by the weight of societal norms and familial obligations. Through verse and prose, The Broken Soul illuminates the complexities of the eldest daughter's journey. From navigating the turbulent waters of adolescence to grappling with the pressures of adulthood, each piece offers a glimpse into the inner world of a woman forced to mature before her time. The stories within these pages are not just my own, but the collective experiences of eldest daughters everywhere. They are a testament to the resilience and courage of these unsung heroes, who navigate the precarious balance between duty and self-discovery. The Broken Soul is a tribute to the eldest daughters who carry the weight of the world on their shoulders, yet find the strength to rise above their struggles. It is a reminder that despite the brokenness that may lie within, there is beauty and resilience in the eldest daughter's soul. And through these stories and poems, I hope to shine a light on the often unseen and unspoken reality of their experiences.

Performing Shakespearean Appropriations Darlena Ciraulo,Matthew Kozusko,Robert Sawyer,2022-06-29 **Performing Shakespearean Appropriations** explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics. The ten essays, moving from the seventeenth

to the twenty-first century, address uses of Shakespeare in the novel, television, cinema, and digital media. Drawing on Christy Desmet's work, several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling, reassembling, and recreating Shakespearean texts in and for digital platforms. The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare's afterlives. Contributors also construe the notion of "performance" broadly to include performances of selves, of communities, of agencies, and of authenticity—either Shakespeare's, or the user's, or both. The essays examine both specific performances and larger trends across media, and they consider a full range of modes: from formal and professional to casual and amateur; from the fixed and traditional to the ephemeral, the itinerant, and the irreverent.
