**The Quote Verifier** Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but

seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

**Quotes by Albert Camus** Lilith Regan, 2020-04-11 The struggle itself towards the heights is enough to fill a man's heart. One must imagine Sisyphus happy. In the depth of winter, I finally learned that within me there lay an invincible summer. Men must live and create. Live to the point of tears. I rebel; therefore I exist. Freedom is nothing but a chance to be better. Man is the only creature that refuses to be what he is. Life is the sum of all your choices. There is no fate that cannot be surmounted by scorn. Autumn is a second spring when every leaf is a flower. Integrity has no need of rules.

**Plain Truth for Plain People** Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years, Brad Estep offers fifty biblically grounded, theologically informed, and congregationally contextualized sermons centered around the different seasons of the Christian year. In addition to the sermon itself, Estep provides additional analysis that revolves around the homiletical structure, reasons for effectiveness, and usage of illustrative material. This work is designed for preachers who are interested and committed to the craft of preaching. Intended for reflective practitioners, Plain Truth for Plain People helps to reveal how and why sermons are crafted in the way that they are. Because of that, this book is also of interest to parishioners in the pews. At the top of the list of desirable skills in a pastor is preaching. This work helps provide examples of what that looks like—or more accurately, what that sounds like.

**Albert Camus: Quotes and Facts** Blago Kirov, 2015-12-18 This book is an anthology of quotes from Albert Camus and selected facts about Albert Camus. Albert Camus was born in the small coastal town of Mondovi, Algeria, in 1913. Camus married in 1934 at age 21. His wife, Simone Hie, was the daughter of a wealthy ophthalmologist. She was also a morphine addict, and the marriage dissolved amidst mutual infidelities after only two years. In 1934, he joined the Communist Party in reaction to the rise of fascism in Europe. Camus was expelled from the Communist Party for his support of Algerian nationalism. President George W. Bush reportedly read *The Stranger* while on vacation in 2006. Albert Camus preferred to write while standing (as did Ernest Hemingway, Vladimir Nabokov, and Virginia Woolf). The stripped-down prose style of *The Stranger* was influenced by American writers Ernest Hemingway, John Dos Passos, and William Faulkner. Camus also said that James M. Cain's crime novel *The Postman Always Rings Twice* provided much inspiration. Albert Camus won the Nobel Prize for Literature in 1957. The prize was awarded largely for his extended essay *Reflections on the Guillotine*, which argued against capital punishment. Albert Camus was the first African-born writer to receive the award. Man is the only creature who refuses to be what he is. Here lives a free man. Nobody serves him. Art and revolt will die only with the last man. But in the end one needs more courage to live than to kill himself. Happiness and the absurd are two sons of the same

earth. They are inseparable. I don't want to be a genius-I have enough problems just trying to be a man. Liberty is the right not to lie. I know simply that the sky will last longer than I. Seeking what is true is not seeking what is desirable. The absurd is the essential concept and the first truth. A guilty conscience needs to confess. A work of art is a confession. A man devoid of hope and conscious of being so has ceased to belong to the future. I shall tell you a great secret my friend. Do not wait for the last judgment, it takes place every day. I should like to be able to love my country and still love justice. I would like to be able to breathe- to be able to love her by memory or fidelity. But my heart aches. I love you continuously, intensely. I would rather live my life as if there is a god and die to find out there isn't, than live my life as if there isn't and die to find out there is.

**Albert Camus: a Study of His Work** Philip Thody, 1959

*WAS FRANKENSTEIN REALLY UNCLE SAM?* Richard J. Rolwing, 2007-09-05 This is one of four volumes on the Declaration of Independence. Formatted in 365 essays of about 400 words each, Rolwing examines nearly all the major writers on our Basic Charter, most of whom repudiate it. He focuses on their manifold criticisms and rejections, reveals their multiple distortions and misunderstandings, rebukes their self-contradictions and inconsistencies, and pities their general theo-phobia. He argues that while America was Founded almost completely by Protestant Christians (the only two “deists” were not even “deists”), what was Founded was formally only a philosophical product, not a faith based or Christian one, although the philosophy had been more Catholic than Protestant. Rolwing makes a great deal of American history, law, ethics, politics, philosophy, and theology easily accessible to the average reader. Each 5 minute essay can give you a high for the whole day. “Certainly the Declaration is worth many an hour explaining and defending it. Mr. Rolwing seeks to make the problems brought up about the document capable of being understood by both scholar and ordinary citizen.” -Fr. James Schall, S.J.

Quotes by Albert Camus Lilith Regan, 2020-03-08 The struggle itself towards the heights is enough to fill a man's heart. One must imagine Sisyphus happy. In the depth of winter, I finally learned that within me there lay an invincible summer. Autumn is a second spring when every leaf is a flower. The only way to deal with an unfree world is to become so absolutely free that your very existence is an act of rebellion. There is but one truly serious philosophical problem and that is suicide. Freedom is nothing but a chance to be better. I rebel; therefore I exist. Men must live and create. Live to the point of tears. Man is the only creature that refuses to be what he is. Life is the sum of all your choices.

**Lessons From Albert Camus. A Dream Within a Dream.** Heinz Duthel, 2021-08-20 We could die tomorrow and be forgotten about next month. Your Job will replace you, your partner will move on. Your family will never forget you but they have their own life to live. So live life to the fullest ! Be happy and appreciate every thing in life. Be at peace with yourself and learn to no worry so much.... Albert Camus is one of the greatest French writers and thinkers. He was a philosopher and author and a journalist. He won the Nobel Prize in Literature in 1957. And his most famous works are the stranger, the plague, the myth of Sisyphus, the fall under the rebel. Camus is one of the most representative figures of the philosophy of the absurd, or absurdism, which is a philosophical movement having at its central hypothesis that human beings exist in a purposeless, chaotic universe. Albert Camus is sometimes referred to as an existentialist, but he rejected this term throughout his life, because he wanted to distance himself from the existentialism of Sartre, Camus considered that absolute freedom must be balanced with absolute justice. Too much freedom leads to the situation when the strong suppress the weak, but too much justice kills freedom, and we need to live and let live.
